

DAVIS IN NEBRASKA WILL DISCUSS FARM PROBLEMS IN TALKS

The Democratic Presidential Nominee Will Make First Address on Agriculture in State of Gov. Bryan.

OTHER ADDRESSES WHILE ON TRIP

Six States Will Be Visited by Mr. Davis Who Will Discuss Many Subjects in His Six Addresses.

(By the Associated Press.) On Board the Davis Special Train En Route to Omaha, Neb., Sept. 6.—John W. Davis, the democratic Presidential candidate, came into Nebraska today to make his first address on the agricultural situation. Speaking tonight at Omaha he plans to outline some of the things his party will undertake to do to aid the farmer, if it is returned to power.

This was the first of six set speeches Mr. Davis will deliver in as many states west of the Mississippi. He will discuss many issues before he returns to Chicago, the latter part of the month, to make one speech before returning eastward.

In his journey across Illinois and into Iowa last night Mr. Davis assailed the LaFollette doctrine that Congress and state legislatures should be given the right to override decisions of the Supreme Court in declaring laws unconstitutional. He asserted—unofficially—

PRESIDENT COOLIDGE IN LA FAYETTE DAY ADDRESS

Appeals to the American People to Stand Against Effort to Break Down Our Fundamental Law.

(By the Associated Press.) Baltimore, Sept. 6.—President Coolidge called upon the American people in a LaFayette Day address here today to take a stand against "a deliberate and determined effort" which he said "is being made to break down the guarantees of our fundamental law," through a movement "to limit the jurisdiction of our domestic courts."

President Coolidge came here today to speak at the unveiling of a statue of LaFayette. The President, who made a leisurely trip by motor from Washington with Mrs. Coolidge, was greeted by Governor Ritchie, of Maryland, and Mayor Jackson, of Baltimore. Factory whistles blew as the party entered the city, and citizens lined the route to the scene of the unveiling.

The President in his address characterized LaFayette as "a true son of world freedom," and assured that "this occasion is dedicated to freedom." "The question is," he declared, "whether America will allow herself to be degraded into a communistic and socialistic state, or whether it will remain American. Those who want to continue to enjoy the high estate of American citizenship will resist all attempts to encroach upon their liberties by encroaching upon the powers of the courts."

While devoting his address primarily to a defense of the United States Supreme Court, the President also drew a lesson from the French leader and proposed a policy of service in foreign relations.

Referring to the Supreme Court, Mr. Coolidge said that if its authority "should be broken down and its power lodged with Congress, every minority body that may be weak in resources or unpopular in the public estimation, also nearly every race and religious belief would find themselves practically without protection."

Leaves \$3,000,000 Securities in Car, and They Are Gone

See Take City, Utah, Sept. 6.—Otto Meek, reputed wealthy ranch owner of Pahr, Nevada, reported to the police that negotiable securities when he said had a face value of more than \$3,000,000 stolen from his automobile while it was parked on Main street this afternoon.

Meek said the securities belonged to the Mammoth Land and Power company of Baker, Nevada, with which company he is connected. He refused to state the present market value of the securities, but said he was en route to New York to turn them over to brokers.

He said he left the securities in a suit case in the front seat of his automobile, and when he returned in about an hour the bag was gone.

The McAdams Do Not Pull Together

Washington, Sept. 5.—Republican leaders are making much of the fact that Malcolm Ross McAdoo, brother of William Gibbs McAdoo, has joined the LaFollette forces. The inference, they would have people draw, is that he is peeved because his brother was not nominated.

These McAdams have never pulled together. Managers of the recent McAdoo pre-convention campaign assert that the independent Malcolm Ross was not for William Gibbs. There is nothing in the claim that he is misled. He is not that sort of fellow.

Herrin Murder Case Dismissed

(By the Associated Press.) Herrin, Ill., Sept. 6.—The charge of murder against Dr. John T. Black, in connection with the killing last Saturday of six men here, was dismissed today by Magistrate Hicks before whom Dr. Black appeared.

Augusta, which appears to have the South Atlantic league pennant clinched, has held the lead since the start of the season.

GERMANY UNWILLING TO TAKE BLAME FOR BEGINNING THE WAR

Chancellor Marx Tells Allied Premiers His Government Held Off Denial After London Conference.

PREMIER HERRIOT SENDS HIS REPLY

Tells Germans Action Has Made Unfavorable Impression With French.—May Change the Agreement.

(By the Associated Press.) Geneva, Sept. 6.—Prime Minister MacDonald, of Great Britain, Premier Herriot, of France, and Premier Thomsen, of Belgium, today received a letter from Chancellor Marx, of Germany, refusing all responsibility for having caused the world war.

Chancellor Marx added that the publication of the proclamation which retracts Germany's admission of war guilt was deferred to avoid hindering negotiations at the recent international conference in London.

As soon as he had received the letter, Premier Herriot made known to the German government that the letter had made a bad impression upon him, and indicated the probable unfortunate consequences the publication would have in connection with the attitude of the French government.

ACTING SECRETARY WHITE ORDERS FIRPO ARRESTED

Will Be Taken Before Board of Inquiry For Hearing on Question of His Deportation.

(By the Associated Press.) New York, Sept. 6.—Luis Angel Firpo, Argentine heavyweight, was released on \$1,000 bail for a hearing on September 15, four days after his scheduled fight with Harry Wills, after a warrant had been served on him today by the immigration commissioner here.

Washington, Sept. 6.—A warrant for the arrest of Luis Angel Firpo, the Argentine heavyweight pugilist, was issued today by Acting Secretary White, of the Labor Department. The action was taken under the immigration law, and will result in Firpo's appearance before a board of inquiry, for a hearing on the question of his deportation.

