

SENATOR TOM WATSON DIES SUDDENLY TODAY

His Death Occurred at His Home in Washington, and Was the Result of an Acute Attack of Asthma.

THE SENATOR WAS 66 YEARS OF AGE

In the Senator's Own Language He Was an "Anti-Wilson, Anti-League, Anti-War Measure Democrat."

Washington, Sept. 26.—United States Senator Thomas E. Watson, of Georgia, died suddenly at his home here today. Death was said to be due to an acute attack of asthma from which he suffered from some years.

Although failing health had interrupted Senator Watson's attendance at the Senate sessions recently during the past few months he was in his seat Friday when the Senate adjourned, and his friends believed he was showing improvement. He was stricken after dinner last night and passed away at 8 o'clock this morning. He was 66 years old.

During the first year and a half of his term in the Senate, to which he was elected in 1920 after receiving the nomination over Senator Hoke Smith and Governor Hugh M. Doresey, Senator Watson gave no indication of any impairment of the vigor and activity which had marked his long career in politics and as a publisher.

Born in Thompson, Ga., in 1856, Senator Watson grew up and practiced law there for some years before entering State politics. After serving in the Georgia House of Representatives and later in 1888 as democratic elector at large for the state, he was elected to Congress in 1891 on the populist ticket.

After being defeated on that ticket in the next two elections Senator Watson was nominated as the choice for Vice President at the St. Louis populist convention which endorsed Wm. J. Bryan for President in 1896. Nominated for President by the Peoples Party in 1904, Senator Watson conducted an active campaign to receive the party.

In the Senator's own language as given in his biographical sketch in the Congressional Directory he conducted his campaign for the Senate, as an "anti-Wilson, anti-League, and anti-war measure" Democrat.

Funeral Thursday. Thomson, Ga., Sept. 26.—Major Chas. E. McGregor, close personal friend of Senator Thos. E. Watson, said that he had been advised that the body of Senator Watson would arrive here tomorrow afternoon and that the funeral would be held Thursday afternoon.

THE TURKISH MILITARY MOVEMENT MUST PROCEED

Turkish Situation Reaches Another Critical Stage Today.

(By the Associated Press.) The Turkish situation reached another critical stage today. Kemal Pasha's reply to the allied governments has been made known at Constantinople by an aide de camp, and in acceptance of the proposed conditions, but with the insistence that Turkish military movements shall proceed, and that Russia, Bulgaria and Persia shall be admitted to the proposed peace conference.

The military situation has become increasingly serious. The Turkish forces have occupied Kmn Kalei at the mouth of the Dardanelles, commanding the entrance to the Straits with a cavalry force. Another nationalistic cavalry force of 1,000 strong is at Eren Keul, ten miles from the British lines at Chanak.

CONFEDERATE HEROES GUESTS OF ASHEVILLE

Annual Reunion of N. C. Veterans Opened With Heartfelt Welcomes Offered by Several Speakers.

(By the Associated Press.) Asheville, Sept. 26.—The thirning gray line of North Carolina's veterans of '61-'65 mustered nearly a half a thousand men at the opening session of the state reunion here today. The Stars and Bars of the lost cause intermingled with Old Glory in the profuse decorations which greet the old soldiers.

Heartfelt welcomes were spoken at the initial session this morning by representatives of the local Post U. C. V., the American Legion, the Auxiliaries and municipalities. Reports of brigade commanders and division officers will feature the meeting this afternoon with a banquet and social features for the evening.

"The war between the states is a part of American history," declared Mayor Roberts in the opening address. "We do not want to forget and do not want our children to forget. Not one of you old soldiers is less an American patriot because your heart throbs when you think of the battles of the past and the glories of the Confederacy." The most remarkable thing about the war between the states to the student of history is the marvellous fact that the South was able to fight such an unequal contest for four long, weary years.

Everything is free to the veterans. They are being lodged and fed by the citizens. Motion picture theatres are open to them, and trolley and automobile rides have been arranged. The convention will close with a parade Thursday morning in which local military organizations will act as escort to the men in gray.

