DEATH HERE YESTERDAY OF MRS. D. C. CALDWELL

Death Came Suddenly Following Stroke of Apoplexy.—Funeral Services Today.

Mrs. D. C. Caldwell died yesterday afternoon about 2 o'clock at her home on Georgia avenue, following a stroke of apoplexy. Mrs. Caldwell's death was unexpected and came as a shock to her friends and relatives here. She was in her usual health yesterday morning until about 10 o'clock when she was stricken, her condition growing gradually worse until the end.

Funeral services will be held this afternoon at 4 o'clock at Back Creek Church, Mecklenburg county. No services will be held at the home here. Interment will be made at the Back Creek cemetery.

Mrs. Caldwell was about 55 years of age and had made her home here for many years. She was identified with the Associate Reformed Presbyterian Church here for many years and always took an active part in Church work. Before her marriage she was Miss Flannigan, of Sharou township, her family being a prominent one of Mecklenburg county. She is survived by her husband and a number of other relatives.

TENNIS TOURNAMENT

Will Be Staged at the Concord Y. M. C. A. Beginning Next Week.

The annual Tennis Tournament for the Tennis Championship of the City of Concord will begin next Tuesday, June 19th, at the Y. M. C. A. building. That the coming tournament will be one of the most successful and most hotly contested that has ever been played in Concord is practically an assured fact—many of the competitors have been practicing daily and are in mid-season form. The courts are in excellent shape due to untiring work by the Y. M. C. A. management.

Twenty-four names are entered in the list—comprising the cream of local tennis material. Three matches a day, beginning at 3 p. m. Tuesday, will be played. The tournament will be continued until the winner is determined by his victory in the finals.

The U. S. Lawn Tennis Association rules will govern the matches.

Following is the outcome of the draw by a committee for the first day's play: Jno. M. Cook, Jr., M. B. Sherrin; Rev. W. C. Wauchoppe, Leslie Bell; Robert Dick, Jr., M. S. Young; Zeb Morris, Ed. Morrison; Joe Foil, Ben White; Miles Wolf, Tom Coltrane; Rev. Jesse C. Rowan, Kay Patterson; Nevin Sappenfield, Max Warlick; Farrel White, Joe McCaskill; W. H. Muse, Jr., A. R. Howard; Rhea Morris, Prof. Prindell; Bob Bell, Arthur Faggart.

Others desiring to enter the tournament are asked to notify Joe McCaskill at the Y. M. C. A.

Yes, These Stoaways Ripened Some Bananas.

New York, June 12.—Nineteen Jamaica negroes who stowed away in the hold of the Norwegian freighter Sanna told officials on Ellis Island today how they unwittingly ripened green bananas by drinking planters' rum and then sleeping on the fruit.

The heat thus produced brought the bananas to the height of their flavor in 24 hours, they said. The men will be deported.

What is "STANDARD"?

—that by which others are compared

It is as true of "Standard" Motor Gasoline as it is of the Government yardstick and Troy pound. "It is as good as Standard," says the dealer who does not know where his gasoline comes from. And maybe it is—but you can safely stick to the original. A distillation test will reveal the uniform high quality which has established "Standard" as the all-round pacemaker in quick starting, smooth acceleration and big, economical mileage. "Standard" specifications mean that uniform satisfaction can be bought at thousands of Standard pumps.

NOTED PRISONER STARTS ON TRIP TO BOMBAY

Inspector George Miles Leaves New Orleans With Former Lieutenant, Colonel Charles Collins.

New Orleans, La., June 13.—Inspector George Miles, of Scotland Yard, had passage today on the liner Comus, for

himself and Charles Glenn Collins, former Lieut. Col. in the British army, and probably New Orleans' most noted prisoner. It was the first lap of a journey intended to end in Bombay, India. Colonel Collins, a veteran of the Boer war, who served under Kitchener in Egypt and during the World War, won citation for gallantry in the fighting at Antwerp, Gallipoli and in France and who further distinguished himself as a courier between Petrograd and Vladivostok, is charged by a Bombay firm with having swindled it of \$20,000.

