MRS. NANNIE C. NEWMAN AND JOHN A. PORTER WED

Beautiful Home Wedding Solemnized Here Thursday Evening at Home of Bride.

In a ceremony marked by simplicity and beauty Mrs. Nannie Crowell Newman and Mr. John A. Porter were married Thursday evening at 7:30 o'clock at the home of the bride on Franklin avenue.

Rev. W. A. Jenkins, pastor of Central Methodist Church, and pastor of the bride, officiated, using the wedding ritual of the Methodist Church.

The home was artistically and charmingly decorated. In addition to potted plants and ferns, which were used in the living room, where the vows were spoken before an improvised altar, a variety of spring and summer flowers were used with pleasing effect throughout the house and on the porch.

Just prior to the ceremony Miss Lois Crowell, sister of the bride, sang "In-til," with piano accompaniment by Miss Nell Herring. Miss Crowell wore a gown of crepe de chine. The bride had no attendants entering with the groom. The nuptial music was played by Miss Herring.

The bride wore a blue traveling suit with accessories to match, and carried a bouquet of snapdragons and sweetpeas.

Immediately after the ceremony a reception was held at the home. In the hall the guests were received by Mrs. H. S. Williams and Miss Jessie Williford and were ushered into the dining room where a salad course was served by Mrs. Bessie McCannell. Miss Lois Crowell, Miss Ruth Crowell, Miss Mary Crowell and Miss Elizabeth Harris.

Punch was served by Miss Adele Pemberton, Miss Irene McConnell and Miss Mary Miller Pemberton. The punch bowl occupied the center of a large table placed on the porch and was surrounded by an artistic arrangement of flowers.

Immediately after the reception Mr. and Mrs. Porter left for a motor trip to Washington.

Mrs. Porter is the oldest daughter of Mr. and Mrs. J. Lee Crowell and is a woman of many fine traits of character. For the past two years she was a member of the faculty of Central Grade School and is a highly educated and accomplished woman. Mr. Porter is a son of Mrs. D. B. Porter and holds a position with the Cannon Manufacturing Company, with headquarters in this city. Mr. and Mrs. Porter were the recipients of many costly and useful wedding gifts.

The significance of the flag being that the 14th of June is the hundredth anniversary of the establishment by act of Congress of the national flag of the United States. Thirty-six guests were present and enjoyed the dance which lasted from eight to eleven o'clock.

Ancient cities of the Mayas in Yucatan, Mexico, are being investigated by four American archeologists. It is believed that discoveries rivaling the recent finds in the Valley of Kings, at Luxor, Egypt will be made here. Special attention will be given two cities recently discovered in the jungle wilderness, Chichen-Itza and U-Xmal and efforts will be made to translate hieroglyphics unearthed from the ruins of the Maya race which vanished more than a thousand years ago.

Starving elk are breaking down the fences built about the haystacks of a rancher near the South Dakota Boundary line in Wyoming. The state refuses to reimburse him for his hay losses and it is against the law to kill elk, so he is confronted with a serious problem. If he loses his hay supply his stock will suffer and it is necessary constantly to stand guard over his stacks.

GOVERNMENT SAFEGUARDS FOR LAND PIONEERS ARE DEMANDED

HOW RAILROAD HELPED MODEL TOWN OF OJIBWA

A GREAT CROP FOR NEW LAND

AN EVE OF THE NEW EDEN

Guarding the success of pioneering, under a constructive policy, will be urged upon Congress and state legislatures as result of proofs submitted to the American Railway Development Association convention in Chicago of the successes in Wisconsin, California and Australia of progressive policies. A stand for a progressive policy by the association, it was said, would revolutionize land colonization. The methods of the past were pointed to as a tragic example of waste and of lost industry of the pioneer.

IN AND AROUND THE CAPITAL.

Raleigh, N. C., June 11 (By the Associated Press)—North Carolina and Tennessee are far behind in obtaining candidates for the Citizens Military Training Camps for this summer, according to advice received here from Robert Whitfield, assistant adjutant, headquarters Fourth Corps Area, Atlanta, and other army officers tonight.

The camps open August 1 and continue for thirty days. United States army officers are in charge of the instruction, the work being a part of the national defense program. "It is urged that you and all officers under your jurisdiction take immediate steps to present the importance of Citizens Military Training Camps to the citizens of these states," reads Adjutant Whitfield's letter. "All officers of the reserve corps and all other available agencies should be written at once urging their further cooperation. It is desired to have the quota filled as soon after May 31 as possible."

Adjutant General J. Van B. Metts, of the North Carolina National Guard, has written officers and enlisted men under his jurisdiction to assist in raising the quota for this state. Approximately 400 men from North Carolina and Tennessee each must be secured to give them their proportionate representation at the camps, it was stated.

Cotton men in Raleigh and other North Carolina cities have been advised of the conference between Secretary of Agriculture Henry C. Wallace and representatives of the Liverpool Cotton Exchange and members of the English and French cotton trade for the purpose of considering the use of American cotton standards in international trade. The conference is scheduled to be held in Washington June 11 and approximately twenty of the leading cotton men in the United States have been invited to participate.

Representatives of the Liverpool Exchange already are in New York and members of the Manchester and Havre Exchanges are en route to the United States. The American cottonmen invited to Washington include prominent members both the domestic and export trade with officials of the leading spot and future cotton exchanges.
