Baown. Court adjourned this morning. Bakerswille, Oct. 22.—John Gause, negro, who went on trial in Mitchell court this morning on a charge of at-tacking a wnite woman, was found guilty after five minutes' deliberation by the jury and was sentenced fo death by electrocution November 30, 1023. The attack on the woman precipi-tated a racial disturbance at Spruce Pine, N. C., last month and about 200 negroes were deported from the town

Pine, N. C., last month and about 200 negroes were deported from the town and its vicinity by the white citizens. Troops were ordered there by Governor Morrison of North Carolina and re-mained on duty for 10 days before order had been restored but only 'n few of the negroes returned to their jobs,

negro formally entered a plea of uilty when arraigned before Judge not guilty when arraigned before Judge T. B. Finley in the special term of court convening here today. The courtroom was packed, number-

The courtroom was packed, number-ing among those present many persons from the Spruce Pine section. Judge Finley appointed D. J. B'ack, local at-torney, to defend Gause. The negro was brought from Raleigh to the Mitchell county jail here yesterday for trial to day. He was essorted by a company of na-tional guardsmen from North Wilkes-bro, commanded by Maj. E. P. Robin-vero

FFG, communed by sing, i.e. e. there son. The trial of 11 persons, including a minister, of the Strue Pine section on charges of conspiracy in connection with the wholesale deportation of negroes from Spruce Pine immediately after the assault is expected to start at

once. The defendants are Stokes McKinney, Peter Biddix, Joe Ward, Hot Buchanan, John Tripman, B. E. Jackson, Mac McMann, Rev. Moston Buchanan, Ander Green, Lane Buchanan and Robey Buchanan. From the Spruce Pine section many persons came to Bakersville yesterday to attend court. Others arrived today. The series of happenings following Gause's alleged attack on the aged white woman near Spruee Spine were uppre-

Gause's alleged attack on the aged white woman near Spruee Spine were uppre-cedented in this county. When news spread through he hills and val'eys that a white woman had been attacked a mob of men said to number over 100 congre-gated and immediate's proceeded to rid the county of negroes all except those in the State convict camp about six "miles from Spruee Pine. Some negroes, it was reported, left of their own accord, but the great maiority of them, between stand to number over 100 congre-gated and immediately proceeded to rid the county of negroes all except those in the State convict camp about six miles from Spruce Pine. Some negroes, it was reported, left of their own accord, but the great majority of them, between 150 and 200 who were employed at mining and road construction camps were marched down o the railroad star tion at Spruce The at the point of guns, placed aboard freight trains and sent out of the mountains. In the meantime a band

guns, placed aboard freight trains and sent out of the mountains. In the meantime a band of men, among them several sons of the woman reported to have been attacked, had started on a search that lead them over the mountains night and day un-til the negro John Gause, alleged to have been the woman's assailant, was captured by officers near Hickory. The negro was sent to Raleigh im-mediately and placed in State's prioon for safekeeping. Several days later the Mitchell County woman, accompanied by her husband and a deputy sherifi.

GASTON B. MEANS MADE IMPORTANT DISCOVERY LIPORTANT DISCOVERY His Attorney Says Means Suppressed Method of Concentrating Grain Alco-hel. (By the Associated Press.) New York, Oct. 23.—Curiosity was aroused today by a statement that Gas-ton B. Means had caused the suppression of a, German method of concentrating grain alcohol. After Means, former spe-cial government prohibition agent, had been indicted yesterday for participation in a gigantic bootlegging scheme, his at-torney. William Chivers, issued a state-ment which said: "Among the important matters investigated in New York by Means was the case of a German chem-ist's use of a formula in connection with the production of a concentrated extract of grain alcohol and artificial flavoring used in connection, but also with regular in this connection, but also with regular The information was obtained by him \* \* LLOYD GEORGE AT \* MARION, OHIO \*

Means was the case of a German chem, ist's use of a formula in connection with the production of a concentrated extract of grain alcohol and artificial flavoring used in connection. But also with regular alcohol."
 The information was obtained by him and the production of concentrated extract of alcohol was immediately suppressed.
