Everything is ready now for Cabar-rus County Day at the Made-In-Carolines Exposition in Charlotte. The two committees of the Kiwanis and Rotary clubs which have, been working on the details for the event, stated this morning that everything is set now, and the only thing needed to make the oc-casion a notable one is the presence of several thousand Cabarros County people at the exposition.

Cabarrus County people going over to the exposition on Friday, which day has been given over to this county, are asked to meet at "Alex's Place," two miles this side of Charlotte, at 11 o'clock on Friday morning. A. R. Hoover will be in charge of the delegation at that point, and will escort it to the exposition grounds,

A committee of exposition officials will meet the Cajarrus convoy at "Alex's Place," and with Mr. Hoover speech making and conferences. "Whether the Republicant can coun teract the present movement remains to be seen," said Senator Walsh, "They will escort it into the city. The program at the exposition may to some extent, but the primary elections show that the attitude of the crounds will begin at 3:30 o'clock. Major W. A. Foll, of the Kiwanis Club, Major W. A.
