R. L. HERRIN DIED AT HOME IN CITY TUESDAY (BY JOHN R. ELKINS)

Had Been Ill for Several Years With Heart Trouble.—Funeral Services This Afternoon. E. L. Herrin died at his home in this city, on Duval Street, Tuesday morning at 11:20 o'clock. He had been ill for about four years with heart trouble and his condition recently had been so serious that death was not unexpected. Funeral services were held this afternoon at 1 o'clock at the home of the deceased and interment was made in the cemetery at Kannapolis. The services were conducted by Rev. Mr. Wilson. Mr. Herrin was 66 years of age, having been born in Stanley county March 23, 1859. He was a son of the late Julius Herrin and for the past 15 years had made his home in Concord and Kannapolis. The greater part of his life was spent on the farm but he was forced to give up active work when stricken with heart trouble several years ago. The deceased is survived by eleven children, seven daughters and four sons. The children are: James, John, Sam and Raymond Herrin, all of Concord; Mrs. B. Brewer, of Virginia; Mrs. William Ingram, of Lancaster, S. C.; Mrs. William Sloan, Mrs. Earl Sloan, Mrs. Florence Ritchie, Mrs. Minnie Irbay and Miss Carrie Herrin, all of Concord.

John Franklin Smith, the only son of Mr. and Mrs. James W. Smith, of No. 1 Township, was born March 27, 1922 and died on July 28, 1924. He had been in declining health for several months, and after five days of severe illness he knew as did the watchers around his bed, that the end was near. At noon his eyes closed to the things of time and space—the course of life was run—the journey ended. On the morning of the next day, in the sweet summer air, he was laid to rest in St. Martin's cemetery beneath a flower covered mound, to sleep through long years of shade and shine. He leaves to mourn his departure a devoted father and mother and one sister, and a host of relatives and friends. The bereaved parents have our deepest sympathy. Funeral services were conducted by Rev. M. A. Osborn.

While the child was yet alive I fasted and wept for I said who knoweth whether Jehovah will not be gracious to me that the child may live? But now he is dead, where should I fast? Can I break him back again? I shall go to him but he will not return to me.—II Samuel 12:22-23. "For him a fairer day will break. Which night shall ne'er overtake, And he will wake." ONE WHO KNEW HIM.

COOK'S CROSSING. (BY JOHN R. ELKINS)

For a week I have been trying to rejuvenate at the home of my niece, Mrs. Ida Graham, near Cook's Crossing, Concord, Cabarrus County and the region around, is a good section in which to take a vacation, and it is especially attractive to this writer, as it is his old home. I may be excused for this short article, but as I am not much of a hunch-blower, I will not weary the readers of this Tribune with much of my stuff while enjoying the courtesies of relatives and friends.

Mount Olivet. This church has long been a religious light-house in this community and last week the pastor, Rev. Seymour Taylor, conducted a series of meetings, two services a day, handling out the pure gospel straight from the shoulder. The congregations were not so large as they ought have been, neither did religious enthusiasm wax warm; but this shortage of interest cannot be held at the door of the pastor, for he declared the whole counsel of God is attractively form. People, and often very clever folk too, can and do hunch up so many excuses to keep away from a revival service. It is too hot or too cold, too wet or too dry, or I must take a ride in my new auto and catch the cooling breeze, or perform a few stunts in the bathing pool—most any diversion anywhere, except the church. The fact is, worldliness and a spirit of indifference has secured such a momentum in all the churches that it is hard for the faithful few to throttle it. Leaders in the churches who occupy the amen corners, would do well to investigate, "sit up and take notice." Pure religion, and sinful amusements will not mix together any more than will turpentine and water.

I learn that Mount Olivet has a membership of a few less than two hundred. Well, this is good, but from its age, location and influence of many of its old-time adherents, and of those now within its pales, the roll should be readily increased to three hundred names. Here the Winecoffs, the Goodmans, the Lifakes, the Barnharts, the Barnharts, the Goodights, the Dayvaults, the Finks, the Overcashs and others, a splendid citizenship, settled, and with their combined influences should make Mount Olivet a strong citadel against the powers of Satan. This home where I am now penning this article, was erected fifty-one years ago and it looks quite natural, but there have been many changes herabouts, and many relatives and friends of other days have long since answered the last roll call, however, I am happy to greet my kinsfolks and friends of the present day.

St. James Sunday School Picnic. The Sunday School of St. James Lutheran Church will go on the annual picnic on Thursday afternoon, leaving the church at 2:30 o'clock. This has been quite a large and enjoyable affair and is anxiously looked forward to each year. G. H. Rowlett has a number of committees appointed which are getting everything in splendid shape for a pleasant evening. The picnic this year will be held on the fair grounds and all desiring to go from the Sunday School and congregation will be furnished conveyance. A regular picnic lunch and water-melons will be served on the grounds.

Concord Citizen Honored. At the meeting of directors of the Young Men's Christian Association held at Blue Ridge, F. C. Niblock of Concord, was elected a national committeeman representing North Carolina on the governing board of the Young Men's Christian Association of the United States. This position carries with it honor and prestige and gives to Concord and the Concord "Y" a high privilege, as today the Y. M. C. A. is one of the largest organizations in the world, and is recognized as a power for good, not only in America but over the entire world.

According to the prosecuting witness, Boswell induced her to leave with him again Saturday night, assuring her they would be married right away.

At Rocky Mount she was told he could not get license at night. He objected to going to Louisville to procure license and from Rocky Mount they went to Lawrenceville, Va., where they stopped at a boarding house on Sunday where they were found on Tuesday by the girl's brother, Cary Strickland, and J. F. Gup-ton, who had Boswell arrested and accompanied H. A. Kearney notified, who accompanied by Deputy Sheriff D. E. Cone, went for the prisoner. At Lawrenceville the girl was told license could not be procured without her father being present, and that Boswell had a friend at Emporia who could get them away, but he could not leave then to attend to it. Sheriff Kearney testified that the prisoner stated to him that he was married and had three children.

The price agreed upon, it was stated, is the average price placed on similar publications throughout the United States.
