Dicouraged by Failure of For Northern Cities.

MANY COMING TO NORTH CAROLINA

Where An Extensive Road

Columbia, S. C., Thousands of south-ern negroes discouraged by the failure of cotton crops under the boll weevill conditions, and attracted by comparatively high wages in industrial cities, are leaving the farms of the South for northern cities, according to railroad officials, who roday confirmed dis-patches from Cleveland, saying an-other negro migration is in progress. Many also were reported going from states further south to North Carolina, where an extensive road building program is under way.

Although the exodus is widespread, It is not of the organized variety, ter things," it was stated. officials said. It is more, of an individual nature, many of those traveling north worked in industrial centers during the World War, and others being kinsmen of negroes who have remained in the money to bring their relatives to new

HOUSE PASSES SHIPPING BILL BY GOOD VOTE

Final Count Showed 208 For and 184

Against Measure. Washington, Nov. 29,—The administration shipping bill, around wmch only have been applied to the soil, not exceeding 5 1-2 per cent, in a mulway waged the most bater partisan Prof. Scammel says, and are now tiple of 1-4 of one per cent. fight of the present Congress, was passed today by the house with 24 votes to spare. The final count was

Sixty-nine republicans broke away from their party organization and op-posed the bill, while four democrats

There never was much doubt about what they figured on privately.

In the face of threats to delay, if chept it as passed by the house and take the bill to the floor next week.
