DRY LAW INJUNCTION CLOSES PRIVATE HOME

Federal Judge Bases Action on Two Bottles of Moonshine.
Chicago, May 27.—Federal Judge J. H. Wilkinson, today signed the first injunction closing a private residence ever issued in the Northern Illinois district under the prohibition law. John Ostrowsky, a Winnetka gardener, the defendant, was granted permission to continue to live in the house on posting a \$1,000 bond.
Ostrowsky first was found guilty of violating the prohibition laws before a Justice of the Peace, after the police reported finding two bottles of moonshine in his home.

The chest-protector for baseball catchers was invented by a Connecticut genius in the early '80s.

South Carolina is Again Hit By Storm

Columbia, S. C., May 27.—South Carolina, sorely stricken by tornadoes four weeks ago, was visited today by twisting wind storms in two localities but reports received here tonight indicate the state escaped any fatalities from the disturbances which brought death to other sections of the south.

Several homes and other buildings were demolished when a tornado swept down on Woodford, a small town in Orangeburg county, near here, about 11 o'clock today. An hour later cyclonic winds struck a rural community near Florence with similar destructive results to property. In neither instance was there serious injury to any persons, advices received here declare. Heavy rains fell here and in other localities today.

IN AND ABOUT THE CITY

BIG SALE OF RUGS NEXT WEEK AT PARKS-BELK CO.'S

Mr. Parks Has Just Returned From New York, Where He Attended a Big Auction Sale of Rugs.

Mr. John G. Parks, head of the Parks-Belk Company, has returned from New York, where he recently attended the mammoth auction sale of rugs, conducted by Alexander Smith & Sons. Mr. Parks, in company with R. F. Matthews, of the Charlotte Belk Store, represented the Belk chain of stores at this auction, which was attended by buyers of practically all the rugs in the country, including Marshall Field & Co., Sears, Roebuck, and the Reynard Carpet and Linoleum Company, the latter of St. Louis.

The auction sale, which is the largest of its kind in the country, lasted for five days, and approximately 7,000,000 worth of floor coverings were sold. In all, a total of something like 100,000 bales, each containing three rugs, were offered to the buyers.

The purchases of rugs made for the Concord store are already arriving daily, and it is the intention of the Parks-Belk Company to begin next week their big floor covering and house furnishings sale. There will be on hand at the local store, according to Mr. Parks, the largest assortment of these floor coverings ever offered the Concord public, and at prices which are at the usual level of wholesale prices.

The Thompson Orphanage Campaign.

The first day's returns from the campaign on this week in the Episcopal churches in North Carolina for \$150,000 for Thompson Orphanage, the Episcopal home at Charlotte, N. C., showed a total of \$57,261.00, as announced by Bishop E. A. Penick, chairman of the campaign.

This fund is to be used to build new cottage dormitories, a central administration building and a modern laundry in the improvement program designed to make Thompson Orphanage a model institution of its kind.

St. Paul's Episcopal Church of Winston-Salem, has carried off the honors of the campaign thus far, having subscriptions of \$13,821.

Reports are coming in from all over the state, and it is confidentially predicted that the close of the campaign June 1st will witness the full amount subscribed.

Merchants Hold Meeting.

A very enthusiastic meeting of the Merchants Association was held in the office Tuesday night with twenty-seven members present. The president and secretary were elected as delegates to attend the State convention to be held at Morehead City from the 17th to the 19th of June. The question of closing on Thursday afternoon was discussed, but it was decided by the Association it would not take any action, but leave the matter to the group meetings of the merchants in the same line of business to decide between themselves.

CONFIRMS WARD AS CONCORD POSTMASTER

Senate Tuesday Acted on Nomination Sent to It Some Time Ago by President Coolidge.

Press dispatches from Washington declare that William B. Ward has been confirmed by the Senate as postmaster at Concord. The nomination of Mr. Ward was presented to the Senate some time ago by President Coolidge and the confirmation was made Tuesday, according to the Washington report.

Mr. Ward declared this morning that he had not been officially notified of the action of the Senate, but added that in the morning mail he received letters from two bonding houses declaring this his nomination had been confirmed and offering to bond him.

The confirmation of Mr. Ward brings to an end one of the bitterest campaigns ever waged by Concord men for the postmastership. Seven Republicans and one Democrat entered the race and after the first night, and usually some kind of a protest and a second list was published. On both lists John L. Miller, Mr. Ward and S. S. Neal were named. Soon after the second list was announced President Coolidge nominated Mr. Ward for the office.

It usually requires about thirty days to transfer the office from the old to the new postmaster, and Mr. Ward probably will take over the duties now held by Mr. Miller about July first.

Movies at Y Industrial Hall.

The moving pictures shown at the Y. M. C. A. Industrial Hall at the Brown Mill continue to draw large crowds. About 400 people were out for the movies on Monday night.

Pictures are shown here every Monday night, and usually some kind of a music is in the program. The orchestra is in attendance most of the time, and besides the moving pictures, which are always high class, educational pictures, the people are given some very fine music.

The Older Boys' Athletic Club Meets Every Monday Just before the Movies at the Same Place.

This club of men already has a baseball team, and practices every day on the Brown Mill school ground. The boys already have a pretty good team and with a little more practice they will be ready to take on some of the best teams in this section. All equipment and uniforms were furnished the team by the Brown-Norcott mill.

West Concord Revival.

The church was almost full Tuesday night to greet the pastor for the service. Our meeting is starting off fine. Brother T. B. Jones was in fine spirit and sang the old time gospel songs, which were enjoyed by all.

The preacher took as a text John 1:45, using for a subject "Personal Work." Jesus was a personal worker. He preached some of his best sermons to an audience of one.

It is a great thing to win a man from a bad habit to a good one, to win an enemy and make him a friend. It is greater to win a soul to Christ, and save that soul for time and eternity.

The Tenth District meeting of the Junior Order United American Mechanics will be held in Concord on next Tuesday afternoon and evening, June 3rd. The evening session will be held in the court house at 8 o'clock, and a number of prominent men of the order will make addresses, among whom will be Rev. G. A. Martin, D. D., pastor of the First Baptist Church, of Concord. This meeting is open to the public, and an invitation is extended to the public to attend and hear the speakers. The pastors of the city churches are given a special invitation to be present at this time.

Evangelistic Meetings Close.

Evangelistic meetings at McGill Street Baptist Church closed Sunday night with about twenty additions to the church and the church greatly revived and in fine shape for progress.

Baptist will be administered by the pastor next Sunday night at the church.

A Child that Mopes Isn't a Well Child

A normal child wants to play. If the little one is sullen, lackadaisical and irritable, something is amiss. First off, the child needs a laxative. But mothers are so often disappointed when the favorite laxative fails to restore the youngster's spirits. This is because there is a bilious condition usually and the laxative used hasn't the needed effect on a sluggish liver.

My preparation, Liv-o-lax, was made to answer this frequent need. While it can be used in place of calomel, to relieve liver and bowel congestion, it is just as pleasant to take as any of the usual children's laxatives. It isn't a bit drastic, causes no distress and the children love to take it.

Liv-o-lax is available at your own drug store and is just as effective for adults as it is for children.
