Defeat Its Adoption.

Berlin, Ang. 29 (By the Associted Press).—The German reichatag today accepted the Duwes reparations agreement concluded at the recent London conference by adopting by a vote of 314 to 127, the necessary two-thirds majority, the railway bill to put into effect the previsions of the London agreement.

The German nationalists whose open opposition to the agreement and whose attacks on it during the debate bad made result of the voting problematical, voted in favor of the railway bill but against the banking bill, another of the Dawes measures, which nevertheless was adopted by a necessary majority. The industrial bond bill, the third of those provided 295 to 172, a two-thirds vote being unnecessary on this bill.

The industrial bond bill, the third of those provided where the next of the provided 200 votes in excess of the two-thirds required, more than two-thirds of the nationalists favoritg its acceptance.

An eleventh hour agreement between the government and the mationalists swhich resulted in the defection of 57 votes from the opposition brought about the constitutional majority. Up until 10 minutes before the vote was taken on the railway bill the outcome was entirely problematical.

The price which the government paid for the support of the nationalists is reported to be a promise that the present cabinet will be reconstituted in the near future to include several nationalists. The provernment's approved of a tariff on grain is also reported to be part of the bargain.

When the vote on the railway bill was announced there was a desefening rear followly and leaves from the constitutional majority. Of the COULTY.

(By the Annelstea Press.)

New York, Ang. 29 — With his Wheeling, W. Va., Labo Day speech practically completed, John W. Davis, the Democratic Presidential candidate, turned his attention today to matters of campaign organization and finance before the start of his western try Sunday. In making what will be the first real invasion of the West, Mr. Davis does not propose to condust what is generally referred to as "a swing around the circle."

Mr. Davis will make Chicago his base and will make successive trips to speak in those cities which have been or will be included in his Hinerary.

The nominee will be accompanied westward by several of his closest advisers, among them Senator Pittman, of Newada, who has had charge of arranging the details of the speaking trip, and Cordell Hull, former chairman of the Democratic National Committee.

MUCH DAMAGE DONE BY STORM AT ROCKY M

Wind at Times Assumed Almost Cyclonic Proportions—Hall Crashes the Windows.

Rocky Mount, Aug. 28.—Rocky Mount was in partial darkness tonight as efforts were being made to check up damages caused by a violent storm which hit this city and vicinity late today. The sform was marked by an unprecedented rainfall, violent wind, which at times assumed almost cyclonic proportions, a terrific electrical display and a heavy fall of hail which shattered windows and leveled fields of cotton and cornover a wide area. The storm continued with unabated violence here for nearly two hours.

Here in the city large trees were uprooted or blown down. A number of small houses and outbuildings were reported destroyed, while chinneys were leveled in a number of instances. In several places streets were blocked by falling trees, Hawe was played with local telephone and electric light service. Numerous telephone posts and lines were down, while it was necessary to cut off the electric current on account of the electric current on acrount of the wires being broken and across the sidewalks in a number of places.

Hasements were literally flooded by the downpour of rain, and streets in several specious of the city were veritable lakes tonight. In the business section a service station and billboards were nartially blown down, while several big plate glass windows were shattered. The violent wind and hall stones almost as large as marbles combined to play have with windows in the residential section. No reports have been secured tonight as to how wide an area the storm visited or the damage which is caused in outlying sections. Crops, however, were believed to have been leveled by the violence of the elements.

the conclusion of his present term of office he go into some business by which he can retrieve his personal fortunes.

The upshot of the conference was to leave the Tammany organization completely up in the air as to its choice for a candidate. The Governor is said not to have made any suggestions, although there are some who believe he would not be averse to seeing Colonel Frederick Stuart Greene, his Public Works Commissioners, try for the nomination.

German Loak Near.
New York World.

Bond traders close to large bankers expressed the opinion last night that the German loan will be seen within three weeks. Foreign bonds show great resistance to profit-taking, they point out, and the market generally is in prime shape for the offering. Delay until early October, these experts believe, may prove a mistake, and this yiev, they say also is that of financiers involved in the financing.
