## IN AND ABOUT THE CITY

### THE ANNUAL FATHER AND SON BANQUET

To Be Held at the Y. M. C. A. Thurs-

day, December 13th, 7 p. m. An unusual program will feature the exercises at the Father and Son Get-together Thursday night. The Davidson College Orchestra will discourse sweet music. Mr. Price Doyle will lead the old songs that herald peace and good will. Rev. C. C. Myers will toast fathers and sons present. Mr. C. F. Ritchie will send greetings to the sons. Bob Sullivan will reply what a "Son Thinks of Dad."

Mr. Mac Beall, of Davidson College, will speak on "What a Son Writes Dad From College." Mr. Blanks will relate a boyhood story, brimful of excitement, pathos and tell how it feels to be blown several hundred feet into the air from the decks of a big Mississippi cotton boat, while racing down the river. Mr. Fuller and Mr. Webb have interesting boyhood stories that every boy will thrill with excitement when they are related. One of the main attractions will be the special musical program and the address of the evening by Dr. H. B. Buckle.

Every father and son in Concord is invited to be present at this occasion and will miss an evening of fun, mirth and laughter if you fail to send in your reservations.

**Flees, Leaving New Ford and Boote** With Officer.

The county is a brand new Ford touring car better off as the result of a chase late Thursday night by Rural Officer Johnston and D. P. Edwards just this side of the new York bridge. In addition, there are five more gallons of the "red eye" to go seaward by way of the tilters.

The purchasers took up the chase as the touring car dashed down the road and were hot on the trail when the driver sprang from the machine, which he left with the motor running, and disappeared in the woods about two miles of the bridge. No license or other identification marks were observed.

Following examination before Squire Cobb Friday morning, James Whitaker, of Concord, was bound over to the January term of superior court on the charge of transporting whiskey. He was bailed in default of \$700 bond.

Whitaker was taken the night before in Mallard Creek by City Detectives Johnston, Ed Pittman and Donald "Take a car containing 31 gallons of booze being seized. An agent for the "Drive-Em company at Concord" claimed the machine, saying that it was rented to a customer who failed to return. It was not released, however.

Beckie Mellin and Bert Kerpis, negroes, were bound over to superior court by Squire Cobb on charges of carrying a concealed pistol, the former putting up a \$75 bond and the latter a \$100 bond. They were arrested near the "Drive-Em company at Concord" and taken to the city by Detectives Blackman and Porter.

**Landis Loses Sunday Closing Case Be-** fore State Supreme Court.

Salisbury Post. The town of Landis lost its Sunday closing case before the State supreme court this week, as is shown in decisions just handed down. The case was that of State vs. Blackwelder and Deal, and the high court upheld the decision of the superior court of Rowan, which had previously sustained a decision of the Rowan county court.

The case grew out of the serving of a "meal of veal steak, vegetables and one coca cola" to a customer, Paul Beaver, at the restaurant operated by L. A. Blackwelder and Roy Deal, in Landis, contrary, it was contended by the prosecution, to an ordinance of the town. The case attracted considerable interest when it was heard in the county court here and still greater interest was manifested when it went to the superior court, both of which returned verdicts in favor of the defendant owners of the restaurant or cafe.

In this decision the supreme court held the law to be "unreasonable, oppressive and in disregard of common right."

On legal row here this case had been much discussed and the decision of the State high court had been awaited anxiously and when it was made known there was still much comment among the legal fraternity along "lawyers row."

**Junior Girls Enjoy Hike.**

About sixteen of the Junior Y girls enjoyed a very delightful stroll to the woods last Saturday. The girls left the Y. M. C. A. in the morning, and it was late in the afternoon when the weary hikers reached their starting place again. As this was the second trip of the year, and the girls not being used to hiking, they naturally became a little tired, but as hikes are planned for every Saturday it won't be long until they will have "Uncle Dudley" Denny begging to "let's rest." The hikers went out the old Salisbury road, finding a very beautiful place about four miles out. After playing stunts for an hour or so, a camp fire was built and dinner cooked and served. Accompanying the hikers were J. W. Denny and H. L. Johnston.

The management of the Y plans to have a hike every Saturday either for the boys or girls—and sometimes both.

