SALISBURY CLUB WINS IN GOLF TOURNAMENT

Will Keep Howan Cup for Next Year—Inter-City Organization Perfected. Members of the Salisbury Country Club secured the first leg on the Howan Cup in the inter-city golf tournament held in Salisbury Thursday with members of the Concord and Lexington clubs. The tournament was played at the Salisbury Country Club and aroused keen interest.

After the tournament members of the three clubs met and formed an Inter-City Association and elected the following officers to serve for the coming year: I. L. Davis, Jr., Concord, President; George Montcastle, Lexington, Vice President; Peter Wallenbaum, Salisbury, Secretary.

Officers of the association were advised to confer later and draw up rules and by-laws for the association, which has for its purpose the creation of closer friendships between members of the three clubs.

John Randleman, president of the Salisbury Club, presided at the organization meeting and presented Mr. Davis to the members present after his election as president. Mr. Davis declared that the officers of the organization would meet in the near future to draw up the by-laws and rules and also to make plans for another tournament to be held during the summer.

It is planned to hold several tournaments each year with the courses of the three clubs to be used in turn as soon as the Concord and Lexington courses have been put in better condition.

The tournament was the first held jointly by the members of the three clubs and was arranged through the through the tournament committee of the Salisbury club. Mr. Howan, chairman of the committee, donated the cup which will be permanently retained by that club which wins it for three years.

The cup was presented to the Salisbury club after the tournament by Sidney Blackmer, Salisbury boy who has made good in theatrical circles in New York. Mr. Blackmer also presented to Al Johnson, professional of the Concord club, the prize offered to the winner in the match between the professionals of the club.

The Salisbury club keeps the cup this year by means of the more than 400 points scored in the Scotch threesome. The Concord club was runner-up with more than 350 points and Lexington scored more than 275 points.

George Montcastle, of Lexington, with an 84 had low score for the tournament.

Crosby, of the Salisbury club, offered little opposition to Johnson in the professional match. The Concord "pro" was driving one of the longest balls of his career and had his putting been up to the standard of his long game he would have made even a better score than his 71. He was out in 35 and back in 36.

Concord players in the tournament were E. C. Barnhardt, Sr., T. D. Maness, Kenneth Caldwell, I. L. Davis, Jr., Walter L. Furr, Gray Bell, Charles Wadsworth, Leslie Bell and W. M. Sherrill.

After the play ladies of the Salisbury club served sandwiches and tea on the porch of the club house.

Congressman Ward to Speak in City.

Congressman Hallett S. Ward, of the First North Carolina Congressional District, will speak in Concord at 2 o'clock Tuesday, August 5th at the court house. It was announced today by local officials of the North Carolina Cotton Growers' Co-operative Association.

Congressman Ward will speak on "Co-operative Marketing" in his Concord address and is expected to give his opinion as to the merits and benefits of such marketing.

Congressman Ward is one of the most interesting speakers in North Carolina and as he has given much time and thought to the subject he will discuss here, he is certain to present a very able discourse.

It is very probable that Mr. Ward will be heard by a large crowd here.

Johnson Break Record on the Salisbury Course.

Al Johnson, stocky-built professional at the Concord Country Club, broke the record at another golf course Thursday when he played 18 holes at the Salisbury Country Club in 71. Johnson was out in 35 and back in 36 and if his putting had been up to the standard of his driving he would probably have had 32 and 32. He was shooting at birds on practically every hole and eagles were possible for him on several holes. Par for the course is 72.

Several weeks ago Johnson broke the course record at Cleveland Springs with a snappy 71, he having made the same score there he made at Salisbury. For some time he has held the record for the Concord course.

He went from the Rocky River section, and is a nephew of the late J. M. W. Alexander, Esq. Mr. Alexander is a brother of Mrs. Clarence H. Barrier. His mother, Mrs. J. C. Horton, lives in No. 10 township. Mr. Alexander and family will be in this section about two weeks.

Band Concert Tonight.

The band concert at the Y. M. C. A. is to be held tonight instead of last night as stated in yesterday's paper. The Concord colored band will furnish the music. These concerts are always good and a big crowd is expected to attend. Anyone who has not attended should by all means go as a treat is in store for everyone.

The pictures of Concord's Young People at Skull-Cap Camp will also be shown. These slides will be sent all over the county and every Concord citizen should see them.

NAZARETH HOME PICNIC BE HELD AUGUST 7TH

Plans Perfected to Make Picnic This Year Biggest Ever Held at the Orphanage.

Thursday, August 7th, is the annual picnic day at Nazareth Orphan's Home at Crescent in Rowan County. Many thousands of the Reformed people in North Carolina make an annual visit to the Home. It is called Orphan's Home Day—a red letter day in their calendar. In fact it is one of the big picnic days for Rowan County. The many friends of the Home from Rowan, Cabarrus, Stanly and other counties go to Crescent to see the crowds, meet friends and help make the day a big one for the orphans.