BLAZE FROM DEPTHS OF SEA.

Strange Fire Shoots From Jetty at Atlantic City.

Atlantic City, Sept. 24.—The jetty alongside Young's Oil Pier at Tennessee avenue was discovered ablaze today, within a foot of the water's edge. Flames shot into the air, seemingly from the depths of the sea. It was at the height of the Sunday morning parade, and several thousands gathered at the spot. Beach guards hastened to the spot and extinguished the blaze.

Beach Surgeon Bossert expressed the belief that the fire was caused by the same substance which set a boy's clothing ablaze on the beach a month ago. He was inclined to the belief that oil waste had drifted in from the ocean, caught against the jetty and became ignited by the sun's rays. Others are inclined to lay the fire to some sort of phosphorus substance.

ANDERSON SPORT CAR WORTH WORKING FOR

The Best Time to Enter and Winning the Race in the Tribune-Times Salesmanship Club Is Now.

GET IN THE RACE WITHOUT DELAY

Do Not Wait Until the Official Opening Day of the Campaign to Get Yourself in the Race.

"Salesmanship Club" will be formally launched in a few days. Entries may be made after that time, but it is essential to a successful race to be entered and at work when the barriers are raised. See that your name is in the list of members at once, if you are thinking as scores are, of entering this highly interesting and remunerative circulation campaign. Nothing is ever gained by standing back and allowing others to win the prizes of life. Enter your name today.

If by walking a few miles daily along a designated route, you were assured of finding \$2050 in a purse—WOULD YOU WALK? Well, somewhat!

If by walking a few squares daily and talking to a few friends you can have an equal chance with comparatively few others to obtain a \$2050 Anderson Ultra Sport automobile or a \$1575 Anderson Touring Car, or a Chevrolet Touring car, without cost to yourself—WOULD YOU WALK AND TALK?

Well, that's all it takes to be successful in The Tribune and Times "Salesmanship Club," and the sooner you get into action along these lines the more assured you will be of success when the campaign ends some eight weeks hence. Nothing in life is to be had without an effort. Savings of a score of years are in the end found hardly sufficient to pay for the little home in its entirety. Then the struggle for more years to financially pay it out.

Not so with the members of the "Salesmanship Club." They will be awarded free and without cost to themselves many valuable and worthwhile rewards at the end of a given time—eight weeks—in exchange for an effort during their spare time hours. The Tribune and Times increase its subscribers.

An Anderson Ultra Sport, valued at \$2050, and an Anderson Touring Car, value \$1575, are the chief concerns to the members of the Club just now. The next best offering is a Chevrolet Touring car, value \$613; and \$300 in cash. Cash prizes and cash commissions will be distributed, and all in all it is a business proposition worthy of the serious consideration of those who want to do something for themselves.

If your name is not already in the list, see to it today that you are properly entered and have a receipt book with which to make the start at once. Send in your name at once, if you are not a member, and get an early start. That's the best plan. All can enter. The race is open to every one. Just call at the office, or phone the manager, and he will see that you are started on the right road to success and fortune.

Look over this list and pick out what you want. Then enter yourself as a member of the Drive and go to it. Capital Prizes: Anderson Ultra Sport Touring Car, value \$2,050; Anderson 5-Passenger Touring Car, Value \$1,575; and a Chevrolet Touring Car, value \$613; also \$300 in cash.

LIVESTOCK ENTERED NOW FOR THE STATE FAIR

Entry List Does Not Close Until October 3—Some Fine Cattle to Be Shown.

Raleigh, N. C., Sept. 26.—Although time for entries in the livestock departments of the 31st annual North Carolina State Fair on October 30-31 will not expire until October 2, Manager E. V. Walborn has already received a number of entries of cattle, swine and poultry from North Carolina and other states.

