Good the Next Morning.

The old-style 'calomel was the best

medicine in the world and the only thing that could straighten out a dis-

ordered liver, but it had some scrious draw backs. The griping and sickening

after-effects made many people dread to take it. Now you can take caloinel

without the slightest objection. One Calotab on the tongue at bedtime with

a swallow of water,-that's all. No taste, no griping, no natisea, no salts.

Next morning your liver is clean, your system purified and you are feeling like a two-year old.—with a hearty ap-

petite for breakfast. Eat what you
