FATHER OF YOUTHS WILL NOT ATTEMPT TO DEFEAT JUSTICE Leopold and Loeb to Get Only Such Defense As They Are Entitled to. Chicago, June 6.—Their millions will not be used to save Nathan Leopold, Jr., and Richard Loeb, confessed slayers of Robert Franks, from the gallows, a joint statement issued tonight by the fathers of the accused youths, both Chicago millionaires, said. "Only such defense as that to which every human being is entitled will be provided for their sons," the statement said. "Assuming that the facts in this case are substantially as published, then the only proceeding they favor is simple, solemn investigation under the law, touching the mental responsibility of their accused sons."

There will be no legal counsel outside the attorney now representing the accused, with one possible exception, the statement said, and no large sums will be spent for either legal or medical talent and "in no event will the families of the accused boys use money in any attempt to defeat justice."

WEAK AND NERVOUS Georgia Lady Says She Has Grown Stronger by Taking Cardui—Thoroughly Convicted of Its Merits. Claytonville, Ga.—In a statement which she gave at her home on R. F. D. 1, here, Mrs. T. A. Copeland said: "I have, I believe, avoided a good deal of suffering by the use of Cardui, and am thoroughly convinced that it has been of great benefit to me. "Before the birth of two of my children, I grew so weak and nervous I could hardly go, and suffered. . . I had a friend who told me of Cardui, so the next time when I grew so weak and run-down I began to use it. I used it three months. I grew stronger and less nervous. The baby was stronger and a better baby, and I really believe it was because I built up my strength with this splendid tonic. Cardui has been in successful use for more than forty years. Thousands of women have written to tell of the beneficial results obtained by taking Cardui, and to recommend it to others. It is a mild, harmless, purely vegetable medicinal preparation—a product of practical experience, scientific investigation and pharmaceutical skill. Sold everywhere. NC-159
