Three Members of One Family of Clover, S. C., Are Said to Have Been Killed By W. C. Farris.

FARRIS IS HELD IN PENITENTIARY

Alleged Murder of the Three Taylors Is Known in Section Where He Lives as "Fighting Bill."

(By The Associated Press.) York, S. C., Sept. 7.—With the death in a Gastonia hospital last night of Lela Taylor, aged 10, and Newton Taylor, aged 12, three members of the family of J. M. Taylor, of Clover, S. C., are dead from gunshot wounds alleged to have been inflicted yesterday afternoon by Wm. C. Farris, an elderly cotton mill operative.

Farris was rushed to the state penitentiary in Columbia last night, as a measure of safety, when feeling run high in the Clover vicinity as reports of the tragedy spread.

An inquest was held over the bodies of Farris' victims today, the jury returning a verdict that the three came to their deaths at the hands of Farris.

Farris is known throughout this section as "Fighting Bill" the son of "Ku Klux John" Farris, a name given the father as a result of a battle he is reported to have fought with the Ku Klux Klansmen in the early '70s.

C. M. GENTRY'S WILL LANDS IN THE COURT

John T. McCain Heirs Have Started Litigation in Stanley Court.

Albemarle, Sept. 6.—The will of the late Rev. C. M. Gentry, of Albemarle, which was filed for probate about 60 days ago has been a subject of litigation by ex-Sheriff G. R. McCain, of Albemarle, and the heirs-at-law of John T. McCain, deceased, formerly of Texas. It will be recalled that Mr. Gentry by his last will and testament provided rather large gifts to the Methodist orphanage of Winston-Salem, and to foreign missionary work, and also a memorial fund in memory of his deceased wife, Anna Maria Gentry, which fund is to be used for relief of suffering humanity in the Near East. The will provided for \$5,000 to each of these institutions or causes.

The defendants in the action are W. L. Mann, executor, the Methodist orphanage, the board of finance of the Methodist church and the heirs-at-law of C. M. Gentry who take under the probated will of Mr. Gentry.

The plaintiffs in their complaint, which has been recently filed, allege that Mr. Gentry had made a will about the year 1900 in connection with the will which his wife made about that time, and that the wills made at that time were mutual wills and that Mr. Gentry had no right to make the will which he did shortly before his death.

The defendants have not yet filed their answer and it is not known what the line of their defense will be.

HOPE RENEWED FOR STRIKE SETTLEMENT

With Railway Shop Crafts Committee of Ninety Summoned to Meet in Chicago Next Monday.

CALL GOES OUT OVER NAME OF B. M. JEWELL

Whose Whereabouts Have Remained Publicly Unknown Since Government Injunction Was Issued.

(By The Associated Press.) Chicago, Sept. 7.—With the railway shop crafts policy committee of ninety summoned to meet in Chicago next Monday, hope for early or partial settlement of the rail strike was renewed today for the first time since the railroad executives and union chiefs broke off negotiations in New York.

These hopes were founded principally on the call for the union's policy committee meeting, and statements by strike leaders of the possibility of separate agreements with 22 of the class one railroads representing approximately 85,000 miles.

Railway executives generally decried that peace overtures had been considered in conference with the union leaders. Some insisted that the strike was broken and that peace talks had ended with the breakup of the New York conference.

The call for the policy committee meeting issued at Chicago headquarters by John Scott, secretary of the railway employees department of the American Federation of Labor, went out to the general chairman of the shop crafts organizations over the name of B. M. Jewell, head of the department, whose whereabouts have remained publicly unknown since the government injunction was made.

The meeting of the shop craft leaders was called for the same day which Judge Wilkerson set for the hearing on the government application to make the Daugherty injunction permanent.

NO CONFERENCES ON THE RAILROAD STRIKE

Are Now Being Held and None Have Been Held Since Formal Gathering Last Month, Says Noonan.

(By The Associated Press.) Washington, Sept. 7.—There are no conferences now in progress between leaders of the railroad strike and railroad presidents and none have been held since formal gatherings in New York last month, it was asserted today by J. P. Noonan, chief of the Brotherhood of Electrical Workers, which is one of the seven rail unions on national strike. The meeting of the strikers policy committee, called for next week at Chicago, is to consider general strike policies and also to consider what shall be done in view of the injunction application of the Attorney General.

B. M. Jewell, chairman of the executive council of the striking organizations, is now en route to Chicago, Mr. Noonan added, after visiting several of the railroad centers, but during his trip through this section called no meetings of the union executives. Mr. Noonan said he was not informed as to whether the chairman had taken occasion to meet any rail presidents.

GOMPERS TO HELP IMPEACH DAUGHERTY

Head of Federation of Labor Pledges Support of Organization in Efforts to Oust Attorney General.