Col. Collins has lost one of the longest extradition fights in the history of this country—a fight that lasted more than

five years, that saw-sawed between the United States District Court in New York and New Orleans, reached the Supreme Court of the United States four times, and cost thousands of dollars more than the amount involved. The former officer, denied bail, has spent three of the five years in jail in New Orleans, and Arthur Fuller, police inspector from Bombay, who made the arrest here in 1918, remained in the city two years awaiting the outcome of the extradition proceedings, only to be ordered home without his prisoner.

Grandmother of Twelve to Be Graduated by Her Sons' Alma Mater.

mother of twelve children is to be graduated from the Pennsylvania State College at the commencement exercises this year. She is Mrs. Sarah Shoemaker Farley, fifty-seven, of Swarthmore, Pa. Twenty-three years ago Mrs. Farley was left a widow with four young children. She saw three boys graduate from college, two of them from Penn State, and sent her daughter to Swarthmore. When all but the youngest had married she decided to carry out her ideals of independence and a profession and started studying scientific agriculture as two of her sons had done. There are 2,174 different characters in the works of Charles Dickens.

FOR CONSTIPATION

Black-Draught Recommended by an Arkansas Farmer Who Has Used It, When Needed, for 25 Years.

Hatfield, Ark.—Mr. G. W. Parsons, a well-known farmer on Route 1, this place, says: "I keep Black-Draught in my home all the time. It is the best all-around medicine I have ever found for the liver and for constipation. We began using it 25 or more years ago and have used it whenever needed since. I have never found any other medicine as good for constipation, and that was what I suffered with till I began using Black-Draught. Black-Draught corrected this condition, and now we use it for the liver and for indigestion—a tight and sluggish feeling after meals, for bad taste in the mouth, and sour stomach.

"My wife uses it for headaches and biliousness. It sets on our shelf and we don't let it get out. It has been a great help to us. I believe a great deal of sickness is caused by hurried eating and constipation, and Black-Draught, if taken right, will correct this condition."

SEVENTY-SIX Years Young,
LOUIS C. POST Says He
is, At Last, Cured of Rheumatism.

"I am now past 76 years of age and never felt better in my life," said Louis C. Post of Washington Fine, Newburgh, N. Y., "and I can hold up my end of a day's work with the best of them."

"When I commenced to take NEUTRONE PRESCRIPTION '99', I was a broken-down old man, my joints were stiff and swollen and the pains were so bad that I could hardly sleep at night.

"No one ever suffered more from Rheumatism than I did. I was both a physical and nervous wreck, completely worn out, and thought my time had come.

"Today, after a few weeks' use of Neutrone Prescription '99', I have as much strength and energy as I ever had. I do not feel a day over 40 years of age, earn my own living and ask no favors of any man, and all my friends are telling me how well I look and act.

"To tell the truth, I do not know what would have become of me if Neutrone Prescription '99' had not removed all my rheumatic troubles and given me a new lease on life, and I will praise it to the end of my days. Neutrone Prescription '99' certainly put me on my feet when everything else had failed."

Neutrone Prescription '99' now comes in Tablet Form as well as Liquid Form, whichever is preferred. Leading Druggists everywhere.

Ever Hear of Stale Gas?

Folks don't buy a thousand cubic feet of gas and then have to throw away part of it because it's wilted or old.

GAS IS MADE AND DELIVERED AS NEEDED AND USED. There are no "left overs" or stale portions. The meter, at your command, measures out the quantity you want—no more.

Gas service is a waste-defying service—clean, dependable, efficient.

That's one reason why it is so small a part of our living expense. Compared with other essentials, its cost is only a fraction of its real value.

If it's done with heat you can do it Better with GAS.
