TATTEMPTS TO BREAK UP CONSPIRACY FRUSTRATED

By Disagreement Between the Depart ment of Labor and Justice.

Washington, April 30,-Attempts to break up completely "the most damn able conspiracy against the govern is the nation's history" was frustrated b. disagreements between the Depart ment's of Labor and Justice, Chairman Johnson, of the House Immigration Committee testified today at the renewal of the investigation by the rules committee into the handling of deportation warrants by Louis F. Post, as-sistant Secretary of Labor. Arrests of 5,000 communists was followed by an "awful mixup betwen the two departments' resulting in the release of a big majority of those held, Representative Johnson said. The Department of Justice died its part, Mr. Johnson said. but an obstacle appeared in Mr. Post,

INDUSTRIAL RELATION LAW HELD CONSTITUTIONAL Local Union Officials Enjoined From

Calling a Strike.

(By The Associated Press.) Pittsburg, Kansas, April 30,-The new court of industrial relations law is constitutional, according to a decision announced by Judge Andrew J. urran in the Crawford County Dis trict Court today. Judge Curran then granted a temporary injunction en-joining Alexander Howatt and other district and local union officials of happened to some of the women be the Kansas district of United Mine cause of his still weakened condition Workers from calling a strike.

PLANT AT HIGH POINT

BURNS, LOSS \$200,000 Ejecto-File Company's Place Destroyed and Southern Railway Is Block-

High Point, April 29,-With of from \$100,000 to \$200,000, the Ejec company's plant here was consumed about noon today when fire of undetermined origin was discovered by an employe of the plant.

When the firemen arrived the flame were making remarkable headway-and a few minutes later the building, a two-story wooden structure, had been burned to the ground.

Fifteen freight cars, left standing on

a siding adjacent to the plant of the Ejecto-File company, were ignited and one of these was destroyed. Most of the cars were loaded with lumber. Fonrteen were damaged in varying de

Traffic on main line of the South ern railway was cut off for nearly three hours when the rails were bent as a result of the thrense heat. It was after 2 o'clock this afternoon before either north or southbound trains passed High Point, and then they us-

ed side tracks. The Ejecto-File company was engaged in the manufacture of filing cabinets, victrolies, phonographs and cabinets for phonograph records. Ev-ery piece of machinery was destroyed.

DEPRECATES PANIC TALK Fletcher Tells Chicago Business Men

Why It Is Foolish. Chicago, April 28.—John Fletcher, Baccalaureate Sermon, May 16, 4 p. vice president of the Fort Dearborn m., Rev. D. J. Satterfield, D. D., Woosto to Chicago's big business men at the Christian Endeavor Prayer and meeting of the Association of Com-merce today.

"There are people foolish enough to talk about the possibilities of panic. Class Day Exerc With but 5 per cent. of the earth's population we have 24 per cent. of its agricultural production, 40 per cent. of the mineral production, and we manufacture 35 per cent. of its goods.

Our National wealth is above \$225, 1000,000,000, while that of our nearest corrections. Fordard is but \$80,000. competitor, England, is but \$80,000, 000,000. With this, it is impossible

for things to go wrong.
"The real trouble in this country to the reat frome in this contest of day is that there is a premium on idleness. Our trade balance today is \$5,000,000,000. We have repurchased our foreign placed securities to the value of \$8,000,000,000. We have loaned our Allies \$9,000,000,000 or \$10,000,000,000. Half of the gold in the world be to the United States and the deposit is in the United States and the deposits in the banks of this country are billions more than the total in all the other banks of the world."

HIGH SCHOOL GIRLS ARE

GOING TO DO THEIR BIT Graduating Class Votes to Wear Or gandy Dresses and Hats for Grad uating Exercises.

At a class meeting held vesterday the girl members of the graduating class of the Concord High School unanimously voted to wear white or gandy dresses and hats at the graduation exercises. The organdy dress es will take the place of the taffeta and crepe de chine gowns that have and crepe de chine gowns that have characterized commencement exercis-es in this city for years, and will be worn in an effort to reduce the high cost of clothing.

Miss Lena Barrow, county demon-stration agent, met with the members of the class and after taking county.

of the class, and after talking over the situation with her the class made their decision to do away with unnecessary finery, and to attire themselves in simple white organdy.

Miss Barrow will meet with the class at a later date, and will help them in the preparation of their hats. It is said that the hats can be made for \$4 each. The cost of a white or-gandy dress will also be much less than the price of taffeta, silk or crep

Movement Under Way to Make Uni-forms Out of Denim.

COPS IN OVERALLS.

Philadelphia Record,

Now for the cops in denim. If plans on which Superintendent of Police Mills and his assistants are working materialize, the policemen of Philadelphia will join the ranks of the bankers, magnates and other plutocrats who have donned the once lowly overall. A sample suit made of denim for Sergeant Malcolm McDonald, of the Reserves, have proved the practi-cability of the scheme. The suit was made in the regulation cut and proved cool, neat and cheap,
"It is doubtful if we can 'overall

the police this summer," said the super-intendent yesterday. The bureau is at present under a two-year contract with a local clothing concern for the making and delivery of the regular blue uniform, and therefore I do not see how we can obtain the material for the denim suits. But the idea is an excellent one and will be pressed, and we may place some of the traffic men in overalls this summer."

GASTONIA PREPARING TO ENTERTAIN A. R. P. SYNOD

Church Leaders From All Over South Regarding Preparations to Forestall Are to Attend the Meeting Next Week.