(By The Associated Press.) Washington, Sept. 7.—A petition for an injunction was filed today in the Supreme Court of the District of Columbia against U. S. Attorney Peyton Gordon and U. S. Marshal Edgar C. Schneider, marshal for the District of Columbia by the International Brotherhood of Electrical Workers, Jas. H. Noonan, president, and Chas. P. Ford, secretary, which would restrain Gordon and Schneider from enforcing within the District of Columbia the provisions of the blanket injunction issued to Attorney General Daugherty in Chicago last week.

The plaintiffs state that neither before nor since July 1 of this year have they committed unlawful acts incident to the strike of the railway shompen. The Brotherhood and President Noonan were named in Attorney General Daugherty's injunction.

ATHLETICS AT TRINITY COLLEGE

The Weaver Brothers Will Attend School There Next Session.

(By The Associated Press.) Durham, N. C., Sept. 7.—From one of the mountains, rock-ribbed and ancient as the sun, two more athletes are coming to Trinity college. They are the Weaver brothers, Cleto and Wade. Cleto has been a whole forest fire with the Waynesville club of the mountain league this summer and as end on a football team goes like a prairie fire in tinder. Wade was the full back of no mean ability with the last travelling Weaver college team last year. The father of the athletes has moved to Durham and taken a home rear the Trinity campus in order to educate his sons. Several other students who are coming to Trinity from Weaver and Rutherford colleges will make their homes with him.

Whether or not the amoky pitcher who seems to be quite a Caesar with the little balls, will be permitted to take part in baseball his first year remains to be seen. Last summer the youngster was enticed to Philadelphia by offers from Connie Mack, who has had as much experience in selecting good baseball players as Flo Ziegfield has had in selecting good chorous girls. For three weeks the boy from the Carolina mountains remained in the Quaker City, pitching the ball around the lot, but not once did he take part in a game. Then Connie Mack desired that he go to Fort Worth, Texas, and perform for that club. Weaver did not like the idea. Texas was too close to Mexico for him. So he told the Philadelphia manager, grabbed his get-away bag and headed for the hills.

Ere long he was the mainstay with the Waynesville club which has given Asheville so much trouble in the Mountain league. With a ratiodelivery from a left arm, he turned in thirteen victories out of sixteen trips to the box. On one occasion for three days in succession, he shot the fast ones down the boulevard and did not seem to weaken under this terrific pace.

But his trip to Philadelphia may keep him from playing baseball his first year at Trinity, although he did not participate in a single game. His eligibility at Trinity will be threshed out by the proper committee. If the committee finds that his trip to see Connie Mack has debarred him from playing with Trinity his first year, he still has a chance for three years. He will be at Trinity for four years and if the committee should find him ineligible the ruling will only effect his first year.

He is all o. k. for football and will report to Coach Steiner at the mountain camp as soon as the Mountain League season is over. Reports coming to Trinity are that as end on the Weaver team last year he was a real bad one, and mowed them down in fine style.

Wade Weaver, the brother, was about the drivinest full back in his neck of the woods last year. He is now at camp getting his full share of the hard work and dope put out by coach Steiner.

GREEK SITUATION IS GIVING MUCH CONCERN

Position Arising Out of Vicinity of Athens is Causing Serious Anxiety to the Entente Powers.

WILL VENIZELOS MAKE COME BACK?

Rumors of Resignation of the Greek Cabinet and Return of VenizeLOS Have Been Current Past Two Days.

(By The Associated Press.) London, Sept. 7.—The British cabinet at its meeting today had up for discussion among other things the situation in Asia Minor, which is causing serious anxiety to the entente powers.

The position arising out of the victorious Turkish offensive has given rise to active exchanges between the allied capitals, both in regard to the possibility of an armistice, and the question of safeguarding the Christian population in the districts evacuated by the Greeks.

The problem of removing the refugees from Smyrna presents serious difficulties, as the vessels for their transportation in the event of a sudden emergency are not available at this time.

Among the morning reports is one to the effect that King Constantine has quit Athens. Further details are lacking, and whether, if the report is accurate, the King has gone to the front to encourage his troops or has left for political reasons is merely conjecturable. Rumors of the resignation of the Greek cabinet, and the return of former premier VenizeLOS have been current for the last two days.

Greater Davidson Campaign

The obvious meaning of Christian education is education with a view to making and developing Christian Character.

"Christian parents cannot be faithful to the vows which they have made to train their children in the nurture and admonition of the Lord unless they seek Christian teachers for their children. They cannot certainly find Christian teachers for them unless the Church provides and controls the schools. Next to maintaining a Christian home and a Christian Church comes the obligation, scarcely less imperative, to maintain the Christian school."

DR. R. C. REED, Moderator of General Assembly. Please don't forget the meeting in the interest of Greater Davidson Campaign at First Presbyterian Church tonight.
