Singing Class to Be Held Here.

The singing class from the Odd Fellows Home at Goldsboro will appear in concert in the auditorium of the new high school building on Saturday evening, August 9th, beginning at 8 o'clock. The singing class is perhaps better this year than any previous time. A splendid program will be given, and it is hoped that a large crowd will meet the children. The program will consist of songs, recitations, drills, vocal and instrumental music, and an orchestra. The prices of admission will be 25 cents for adults and 15 cents for children. The children come here under the auspices of the local lodge of Odd Fellows.

A clause in the will of Alderman Abraham Davis, of West Hemstead, London, who left a gross estate of \$259,720, says: "Should any of my children marry any person who is not born of parents of the Jewish faith then he or she is to forfeit any share in the will."

AUTO TRAGEDY

Nine-Year-Old Walter Hopkins Is Killed When Truck Turns Turtle.

Sumter Daily Item.

Tuesday morning at about 8 o'clock little Walter Hopkins, son of Mr. and Mrs. T. F. Hopkins of this city, was instantly killed when the bakery truck in which he and his father were riding overturned on the Mayesville road three miles from Sumter.

Mr. Hopkins is the proprietor of the Southern Baking Company of this city and was returning from a run to Mayesville. There is a curve several hundred yards up the road from the scene of the accident, and Mr. Hopkins had successfully made this curve and straightened out again before the truck turned turtle. From all that can be gathered from the tracks it seems that he went too far towards the right hand side of the road coming towards Sumter and first went off the asphalt.

They he must have turned too quickly towards the other side and was unable to straighten out. At this point the truck skidded across the road and into the ditch, turning completely over and coming to rest facing back towards Mayesville.

Mr. Hopkins, by some miracle escaped injury, but his little nine-year-old son was forced into the mud and his neck broken and skull crushed. He was dead when removed from the truck which had to be pried from his body with heavy boards. Mr. Hopkins extricated himself from the wreckage within a few minutes after the accident occurred, and summoned aid. An ambulance was sent for and arrived in a very short time. An examination of the little boy's body was made but it was found useless to attempt to restore life, as death evidently happened instantly.

Though unharmed by the accident Mr. Hopkins was almost crazed with grief, and at this writing is confined to his bed and under the care of his doctor. Walter Hopkins was a very bright and precious child and endeared himself to every one with whom he came in contact.

His loss will be keenly felt by every one who knew him and particularly by his family.

When asked for definite information about the little boy's age Superintendent Edmunds gave us the following:

Walter Hopkins, a son of Mr. and Mrs. T. F. Hopkins, was born on the 15th of November, 1915. He would, therefore, have been nine years of age on his next birthday.

Walter was a member of last year's second grade, Mrs. Martin's section and was pronounced to the third grade, with excellent in everything for the whole year's work—studies and deportment. "Well done, thou good and faithful servant."

The funeral will be held tomorrow afternoon at five o'clock from Mr. Hopkins' residence on East Calhoun street.

(Mr. Hopkins and family formerly lived in Concord and their friends here will learn with regret of their deep sorrow.—Ed.)

Traveling Salesman Injured by Auto.

G. H. Peacock, of Selma, Ala., traveling salesman, was injured yesterday afternoon about 5 o'clock when he was knocked down by an automobile driven by C. B. Griffith, of Matthews, in front of the Leder Motor Company on West Depot Street.

According to spectators, automobiles were going in both directions. Mr. Peacock stepped out from behind one and directly in front of the car driven by Mr. Griffith. Griffith was going very slowly and attempted to stop. He was unable to do so and hit Peacock but did stop before running over him.

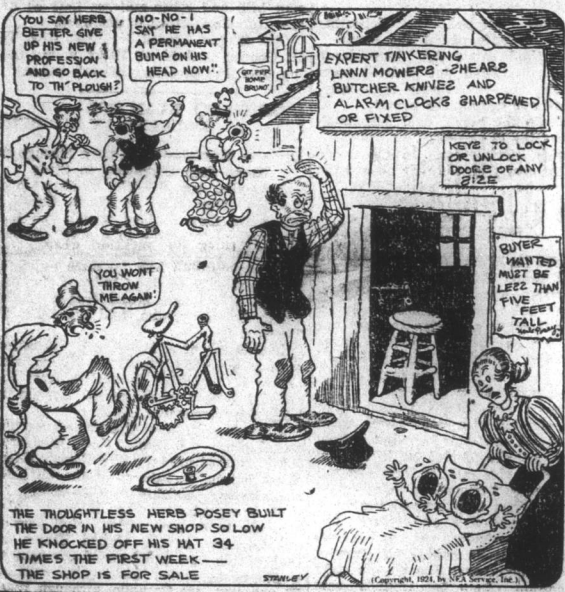

Peacock was carried to the office of Dr. W. H. Wadsworth where medical attention was given him. His only injury was found to be that of a lacerated scalp. He was soon able to leave the office.

Mr. Peacock has made his home for the past two years in North Carolina where he is employed by the National Surety Company. Mr. Griffith is a farmer from the Matthews neighborhood in Mecklenburg county.