The first entry to be received was from W. L. Yost, of Independence, Missouri, who is the owner of what is acknowledged to be one of the finest herds of Hereford cattle in the entire country. Mr. Yost will bring eighteen head of cattle to Raleigh, including his famous two year old bull "Gray Broomer," which has already been exhibited this year at the Iowa State Fair, where it won the grand championship.

The first North Carolina herd of cattle to be entered at the Fair is that of R. W. Everett, of Pisgah Forest, who will exhibit his Shorthorn herd, containing sixteen head.

Numerous entries of swine and poultry have also been received and an especially large number of requests for catalogues have been received from poultry exhibitors, making it certain that this department of the fair will be by far the largest in the history of the fair.

Preparations for the fair continue to move at a rapid pace and the management has been fortunate in that none of the material needed for the remodeling of the buildings and reconstruction of the grounds has been delayed by the railroad strike.

The only delay experienced was in the receipt of 1,000 of the 30,000 posters used by the management, but these were re-ordered by express and six men are now busy conducting an advertising campaign, in which every town and village within a radius of 125 miles of Raleigh will be posted.

Requests have already been received for 3,200 copies of the regular fair catalogues and premium lists and the special catalogue of the Horse and Dog shows is now ready.

THE WORLD SERIES

Americans Have Won 16 Series and Nationals 7 Since 1905.

(By the Associated Press.) New York, Sept. 26.—The American League pennant winners have won 16 of the world series played since 1905, and National League clubs have taken seven.

Last year the Giants threw off a flax that had followed Greater New York national League clubs in world series since 1905 by defeating the Yankees. Four times previously the Giants had lost a series to American League champions and the Brooklyn Nationals had been unsuccessful twice.

TURKS TO ACCEPT ALLIED CONDITIONS

The Peace Note Has Been Completed and Comprises Acceptance of Terms Laid Down at Paris Conference.

THE CONSTANTINOPLE FIRE UNDER CONTROL

It Was First Feared an Effort Had Been Made to Burn the City, But the Fire Was Controlled in Two Hours.

Constantinople, Sept. 26 (By the Associated Press).—The reply of the Turkish nationalist government to the allied peace note has been completed and comprises acceptance of the conditions laid down at the Paris conference, according to Essad Bey, aide de camp to Mustafa Kemal Pasha, who has arrived here from Smyrna.

The nationalists, however, insist upon their right to conduct military movements during the progress of the conference, and also demand admission to the meeting of all the allies from the Ankara government, including Russia, Persia and Bulgaria.

Fire in Constantinople Under Control. Constantinople, Sept. 26 (By the Associated Press).—The fire which broke out in Constantinople shortly after 10 o'clock last night causing intense excitement and fears that an attempt was being made to burn the capital, was controlled after a fight of two hours.

The blaze originated from an unknown cause in a music hall on one of the main thoroughfares.

Soviet Russia Issues Warning

Moscow, Sept. 26 (By the Associated Press).—Soviet Russia in a note addressed to England, France, Italy, Greece, Roumania, Jugoslavia, Bulgaria and Egypt, proposing an immediate conference designed to find a solution of the Near East situations, warns the European powers against ignoring the interests of those countries directly interested in the freedom of the Dardanelles.

The note which was dispatched by acting Foreign Minister Karakhan, declares that as none of the European powers is taking proper steps to prevent developments which appear likely to drag the entire series of countries addressed into war, the soviet government considers that only an immediate and powerful intervention can localize the affair and possibly save Europe from a new outbreak of bloodshed.

WASHINGTON APPROVES PROPOSAL OF THE ALLIES

To Insure the Freedom of the Dardanelles and the Bosphorus. Washington, Sept. 26 (By the Associated Press).—The unequivocal approval by the Washington government of the allied proposals to insure the freedom of the Dardanelles and the Bosphorus, and also to protect racial and religious minorities in Turkish territories involved in the present Near Eastern situation was expressed by Secretary Hughes formally today in reply to an inquiry addressed to him by the Associated Press.

