Associate Justice Stacy Declines to Accept Post.

Raleigh, Nov. 8.—Associate Justice Walter P. Stacy it is to be until further notice, and not Dean Stacy, the youngest member of the North Carolina Supreme this afternoon declining with thanks the offer by the University trustees of the opportunity of trustees of the opportunity of imparting his knowledge of the law to lawyers before they obtain their license to practice.

Judge Stacy of course is sensible of the honor it was desired to pay him, but he prefers to stay put; that's about all there is to it. He isn't a geyser, anyhow, and was not expected to gush.

In a letter to Governor Morrison as

chairman of the board, of trustees, Judge Stacy says:

"There are many considerations which incline me to Chapel Hill, but after earnest reflection these, it seems to me, are outweighed by the cogent reasons why I should remain on the Supreme court bench. This conclusion may not meet with universal approval, but it is the result of my best thought guided by the lights now before me."
