tonch with events in this country and Europe." Asked why the leased wire was instift, ed at that particular time, Major said it was the cheaper method of communica-tion because of the volume of traffic. "To the best of my recollection, No," Major said when asked if A. B. Fall even sent or received messages over the pri-vate wire. His recollection refreshed by Chairman Lenroot, Major said he had shown the chairman a telegram from Tall relating to McLean's appearance be-tweet the case of the states and the state tax appears. Excessing Major temporarily, the com-mittee went into executive session to ex-amine additional telegrams and records of long distance felephone calls. Burns Will Be Questioned.

mine additional cleeptrone alla.
Burns Will Be Questioned.
Washington, March 1.-William J.
Burns, chief of the Department of Justice investigation bureau, will be summoned by the oil committee to explain whether code messages sent to E. B. B. McLean's employee in Florida were in a eipher used by the department's secret gent.
He also will be asked whether Mr. McLean himself is not carried on the books of the department as a secret gent at a nominal salary.
Mary Duckstein, who once was secretary to Mr. Burns, and who now is conted department's roll of secret and placed before the oil committee was addressed to W. O. Duckstein, one of Mary.
Due of the code messages so signed and placed before the oil committee was addressed to M. O. Duckstein, meand of Mary Duckstein.
Mr. Burns said today he understoot in foldidant men. He is to his son on the department's motion and any communication with McLean's confidential men. He is the hushand of Mary Duckstein.
M. Burns said today he understoot the code employed in this message trans in foroida and said he did not know is in foroida and said he did not know is in the basis on which the message from as interesting himself in McLean's cort for the cover ment as interesting himself in McLean's and records the department with McLean's and the sones they were not within the jurgitation of the cover that the generical states of the sovernment for this jurg the basis on which the message from as interesting himself in McLean's cort with subserve the best thas been deciphered, mentions Burna is interesting himself in McLean's cort with subserve the best thas been deciphered, mentions Burna is interesting himself in McLean's cort the core rome office or or more office.
