THE COTTON MARKET

Liverpool Better Than Due and Opening Was Steady at Advance of 5 Points to Decline of 8 Points.

(By the Associated Press. New York, March 22.-The cotton market showed renewed weakness this morning under continued liquidation or selling for a further reaction. Liverpool was better than due, and the opening here was steady at an advance of 5 points to a decline of 8 points. There appeared to be some covering by recent sellers which was promoted by the rather unfavorable showing of the weather map, but slight bulges met increased liquidation and the market soon became weak.

Cotton futures opened steady: March 26.45: December 25.80.

Long Life. Cambridge, Mass., March 21.—President '(emeritus) Charles W. Eliot, of Harvarde University, beginning his ninetieth year today in good health, found time between congratulations to give a few words of advice to those who would do likewise.

"Eat moderately, sleep at least seven hours a night with windows open, every day, use no stimulants, enjoy alt natural delights without excess in any, and keep under all circumstances as serene a spirit as your nature permits," was the formula Dr. Eliot gave.