The question submitted sought to ascertain "the attitude of the government of the United States toward the proposals made by the allies to the Turkish nationalist authorities." Mr. Hughes declined to comment on the territorial question raised, but made clear the attitude of the administration on the other points involved.

"The American government is gratified," said Mr. Hughes, "to observe that the proposal of the three allied governments seek to insure effectively the liberty of the Dardanelles, the Sea of Marmora, and the Bosphorus, as well as protection of racial and religious minorities. The points of the proposal are clearly in accord with American sentiment."

"This government also trusts that suitable arrangements may be agreed upon in the interests of peace to preserve the freedom of the Straits pending the conference to conclude a final treaty of peace between Turkey, Greece, and the allies."

LUTHERAN WOMEN MEET IN BIENNIAL CONVENTION

Mrs. John M. Cook, of Concord, is a Member of the Executive Committee.

The Women's Missionary Society of the United Lutheran Church in America met in biennial convention in Pittsburgh, Pennsylvania, on Tuesday, September 26th. Mrs. John M. Cook, of Concord, is a member of the Executive Committee. The North Carolina Synod is being represented by Mrs. Fred R. Shepherd, of Concord; Mrs. Carl O. Lippard, of Crouse; Mrs. Julia Hall, of Cherryville; Mrs. G. W. McCannahan, of Gibsonville; Mrs. J. L. Morgan, of Salisbury; Mrs. E. A. Schneck, of Greensboro; Miss Lena Moore, of Mount Pleasant.

The Society has 1804 Synodical Societies, with a membership of 58,135. It also has 839 Light Brigades with a membership of 27,980. It contributed during 1921-1922 a total of 6648,262, an increase over the previous two years of \$390,065. This amount was raised by free and voluntary contributions by the individual societies.

The Society has established, equipped and is supporting in India three hospitals, three medical dispensaries, forty schools of different grades, and thirty-four women missionaries. In Africa it has one hospital, two medical dispensaries, the Emma Day school, and out-stations, and eight women missionaries. In the West Indies two homes for children and one woman missionary. In South Africa it has one woman missionary.

This Society is interested at home to the extent of building churches in the various parts of the United States, supporting pastors or aiding in their salaries, also educating Slav students and supporting Jewish mission work. During the years 1920-1922, twenty-one missionaries were sent out by this Society. During the present meeting plans for the expansion and enlarging of the work will be discussed.

TWO KILLED BY TRAIN NO 37 THIS MORNING

Accident Occurred at a Crossing Near Linwood—One Man From Charlotte.

(By the Associated Press.) Salisbury, Sept. 26.—Two men were killed by Southern train No. 37 this morning at a crossing at Linwood. Papers on the bodies of the men indicated that one of them was Robert G. Hayes, 215 West 10th Street, Charlotte. The car bore a Charlotte number 4225, and belonged to George J. Blum, 103 Northling Avenue, Charlotte and it is thought that he is the other man who was killed.

The men were badly cut about the head. One of the members of the train crew said one of them lived until placed in the baggage car, and the other was dead when reached. The automobile in which they were riding was completely demolished. No details as to how the accident occurred could be obtained. The station master at Linwood said someone on the opposite side of the track tried to wave to the men to stop, but they did not heed him or could not stop. The men were traveling on a detour to Lexington.

RESTRAINING ORDER

Issued Against Henderson Commissioners, Preventing Them From Spending Road Money Except Under Supervision of State Highway Commission.

(By the Associated Press.) Asheville, Sept. 26.—A restraining order was issued by Judge Ferguson at Waynesville late yesterday, preventing the Henderson County board of commissioners from spending \$290,000 of \$310,000 on hand for road improvement except under supervision of the State Highway Commission. This, it is believed, will end the litigation of many months' standing over the location and construction of a hard surfaced highway leading from Hendersonville to the Buncombe County line and gives jurisdiction to the State highway commission. The latter, it is understood plans to let the contract on the project this fall.

