KEEP WILSON IN AS PRESIDENT, HARVEY SAYS.

Col. George Harvey, editor of the North American Review, who has fought President Wilson bitterly, in a speech made before a distinguished assemblage Wednesday night at the Lotus Club in New York, declared that a national election this fall is unnecessary and that none should be held. He deplored the injection of political partisanship into affairs at Washington and urged that the two great parties reach some agreement whereby Mr. Wilson might retain office without the animosities and expense of a contest at the polls, presumably for the duration of the war. Col. Harvey, it will be remembered, was the original sponsor for Mr. Wilson for President, but later became one of his severest critics. In his speech Wednesday night Col. Harvey said among other things:

"Gentlemen, there ought not to be a Federal election this fall. It is not necessary that there should be one. The matter is one wholly of arrangement and can easily be effected by the leaders of the two great parties. If they will face the situation in a generous patriotic spirit it might not be feasible or proper to attempt to deprive the sovereign States of their chief prerogative, in the election of Senators, although even this could be done without possibly affecting the result to many, but there is no practical or legal reason why the present membership of the House of Representatives could not or should not be continued as it now stands. The popular branch is now and ought to be in harmony with the Executive."

Speaking of America's participation in the war Col. Harvey said it "would be idle, illusive and harmful to pretend to regard our work of the past year with satisfaction. We have stumbled sadly. We have acted, or have failed to act, too long upon the fallacious notion that our belated entrance signaled an early ending of the war. The lesson derived from that false theory we now have learned. Let us then provide at once for an army not of one million nor of two millions, but of five millions, as a minimum and, so far as lies within our power in due time, of ten millions of men, and let us pay no further heed to either the terms or the time of peace. Let us make no more futile attempts to differentiate between Huns who command and Huns who murder. Let us put aside every compassionate thought and crush under heel every kindly sentiment. Let our one and only motto be: Kill Germans; kill them in the greatest numbers possible and by every conceivable honorable means, not as fellow beings, but as mad dogs who must be made to realize that they who take the sword must perish by the sword. It is the only way."

End of War is Far Distant, Says Lane.
Washington, March 27.—Secretary Lane urged the Special Water Power Committee today to hasten legislation leasing water power to meet war conditions. He expressed fear that the war would be prolonged years.

"It is necessary for the bill to be passed speedily to supply power for the war industries of the nation during the period of fighting to come. The news of the last few days makes it more and more apparent that the end of the war is far distant," continued the Secretary of Interior.

"If the water power legislation is enacted there will be no hampering of production by lack of coal. Its development will release coal for the use of homes, war vessels and merchant ships. Water power is white coal."

"The government cannot develop this power itself. It has too much else to occupy its attention, and under the present law water power cannot be developed to its maximum by private enterprise; hence the pressing necessity for quick passage of this legislation."

GERMANS DECLARE U. S. FORCE GOT SEVERE LESSON
Berlin Telegraph Writer Says It Was "Especially Gratifying" — French Critics Tell of "Valiant Support."
Amsterdam, March 27.—The part reported to have been played by American troops in the attempted relief of the British flank near La Fere is referred to briefly by most of the German war correspondents, but so far no mention has been made of the presence of Americans among the prisoners. Wilhelm Hoerster, of the Berlin Tageblatt, says the Americans now have an opportunity to find out what war really means. The Deutsches Tageblatt says "a severe lesson" is "especially gratifying to us."

Another correspondent says the unadvised bravery of the Americans proved itself in the "Tusor Teufelkuchen." The military correspondent of Vorwaerts writes: "Attacks of combined Allied forces against the pivot of the German attack from near La Fere were particularly heavy. These counter attacks did not find us unprepared. It testifies to the superior foresight of the German command that these attacks, in which American troops certainly participated and only symbolically, were not only beaten off, but were thrown back on the base (Linn) by an energetic blow."

Wisconsin Drags Active.
Madison, Wis., March 28.—The awakening of a public sentiment that will compel the Wisconsin legislature to ratify the nation-wide prohibition amendment is the primary object of a dry campaign that is to be formally inaugurated here tonight with a mass-meeting at which William J. Bryan of Nebraska is to be the principal speaker. The campaign will be carried into every part of the state by workers of the Wisconsin Anti-Saloon League.

DOCTORS SAY CALOMEL IS BEST MEDICINE

According to the world's greatest physicians and medical experts, calomel is the best and most universally useful of all medicines. Medical authorities prescribe calomel for almost every disease and explain that it is the best and surest of all system purifiers. They say that calomel cleanses the liver, stomach, bowels and kidneys and purifies the blood from all poisons, making the system pure and clean so that nature can quickly restore health. Now that science has purified calomel of all its nauseating and dangerous qualities, the new kind of calomel, called "Calotabs" is even more popular than the old. As a liver cleanser and system purifier Calotabs are more effective than the old style calomel, yet are entirely delightful in effect. One Calotab at bedtime, with a swallow of water—that's all. No nausea nor the slightest unpleasantness. Next morning you awake feeling fine, with a hearty appetite for breakfast. Eat what you please and go where you please—there is no restriction of habit or diet. Calotabs are sold only in original, sealed packages, price thirty-five cents. Your druggist recommends and guarantees Calotabs, and will refund your money if you are not delighted with them.—(Adv.)

