Near East Campaign in Cabarrus Great Success

Chairman Armstrong Annonnees That More Than TSED GASOLINE \$7,000 Has Been Paid in or Pledged by Cabarrus.

COUNTY QUOTA FAR EXCEEDED

Full Reports Expected to Swell Total to Nearly \$8,-000.—Statement Issued by Chairman Armstrong.

Rev. J. Frank Armstrong, chairman of the Near East Relief campaign in this county, today makes public the list of contributors to the fund, show frig the amount given by various in dividuals and organizations, . The toa big margin over the county's quota, and sets a fine mark for other counties

in the State to try to equal.

The quota for this county was 83,240 and Mr. Armstrong reports to-tal collections and pledges of \$7,233.80. the total representing an oversubscrip tion of 223 per cent. The county inst year oversubscribed its quota in a most liberal manner, but the 1922 total did not equal by far the handsome surplus rolled up this year.

Mr. Armstrong expressed gentine pleasure and almost surprise as the totals from various parts of the county began to come in. He had expected the quota to be easily raised, he said, but he did not believe when the campaign first opened that such a large surplus would be raised. After submitting this report for publication Mr. Armstrong made the following

"In the name of starving, orpha children in far away, blood-soaked, devastated Armenia, the land of Moses and Abraham, of Paul and of Christ, I wish to thank from my heart every individual and every organization that has in any/way contributed to make our wounderful success in he Near East Relief campaign.

"The perfect avalanche of pledges and money coming in at the last hour has overwhelmed me! Kept in un-certainty for days because of the slow

in proud style, she has unswered a signal company, an anti-aircraft grandly the call of Jesus Christ! machine gun company, one squadror For 'inasmuch as ye have done it unto of cavalry and two companies of one of the least of these little ones ye have done it unto me.'

The explosion that followed proved fainl to him saff, Mildred, his youngest daughter, and Clarence, his son. 差 doctors said Mrs. Abernethy, badly burned about the head and

would recover. The father died fighting the fire in an effort to save his wife and children. The home was partial-# ly destroyed.

NORTH CAROLINA NATIONAL GUARD TO BE 4,000 MEN Granted Authority to Form 13 More Organizations in State.

(By the Associated Press.) Raleigh, N. C., March 8.-North arolina has been genned authorit; y the United States War Depart cent to form thirteen more organiza ions in its National Guard secording to an approuncement today by Adjutant General J. Van B. Merts When these organizations are, com-picted the total enlistment in minstates's National Guard will be approximately 4000 men,

When the original allotments were made in 1920 these units were included in those already formed in North Carolina but account of shoringe of federal funds and readjustments they were held up. A meeting of a special commission recently completed its onsideration of readjustments, which were approved by the war department and authorized for the

states.

The new organizations, for state include one infantry brigade headquarters company, one medical headquarters company, one laboratory section, one medical sup ply section, one motor repair section one wagon company, one engineer, regimental headquarters company engineers returns. I was not prepared for such additional battalion of field armiery returns. I was not prepared for such to complete the original allument of a magnificent close; it is great be to complete the original allument of the property of the company sections quote by nearly \$4,000 seems and one regimental service company quarters and service company. "For the year 1923 Cabarrus county instead of suporting her fifty four or thanks on the Black Seal will have one hundred and twenty of these little one to her credit. Cabarrus has not only answered the call of humanity company, a motor transport company in property state and the state are an infantry regiment, of phans on the Black Seal will have one about nineteen units; a battation of engineers of about three units, and one regimental service company of the state are an infantry regiment, of phans on the Black Seal will have one about nineteen units; a battation of ambulance company, a vetermary company, a motor transport company in property of the state are an infantry regiment, of phans on the Black Seal will have one about nineteen units; a battation of ambulance company, an anti-aircraft.
