

Your Dream of a Perfect Kitchen Will Come True If You Install

Buck's Gaselectric COMBINATION RANGE "It Cooks While You Play"

Buck's Gaselectric requires only an ordinary lamp socket for operation. Simply screw in connection-set clock-stump on switch and the stove is in operation.

Buck's Gaselectric means better cooked food and more economical, too. No more burned, scorched or soggy dishes. No loss through shrinkage in cooking.

Prepare the meal at your convenience—place it in the containers—set the clock for the hour when cooking should begin—turn on the switch and forget it until time to place it on the table.

All these things are the reward of owning a Buck's Gas electric.

But one case was tried in Cabarrus Superior Court Monday. The morning session was given over to Judge Webb's charge to the grand jury, while most of the afternoon session was consumed by the Thomas petition, asking for a change of venue. COUNTY HEALTH BOARD HELD REGULAR MEETING

Dr. S. E. Buchanan appointed County Physician For Another Two Years by the Board.

A regular meeting of the County Health Board was held in the court house Monday afternoon. A number of routine matters were discussed and acted upon by the board. The most important business transacted was the appointment of a county physician, and the board re-appointed Dr. S. E. Buchanan for a period of two years. Dr. Buchanan has held this position continuously since the county health department was organized several years ago, and his re-appointment is a confirmation of the success he has made with the department.

The condition of the city jail was discussed at the meeting, and it is probable that it will be discontinued. It was proposed that all persons arrested by city officers in the future be placed in the county jail, the costs to be paid by the defendant and given to the county. This plan probably will be adopted.

FATHER AND UNCLE OF GASTONIA GIRL

Charged With Murdering John Ford and Criminally Assaulting Essie Beattie.

Gastonia, Jan. 8.—Robert Grice and John Carswell, father and uncle, respectively, of Essie Grice, one of the party of four alleged to have been held up and assaulted on the Bessemer City-Gastonia road on the night of November 7, 1922, when John Ford, of Lincolnville, was shot and killed, and Essie Beattie seriously wounded, were arrested this morning on two warrants charging criminal assault and murder against each.

The warrants were sworn out by former Coroner W. N. Davis, on the strength of an affidavit sworn out by Essie Beattie, charging the crimes to these two white men, absolutely repudiating the original story that two negroes were the criminals, name Beattie was the companion of Ransom Killian on the fateful night, while Essie Grice was with John Ford, who was killed. Grice was arrested at his home in Kings Mountain and Carswell at the mill where he is employed.

The affidavit of Essie Beattie was secured by W. N. Davis, who, 28 corners at the time interested himself greatly in the case. He has been working on the case continuously since and finally succeeded in obtaining a confession from the Beattie girl. The text of the affidavit is as follows:

"North Carolina, Gaston county, I, Essie Beattie, being duly sworn, says, that on the night of November 7, 1922, she was shot by John Carswell near Gastonia, N. C., above the Myrtle mills, in said county of Gaston, and that the man with John Carswell was Robert Grice; that Grice and Carswell went to the place where John Ford and Essie Grice were; and that she heard two or three shots fired at the place where John Ford was shot; that John Ford was killed by the shots fired, after she had been shot; that after she, the said Essie Beattie, was shot, John Carswell and Rob (or Robert) Grice carried her to a spot near the place where the shooting took place and outraged her; that is that the said John Carswell and Rob Grice had sexual intercourse with her against her will; that she said Essie Beattie, was shot in the back; that at the time she was shot she was not doing anything to the said John Carswell."

(Signed) "ESSIE BEATTIE."

"Witness, W. N. DAVIS.

"Subscribed and sworn before me by Essie Beattie.

"S. C. HENDRICKS,

"Clerk Superior Court, Gaston county, N. C."

Neither of the men would say anything for publication other than to protest absolute ignorance of any knowledge of the crime beyond that generally known and told here since the tragic night.