The feature of the day is the address. The chapel and school building, large and commodious, is always packed with both young and old. This year the speaker is Rev. George Stibitz, D. D., Ph. D., of Dayton, Ohio. Dr. Stibitz has been engaged as a professor in Ursinus College, pastor of Zion's Reformed Church of York, Pa., and is now Professor of Old Testament Language and Theology in the Central Theological Seminary of the Reformed Church in Dayton, Ohio. Dr. Stibitz came to North Carolina to teach in the annual Missionary Conference at Newton. Those who heard him preach the Missionary Conference sermon say that it was the best that has been delivered in the college chapel. The program will begin at 10:30 when the band will give a 30 minute concert. At 11 o'clock Dr. Stibitz will speak. The new feature of the annual day this year is the laying of the cornerstone of the new girls' dormitory. The inscription on the stone is "Nazareth Home, Girls' Dormitory, 1924." This stone will be laid with proper ceremony at 2:30 o'clock in the afternoon. Mrs. Kate Burr Johnson will be the speaker. P. C. Wood, of Salisbury, is the contractor, and the building has been designed by the State Architect. The building is being constructed of tapestry face brick, trimmed with granite, and will have accommodations for fifty girls, and dining facilities for 100 children. When completed this new building with the boys' building (built of native granite) will give the home two good buildings and equipment for the care of almost 100 children.

The children of the Home will give a concert at 1:30 o'clock. This year the class is under the direction of Miss Clara Lentz.

Since last year a modern dairy barn has been built, the old barn, hog pens and lots and other outbuildings having been razed. Where these stood the people will see the second crop of vegetables growing. Under the superintendency of Rev. W. H. McNairy and the assistance of a farmer, the Home is growing produce to feed all the children in the Home. The farm is yielding this year much more than in any former year. In former years the road was one bed of dust. Friends will find a new hard-surfaced road from the station at Crescent to the Bethany Reformed Church, and those who travel the State highway from Salisbury will find a good topsoil road three miles south of Granite Quarry, a road that goes directly into the Home via the station. This was made possible by the Board of Commissioners of Rowan County, and the citizens of Rowan County who have given approval to this piece of work. It will be a pleasure to go to the Home this year.

The Home is under the care and supervision of the Reformed Church in North Carolina. The Classis of North Carolina Reformed Church in the United States, elects the Board of Managers, who report annually to the Classis. The Board is as follows: President, J. W. Peeler, of Rockwell; vice-president, L. M. Peeler, Faith; secretary, W. C. Lyerly, Concord; treasurer, G. H. Moose, Gold Hill; B. S. Shuford, China Grove; C. C. Wagener, Newton; S. L. Whitener, Hickory; J. T. Hedrick, Lexington; W. G. Hinkle, Thomasville; T. W. S. Grimes, Thomasville; J. T. Platt, Greensboro; and Supt. W. H. McNairy. The Auxiliary Board of women are advisory. This board is as follows: Mrs. J. W. Hedrick, High Point; Mrs. C. E. DeChant, Charlotte; Miss Lena Warlick, Lincolnton; Mrs. J. A. Thomas, Leonard, Lexington; Mrs. L. A. Corriher, Landis; Dr. Carolina McNairy, Lenoir; Mrs. Earley, Leonard, Thomasville; Mrs. R. E. Patterson, Crescent; Mrs. C. H. Menzies, Hickory; Mrs. G. C. Fisher, Salisbury; Mrs. J. F. Troler, Greensboro; and Mrs. C. M. Row, Newton. The Board and Auxiliary Board will meet at the Home Wednesday afternoon, August 6th at 2 o'clock to transact any business pertaining to the welfare of the Home, also to elect officers for the coming year.

For the accommodation of the thousands of people who gather annually the Rockwell and Faith churches of the Reformed Church have built commodious stands. They will have on sale lunches, drinks and all such as are needed to satisfy the demands of a large group of people. Also the Bear Creek Congregation will have their table, and the chief dish is lamb. The congregation at Mt. Pleasant provides a table for the Home family. All the proceeds of these stands and all other stands on the ground go to the Home for its expenses. Any who may be located at a distance from the Home are "outlaws" and are parasites whose proceeds keep themselves alive. There have been such in former years.

City Installs Trash Cans.

The City Fathers have taken another forward step in installing trash cans on the corners of the streets in the business district. For some time the up-town section has been noticeably littered with papers, fruit skins and banana peels. With an enforced use of these cans, the looks of the city should be materially improved.

The cans are very neat in appearance. They are painted a nice green and have a spinning top which remains closed thereby preventing an accumulation of flies and bugs.

Mr. Blanks, of the local "Y," is planning to teach the boys and girls the use of the trash cans.

At the Theaters.

"The Covered Wagon," featuring Lela Wilton and J. Warren Keegan is being shown at the Star again today.

The Misdemeanor is showing Charles Jones in "Western Luck."

Jack Hoxie in "Fighting Fury" and a comedy, "Taxi Taxi," are being shown at the Pastime today.
