Minmi, Fia., Dec. 22.—Wm. Jennings Bryan, candidate for delegate to the National Democratic convention from this state, issued a statement today in regard to Henry Ford's endorsement of President Coolidge in which he states the reaction will hurt Coolidge instead of helping him. The statement follows:

"The first impression made by Mr. Ford's endorsement of Parkilament Visits States the reaction will hurt Coolidge's candidacy, but the reaction is likely to prove a damaging blow to the President.

"Mr. Ford has been talked of as the candidate of the masses, his support coming from both Democrats and Republicans, who, interpreted his candidacy as a protest against the reactionary policies of most of the republican leaders and some of the Pemocrate leaders and some of the Democrate leaders and some of the Democrate leaders and some of the Democrate leaders and an inspiring spectacle, but Mr. Ford as the millonaire champion of the poor people of the country would make an implring spectacle, but Mr. Ford loses his prominence when he joins with the rest of big business men in support of a reactionary candidate.

"He will not carry with him any of the Publicants, because they are already supporting Mr. Coolidge, the President's opposition to the excess profits tax made sare of their support, but Mr. Ford's desertion of the masses will create an irritation that will become more pronounced as the campaign approaches. Mirable Dicta—An Editor Declines a Drink.

Janesville Wis., Dec. 20.—The editor of a local paper declined an invitation Wednesday of a drink proferred by Dennis Smith, sheriff of Jefferson county, Wis. The editor published a story about it. Jefferson county citizens have petitioned Governor Blaine to remove Smith. The newspaper yarn says the sheriff phoned the editor;

"I am about to open a bar in the jail, and want to know if you won't come up and have a drink."

"Oh, you must be the sheriff of Jefferson county, then?"

"Yes, I'm Sheriff Smith, and I'm just opening the bar for the evening and thought maybe you'd like a drink."

It is alleged the sheriff has had a man supposed to be serving a seven monthe' sentence produce drinks and offer them to visitors to the jail.
