MANY PEOPLE SEEK TU-BERCULOSIS EXAMINATION.

People Rapidly Learning That Early Recognition and Treatment Only Cure for Tuberculosis.

Sanatorium, N. C., Sept. 15.-On account of the great demand for free NAVY DEPARTMENT tuberenlosis examination at the State Sanatorium at this time, Dr. L. B. McBrayer, superintendent, makes the announcement that it will be necessary for all physicians sending patients to the Sanatorium for this examination to write beforehand and make an engagement for this service. This is necessary, explains Doctor MeBrayer, for the reason that it not infrequently happens that on certain days the office is overrun with patients who come without an en in time of war.

The officials went to work compargamement, some of whom have to return home and make a second trip in order to get the examination. Furthermore, he says that uncertain work regular work of the institution and plant now built will be purchased. causes no little inconvenience to the examiners and to the applicants as well. Applicans for this service are further requested to come in the forenoon between the hours of 8 and 11

That this service is in demand by cause, cure and prevention, that both the people and the physicians are reslizing that early, recognition and treatment are the only sure means of cure for this disease.
