MRS. KELLERSBERGER'S FUNERAL HELD YESTERDAY

Services held at First Presbyterian Church and interment was made in Oakwood Cemetery.

The funeral of Mrs. Edan B. Kellersberger, who died Tuesday morning near Koppel, Texas, at the home of her father, Mr. Phillip Bosche, was held in the First Presbyterian Church here yesterday afternoon at 4 o'clock. The services were conducted by Rev. J. C. Rowan, pastor of the church, and interment was made in Oakwood cemetery.

The funeral was attended by hundreds of friends of the deceased and her sister, Mrs. E. K. Brown. Every denomination in Concord was represented in the assemblage demonstrating the great esteem and love in which Mrs. Kellersberger was held by Concord people.

The burial ritual of the Presbyterian Church was used by Mr. Rowan and the service was a short and very impressive one. The choir of the church sang three hymns, two at the church and one at the grave and following the service at the church the last rites were spoken at the grave.

The floral offerings sent as a last token of love and respect to Mrs. Kellersberger entirely covered the pulpit in the church and later were arranged on her grave and the grave of her mother, who also lies buried here.

The pall bearers were: M. L. Cannon, E. T. Cannon, E. C. Barnhardt, Jr., Frank Morrison, A. G. Odell and Dr. J. A. Hartsell.

WOMAN OF COUNTY TAKES OWN LIFE

Mrs. Hattie Knight Committed Suicide Early Yesterday at Her Home in No. 9 Township.

Mrs. Hattie Knight, wife of a prominent farmer of No. 9 township, and daughter of Mr. and Mrs. W. F. Stegall, of Georgeville, committed suicide by hanging early yesterday morning in a barn near her home. Ill health is given as the reason for Mrs. Knight's act, she having suffered from illness since last February.

Mr. Knight and other members of his family rose as usual yesterday morning and Mrs. Knight's death was not known until the body was found hanging in the barn. Mr. Knight, in the hope of saving his wife's life, cut the rope which was around her neck, but his efforts proved futile, the condition of the body indicating that the woman had been dead for some time.

In addition to her husband and parents Mrs. Knight is survived by seven children.

Funeral services will be held this afternoon at 2 o'clock at the Mission Baptist Church, of which the deceased had been a member.

Edward Plaster Died Yesterday After-noon.

Edward Plaster, prominent farmer of No. 4 township, died yesterday afternoon at the Concord Hospital. He had been suffering for some time with cancer and his condition had been serious for several days.

The deceased was about 70 years of age and had been prominent in the county for a number of years. He is survived by two children, Mrs. Mary Broke, of Wilmington, N. C., and Dr. John Plaster, of California. His wife died several years ago.

Funeral services will be held tomorrow—Tuesday—afternoon at 2 o'clock at St. Enoch Church, and interment will be made in the cemetery there.

Another Press Agent.

Charlotte Observer.

In one of its bits of literature being sent throughout the country, the National Bank of Commerce, of New York, is holding up North Carolina as having attained the "best balanced agricultural position of all the cotton states." It is a fact, and it has been brought about by more attention to dairying and livestock industry and to diversification in farming. North Carolina not only raises more of all sorts of crops, but makes these crops better than the average state, notably in the case of cotton acreage production, of which it leads the South. Between Irvin, Cobb and the big banks up North, our State seems to be developing "press agents" of the right sort.

COTTON GOODS TRADE AIDS COTTON MARKET

New Orleans Prices Higher as Result of Better Demand for Manufactured Cotton.

New Orleans, Oct. 27.—Much better accounts of trade in manufactured goods were the strongest influence in the cotton market today and caused firmness and active buying in the face of a great deal of week-end realizing of profits on the long side, buying being heaviest in the late trading when prices went 6 to 17 points over the last sales of yesterday, to 29.27 cents a pound for December. The close was 4 to 8 points net higher on the day and the last trade in December was at 30.23, the closing range of sales on that position being from 30.19 to 30.23.

Liquidation by longs was a depressing influence on the opening and in the early session December sagged to 29.98, with the list 15 to 21 points under the close of yesterday. Unfavorable weather returns from the western belt resulted in a rally back to about the level of yesterday's close but the real buying movement of the day was not felt until during the second half of the session. Telegrams from Galveston that 100,000 bales of cotton would clear that port at the end of the month encouraged considerable buying but the sharpest demand followed reports from Worth Street that some dry goods houses yesterday did the best business in their history and that one firm alone had sold over 10,000,000 yards of cloths.

While the weather over a good part of the belt was dry and somewhat warmer, points in North and West Texas and in Oklahoma wired that they still were experiencing cold and wet weather and the official predictions called for similar conditions over Sunday over a considerable part of the western cotton country.

Railway Insures Men For Hundred Million.

New York, Oct. 27.—The Southern Pacific Railroad Friday announced it had insured its 90,000 employees in a single policy for \$100,000,000. This was said to be one of the largest group insurance policies ever issued.

The cat was unknown in England till the ninth or tenth century when there was a document stating that a man would be fined fourpence for killing a cat and eightpence if he killed the King's cat.

Actor: "My good woman, the last place I stayed the landlady wept when I left."

Landlady: "Oh, did she? Well, I ain't going to. I want my money in advance."

Two Men Blown Across River by an Explosion.

Lenoir, Oct. 27.—This morning about 9 o'clock highway road leads on the Lenoir-Blowing Rock highway, two miles above Patterson Spring, mined a small charge of powder to make an opening, and followed with a full charge, which instantly exploded, catapulting two workmen, Finley Adams and Lon Campbell, forty feet across the river. Neither of the men was instantly killed, but both were unconscious when picked up, and neither is expected to live. The men were sent to a Hickory hospital in an ambulance.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre At Once

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients in a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.
