Rev. E. G. Carson, of Charlotte, will occupy the pulpit at the A. R. P. Church Sunday at the 11 o'clock service.

A happy occasion for Kannapolis and the Presbyterians was the laying of the corner stone of the new Presbyterian Church at five o'clock Sunday evening, May 3rd. Mr. Jamison, the pastor, in his pleasing manner, officiated, ably assisted by the pastors of the other churches in prayer and addresses.

John Goodnight, one of the few remaining charter members of the church, read a history of the church which was placed in the stone, together with the other articles usually placed therein. Hymns appropriate to the occasion were sung by the choir.

The stone was the gift of Miss Flora McQueen who has served the church as pastor's assistant for nearly two years. Her gift is doubly appreciated as she is soon to go to Korea as a teacher in our mission schools.

Miss Helen Turner visited recently in Winston-Salem.

Miss Bertha Moser, a graduate from Cherryville high school, has come to make her home in Kannapolis with her parents, Rev. and Mrs. F. H. Moser.

Mrs. W. C. Graham entertained at her home on North Main Street Sunday at dinner the following: Misses Hattie Kincaid, Pearl Benson, Ruby Furr, Fannie Belle Benson; Henry Townsend, and Mr. and Mrs. F. E. Smith. Mrs. Graham's elegant dinner and hospitality were very much enjoyed by the guests.

The regular monthly meeting of the Home Economics Department of the Woman's Club was held Tuesday evening at the home of Mrs. J. W. Flower.

Rev. C. K. Turner delivered the baccalaureate sermon to the graduating class of the Kannapolis high school Sunday, May 4th, at the 11 o'clock service at the First Baptist Church. The auditorium was packed. Decorations consisted of dogwood blossoms and ferns.

At the conclusion of the discourse Superintendent J. W. Sloan arose and expressed his thanks to Mr. Turner in his own behalf and that of the class. Mr. Sloan suggested that the manuscript be published and that each member secure a copy.

The excellent showing made by the Boston Red Sox on the spring training trip has aroused high hopes in the breasts of baseball fans in the Hub.

FORD SUBSTITUTE OUT TO "SMASH WALL ST. RING"

Robert E. Pointer, a candidate for the president of the United States, but, he says, he would rather make a sign and spit on the gates than be in the White House. He is the People's Progressive party, the only organization that tried, and failed, to elect Henry Ford as a candidate. Pointer is a neighbor of Ford. He is in New York today in Ford's "Smashing Wall Street and Crashing the Automobile."

Texas Lady Says Her Family Has Been Taking Theford's Black-Draught, When Needed, for Many Years.

Alto, Texas.—"We inherited the use of Black-Draught in our family," says Mrs. Mary Shuptrine, who lives near here on R. F. D. 2. "My grandmother was an old woman when she died about ten years ago, and she had been using it literally ever since I can remember. She gave it to her children and grandchildren for biliousness and stomach complaints, so when I went to housekeeping we just naturally used it, too."

"I give it to my children for a surgerie whenever they need one, and we are never without it. Made into tea, it surely is fine. It's the best home remedy for headache and constipation I know of."

During over 80 years of its continued popularity, Black-Draught has become the standard liver medicine in many thousands of homes, where it has been found of great benefit in the treatment of constipation, biliousness, indigestion and other common liver, stomach and bowel complaints. Ten million packages of Black-Draught are now sold a year, as more and more people are learning of the value of this well-known remedy.

Insist on Theford's, the only genuine Black-Draught powdered liver medicine. At all dealers. NO-154