**Death of Mrs. C. A. Palmer.** Mrs. Curtis A. Palmer died at the Concord Hospital this morning at 1:30 o'clock. She had been ill for the past six months and had been in the hospital for some time. Mrs. Palmer had been making her home for the past several years with her son, Mr. John S. Palmer. Mrs. Palmer was 70 years of age and is survived by one son and one brother, James O. Gordon, of Rocky Mount. The body will be taken to New Bern tonight and the funeral services and interment will take place there.

**At the Theatres.** Jack Hoxie is being shown today at the Pastime in "The Red Warning." A Century comedy is also on the stage. "The Santa Fe Trail" and "Fighting Blood," two big serials, are being shown today at the Piedmont.

"Only 38," a feature offering an all-star cast, is the headliner today at the Star.

Brown: "And what will you have on your face when I finish shaving you?" Sharp: "Oh, probably both lips and part of my nose."

### THRIFT WEEK

Board of Directors Unanimously Endorse Thrift Week, January 17-23.

At the regular meeting of the board of directors of The Young Men's Christian Association, Secretary, Blanks gave an interesting talk on the advantages to a city by the national observance of Thrift week. Many facts and figures were shown as to what Thrift—"Make All You Can, Save All You Can" and "Spend Wisely" means to the happiness of any community. This week of observance opens with a general celebration of Ben Franklin's birthday, he being the real American author of thrift, it was natural that honors of this day be accorded to his memory. The second day will be given over to the study of "Make a Budget." Today every city, business and economic enterprise worth while operates on a budget basis. Then why not teach our people to operate their affairs on this basis. Speeches bearing on this subject, displays, advertising, and the giving away to families individual budget books will feature this day. The third day will be devoted to the study of "Pay Your Bills." No subject is so occupying the merchants, manufacturers and even individuals as to study how best to educate people to being prompt in the payment of their bills, making a habit of paying regularly, promptly, will be the theme of educational addresses, all window displays, merchant advertising, personal letters and will be featured strong by merchants and other kindred associations.

The fourth day, Sunday, will be "Share With Others Day," no one thing that could be stressed will get more attention as this is one of the crying needs of the day and sermons from every pulpit in the city will bear on this theme. Thrift Day will be featured by the life insurance, fire, accident and in fact all subjects that are vital to our future happiness when loved ones are called away. This is a great day as life insurance is a vital factor in economic conditions and everyone will be advised to carry some form of insurance.

The sixth day, "Own Your Home Day," will be given over to lumber, hardware and allied trades featured strongly by homestead associations pleading for every one to "Own Their Own Home," for it is a known fact that home owning hearts are the happiest. Many interesting features will be shown on this day. The last day like the last of life will be given over to "Make a Will Day." Interesting literature and displays bearing on this subject will be shown and it is planned to educate the people on the value of making a will.

In some towns and cities where National Thrift Week was observed last year, the increase in bank deposits, interest in home building, and general economic improvement of the community has been so marked that regular committees have been named by the citizens and plans are under way for a still greater observance.

Messrs. A. F. Hartsell, E. C. Niblock and W. G. Caswell were appointed by the board to call a meeting of representative citizens with the intention of inaugurating a city-wide program for the observance of this day.

**Kannapolis High Defeat Welcome High** in First Game of Season.

### Seniors Win Championship

The Seniors won the championship when they defeated the Juniors Friday evening with a score of 22-2. For awhile it seemed that both teams were content with merely running up and down the court, but it soon dawned upon the Seniors that the only way to score was to begin shooting; so Jamie Collett began the scoring with a beautiful field goal. The team work of the Seniors was a little better than that of the Juniors, and therefore, the ball strayed on the court of the latter most of the time.

The guarding of Pearl Hathcock and Grace Winecoff was an outstanding feature of the game. Blanche Dick did most of the scoring for the Senior team, although every member played good ball. The entire Junior team put up a good fight; but when the final whistle blew, the score was 22-2 in favor of the Seniors.

The line-up was as follows:

**Seniors 22** Dick IF Coltrane Crowell RE Linker Collett F Ritchie Broome F Klutitz Winecoff LG Barrier Hathcock RG Dayvault Substitutes: Seniors, Batte and Bost; Juniors, Yow, McClure and Propst.