DROUGHT IN ASHEVILLE BROKEN MONDAY NIGHT

Asheville and Vicinity Visited by Rain-fall of Nearly One Inch.

(By the Associated Press.) Asheville, Sept. 26.—With a rainfall of nearly one inch falling last night, the drought which has existed in Asheville and vicinity for the past two months was effectively broken. The city watersheds now have an abundant supply, and the river is now about normal, rising about two feet. Hydro-electric stations are operating at full capacity today and all industrial plants that had been shut down have resumed, including the Champion Fibre Company at Canton.

GO WITH FRIENDS TO EXPOSITION FRIDAY

Hundreds of Cabarrus County People Will Attend the Made-In-Carolinas Exposition on That Date.

SEE WHAT STATES ARE PRODUCING

Special Effort to Be Made to Have Large Number of Farmers and Their Families Present Friday.

That Cabarrus County Day will be one of the biggest and most interesting "County Days" at the Made-In-Carolinas Exposition, in Charlotte this year, is the opinion expressed by the members of the Rotary and Kiwanis committees which made plans for the day. Cabarrus Day will be held this year on Friday, September 29th, and will be one of the first days set aside by the exposition officials for a county or city.

More than a thousand Cabarrus County people were in Charlotte last year for Cabarrus Day, and this year twice this number will be expected. Not only are hundreds of Concord people expected to be in Charlotte on that day, but the rural communities of the county also are expected to be well represented, and the committees feel sure every community in the county will be represented.

No special train will be chartered this year, as was done last year, and no effort will be made to take the high school students in a body, as was done last year. Committeemen point out the bad condition of the rolling stock of the railroad as one reason why the special train could not be secured, and also point out that a majority of the people who plan to attend the exposition share their own cars, and would rather drive over.

The Cabarrus delegation will assemble at "Alex's Place," two miles east of Charlotte on the national highway, at 11 o'clock Friday morning. There a committee from the Exposition will meet the convoy and escort it into Charlotte. Cabarrus people who reach the meeting place before 11 o'clock are expected to remain there until the entire convoy has assembled.

Rest rooms have been secured at the State Hotel for the Cabarrus delegation, and after a stop at the hotel the cars will drive to the exposition grounds. Dinner can be secured at the grounds, it is pointed out, if wanted, and it will not be necessary for the Cabarrus people to disperse to get dinner in Charlotte. The Cabarrus program will begin promptly at 3:30 o'clock. This hour has been selected so that everyone who wants to go over the Exposition before the program begins, will be able to do so. The program will continue for about half a hour. Speeches will be made by John M. Oglesby, for the Rotary Club, and W. A. Poff for the Kiwanis Club. A solo by Sam Goodman will be another feature of the program.

"We are certain that many people from Concord will be in Charlotte on Friday," one committeeman stated this morning, "and we hope that the people in the country communities will also be present in large numbers. Cabarrus County has a fine exhibit at the Exposition this year, and as many of the exhibits have been produced on our own farms, we want farmers and their wives and children to be present."

The exposition this year is being produced on a much larger scale than it was last year, according to Concord people who have already visited it, and many new things which are produced in this State and in South Carolina, which were not exhibited last year, are found on the exposition floors this year.

Concord Ministerial Association to Entertain New Ministers. All the ministers of Concord and their wives will meet at the Y. M. C. A. Thursday evening at 6:30 for a supper to be given them in honor of and as a welcome to the two new incoming ministers, Rev. J. C. Rowan and Rev. L. A. Thomas. Those ministers who cannot come will please notify Rev. W. A. Jenkins at once.

A New Interest Quarter begins in our SAVINGS DEPARTMENT October 1st. All deposits made before the 10th draw 4 per cent. compound interest from the first. Safe deposit boxes for rent in our Burglar Proof Electrically Protected Vault. The Concord National Bank Capital \$100,000.00 Surplus and Undivided Profit \$100,000.00

Thrift—The Highway to Success Earn consistently, save systematically, spend judiciously, invest safely and you are on the highway to success.
