SAYS LANDIS' RULING "WHIL NOT STICK." ELKS' CHARITY BAZAAR HAS SUCCESSFUL BEGINNING

Large Crowd Present For Opening Night.-Continues All Week. The Elks Charlty Bazaar began last night a week's stay in Concord, under the blg tent at the corner of Bar-

brick and South Spring Streets, in the rear of the City Hall. A crowd of patrons that almost filled the tent was present on the opening night, and the whole assembly apparently was hav-ing an enjoyable time.

During the evening a number of free entertainments were staged on the platform in the middle of the tent, among the attractions being jugglers,

hoop collers, high diver, contortion for, call trained animals all of the acts being well performed. The entire circumference of the tent was filled with booths of various kinds, handling articles of morchandise, such as beautiful blankets, Rogers silverware, haby dolls, dogs, pil-

lows and the like. The local Elks con-duct a candy booth, while the King's Daughters have a booth from which they dispense all kinds of refreshments.

guessing contest in which the closest leans, lies in 14 feet of water three guesses will receive a huge truck load miles from St. Andrews,

no greater draft on the public treas-OTHER CHARGES FILED AGAINST AGENT HENSON ury, and which though yet too ernds to offer it today, gives such promise of expanding our merchant marine that it will argue its own approval." "Proper encouragement" for the co-

operative marketing programs as neans of assisting in relief of present conditions in agriculture was suggest-ed by the Executive. He also told the Congress it should give its "curuest attention" to a general policy of transportation, of distributed incotry, and highway construction to encourage the spread of population and restore proper balance between city Agent Heuson who conducted raids and country. He also recommended was, exonerated by prohibition company of conference, of common country the house of Miss Bessie and determination in conference be-

tween capital, and labor."

CONGRESS STARTS IN FOR ANOTHER SESSION

Chief Interest Centers on President's Message to Be Made Today.

Washington, Dec. 5-Congress re-ssembled today with the usual formal ceremonics of a new session and with its legislative course fairly well routine, however, and was viewed by smaller crowds than customary. Interest in general was subordinated to President Harding's address which WILL MAKE DOUGHTON TAKE LEGISLATIVE SEAT will be delivered at a joint session at mendations were expected to deal principally with tariff revisions, govsonomy and de ernment the federal budget system Unusual interest in the President's appearance was manifested in view of the assured attendance as spectatars of delegates and attaches to the armament limitation conference, Acmission to the House chamber is to by by special card. The President today devoted blaself to work on the message, denving himself to visitors and working to get his address to the printer tonight. A large majority of Senators and House members answered the open-ing roll calls today after their tenday recess since the adjournment of the extra session. The opening gavels sounded the beginning of first regular session of the Sixty-seventh Congress which has before it many months' work. Leaders expressed the hope tonight of competing work by mid-summer but faved the possibility of the session continuing until fall. With the bi-ennial congressonal elections next November, much politics was regarded as assured for this session.