TRY THIS FOR YOUR COLD

What You Need is Dr. Bell's Pine-Tar-Honey, at once.
As a cold is only dangerous when neglected, the prompt use of Dr. Bell's Pine-Tar-Honey will break it up and prevent the weakening cough from becoming chronic.

This happy combination of balsam and healing agents soon overcomes the cold germs, loosens the phlegm, relieves congestion and quickly relieves the cold.

Search as you will, you will not find a better remedy than Dr. Bell's Pine-Tar-Honey. Not only recent or lingering coughs, but croup, bronchitis, or asthma are helped toward speedy recovery by its proper use. Still sold at 25c by all druggists.

Success of a New Remedy For Backache, Kidneys, Rheumatism

BELLEVUE, N.Y.—"I was suffering with muscular rheumatism when I came in possession of Dr. Pierce's Anuric Tablets. I commenced on them at once and haven't felt but few symptoms of it since. Anuric is just fine for rheumatism. I am so glad I have a relief, I have suffered so much from it and from neuralgia in my head."—Mrs. LENA KNIGHT, Route 1.

Note: Folks in town and adjoining counties are delighted with the results they have obtained by using AN-URIC. It is the newest discovery of Dr. Pierce, who is head of the Invalids' Hotel and Surgical Institute, in Buffalo, N.Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort, and new strength they obtained from Doctor Pierce's Anuric Tablets, double strength. To prove that this is a certain uric acid solvent and conquerer of rheumatism, if you've never used the Anuric, send ten cents to Dr. Pierce for a large trial package. This will prove to you that Anuric is many times more active than lithia in eliminating uric acid. If you are a sufferer, go to your best druggist and ask for a small bottle of Anuric.

The poisons in your system can be thrown out by taking Dr. Pierce's Pleasant Pellets, composed of May-apple, aloes, root of jalap, sugar-coated, and sold by all druggists.

PUBLIC HAS BEEN STUNG TOO OFTEN AND IS NOW CAUTIOUS

People Demand an Overwhelming Abundance of Proof and Often Nothing But Knowledge Gained Through Personal Experience Will Convince Them of a Truth, Then Their Faith is Strong.
People are skeptical, and rightfully so, in these days of trickery and fraud. That was the attitude of Charles Langg, a resident of Durham, 217 Main St., who tells here how he was recently convinced in a matter that meant much to him:
"The testimonials of people whom I know in Durham convinced me of the merit of Peplac and put me on the right track. When I read the statements of people that I know could be relied upon I gave Peplac a trial, and I am glad that I did.
I have suffered for a long time with indigestion, gas in the stomach and pains around the heart. I would get up tired out after a sleepless night; had no appetite and no energy. One bottle of this wonderful medicine changed this and the relief it brought me is surprising. All of my suffering is gone and in return for this I feel that it is my christian duty to let others know what Peplac has done for me."
Peplac has helped thousands of men and women in this state and will help everyone who is suffering from stomach trouble or derangement of the liver and kidneys.
The merits of this great constructive tonic will be gladly explained at the Pearl Drug Co., where it is recommended and sold.

GOOD HEALTH IS DUE TO TANLAC

In Wretched Shape and Had to Force Himself to Work—Gains 20 Pounds.
"I am twenty pounds heavier than I was before I took Tanlac and I don't ever remember feeling any better in my life than I do right now," said "Jack" Herndon, the well-known leader of the Miami, Fla., drawbridge, a few days ago.

"I got in a general run-down condition last spring," continued Mr. Herndon, "and felt so tired all the time I just had to force myself to work. I didn't want anything to eat and what I did eat to keep from starving to death made me feel worse. My Stomach would swell up full of gas and feel heavy and I had a bad taste in my mouth when I got up in the morning and my tongue was always coated. I was awfully constipated and kept getting weaker and losing weight until I got so low-spirited I don't know what would have become of me if I hadn't started taking this Tanlac."

"It was recommended to me by a friend who said he knew what he was talking about and I think he did, because I began to get better right after the first few doses and just kept on improving until now all my troubles are gone and I feel like my old self again. I am cheerful and contented and I get pleasure out of my work like I used to. I tell you it's the honest truth, I feel as good as I ever want to feel and I owe it all to Tanlac. It certainly did the work for me and it's everything that's claimed for it. I think this is the best medicine that's ever been put on the market and I advise everybody who is suffering like I was to try it."

Tanlac is sold by Gibson Drug Co., Concord, N. C., and F. L. Smith Drug Co., at Kannapolis, N. C.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.
