Washington, Feb. 28.—House repub-lican insurgents agreed today to the Longworth compromise on surtax rates, and if the Republican organization yields to a slightly lower normal rate, leaders of the group indicated they would vote to eliminate the Democratic income tax schedules from the revenue bill. Resuming consideration of the bill, the House voted to cut in half the 5 per crites and parts. Another amendment adopted would ex-empt automobile trucks and wagons with chassis costing \$1,000 or iless. Those with chassis costing more would be taxed at 3 per cent. An attempt to restore the 3 per cent. tax on chewing gum was rejected, 152 to 129. CHICAGO GIRL IS GUILTY