The warrant charged Firpo with having brought or attempted to bring Blanca Picart, an Argentine anarchist, into the United States for immoral purposes, and for having gained entrance under false and misleading statements.

Bond for the fighter will be set at \$1,000, immigration officials said. That is the usual bond in such immigration cases.

Warrant For Firpo's Arrest

New York, Sept. 6.—Hyman Bushel, attorney for Luis Angel Firpo, upon learning that a warrant had been issued for the fighter's arrest, said he and his client would go to the Ellis Island immigration station early this afternoon.

MYSTERY IS CLEARED WHEN FARMER RETURNS

Physician States That A. Crouse Jones Was Suffering With Amnesia.

Lexington, Sept. 6.—A Crouse Jones, scientific farmer, stock breeder, owning Bonnie Herb Farm, five miles west of Lexington, who disappeared Tuesday, drove up to his home this morning.

Investigation last night and this morning, following publication of news of his disappearance, had revealed that Mr. Jones had procured a little over \$200 from cashing a check and withdrawing a savings account that he stated he had "aid" for a rainy day.

According to a statement credited to a relative this afternoon, Mr. Jones had practically all of the money when he returned, except for a few dollars spent for gasoline and other necessary expenses. J. A. Jones, father of the young farmer, stated over the telephone late today to a newspaper reporter that he had not yet discussed the disappearance with his son. The latter stated to him, he said, that he found himself in Spartanburg, S. C., early this morning and drove home rapidly arriving about 12:30 p. m. He was unable to explain how he came to be in Spartanburg or to where he had been since eleven o'clock Tuesday, when he was last seen here.

When he left home Tuesday morning he stated he was going to a road camp in Guilford county on business, but investigation by Sheriff Talbot last night failed to disclose any trace of him there. His family physician expresses the belief that Mr. Jones was a victim of amnesia. Mr. Jones is a graduate of North Carolina State College and post graduate student of Ames College in Iowa and is credited as an expert in dairying and livestock breeding. He had been married about a year and is twenty five years of age.

Peace Resolution Adopted

Geneva, Sept. 6. (By the Associated Press.)—A peace resolution drawn up by adopted unanimously by the assembly of the British and French delegations, was the League of Nations this afternoon.

Character is the foundation, reputation is only the superstructure, and the latter cannot long endure when the former crumbles.

Invading Forces Driven Back In Fierce Battle

Northern Forces of Chi Yuan Repulsed on Two Fronts After Battle Was Waged Fiercely All Night.

COUNTER ATTACKS VERY SUCCESSFUL

Defending Armies Drove Invaders Back Two Miles.—Hand to Hand Fighting Reported During Night.

(By the Associated Press.) Shanghai, China, Sept. 6.—The invading northern forces of Chi Shieh Yuan were repulsed on two fronts—at Hwang-tai, fifteen miles west of here and at Lihlo, 30 miles northwest of here—after an all-night battle with the Lu Yang Hsing forces defending Shanghai, according to announcement this morning from Chekiang headquarters.

After repulsing the attacking northern forces at Hwang-tai, Gen. Chang Tee Ping, leading the forces defending Shanghai, led successful counter attack, forcing opposition troops back to within two miles of Anting, a town twenty miles west of here, on the line of the Shanghai-Nanking railway.

In the Hwang-tai section the defending forces claimed an advance of six miles along the railway line besides the capture of two companies of enemy troops and several officers.

Hand to hand fighting characterized the night battle, which was carried on in the Lihlo streets, as resulted in driving out the northern troops, according to a statement issued by the Chekiang army.

A bridge on the railway line near the Chekiang headquarters was blown up mysteriously during the night, cutting off communication through the line on which supplies are sent up to the fronts held by defensive forces. It is being repaired today.

It was announced today that as a result of conscription of coolies, Russian refugees now in the Shanghai district will be given work as laborers.

MADISON PEOPLE HAVE BAD SCARE AT "MOVIE"

Panic Follows Burst of Film Into Flame and Several Trampled On.

Madison, Sept. 5.—The showing of "Black Opium," widely advertised film, at a local theatre here today came dangerously near ending in a tragedy for Madison folks.

Just after the feature film had been shown and while preparations were being made to put on another reel, a film burst into flame and immediately the audience began a mad scramble for the open air. Women and children screamed and rushed for the front entrance only to be turned back by cracking flames.

Then came panic. Women were trampled on and children were lost by their mothers. The small exit in the rear was blocked by a surging mass and many persons found their way out through a window. Finally the building was emptied without serious injury to any one.

But it was the worst fright that an equal number of persons had ever received in Madison. Even after the building was emptied word was passing that Kathryn Busick, invalid daughter of Mr. and Mrs. J. O. Busick, was still inside. Kathryn, who is unable to walk, had been brought to the theatre in a rolling chair and in the confusion had been lost sight of by her attendant.

Fears for her safety, however, were soon allayed. Howard L. Penn, waiting until the confusion had ended, picked the little girl up in his arms and carried her out. Mrs. Penn's coolness doubtless saved her from serious injury.

As the building disgorged its occupants, what had been hair-raising fright on the inside turned to side-splitting mirth on the outside. For the rear exit opened onto a steep, wood covered bank, at the bottom of which was a small stream of water. Consequently, as those in front reached the open they were sent helter-skelter down the hill into the brook by the pressure from the rear.

Hardly a person, it was said, but what emerged from the rear of the building wet and drugged but happy to escape without serious injury.

Madison's fire department reached the scene before the flames had gained much headway and quickly had the fire under control. The theatre, nevertheless, sustained considerable damage from both fire and water. Without the aid of the fire department, it was declared, a serious conflagration could not have been averted.

The theatre building is owned by R. A. Cardwell and was being run by T. R. Wright.

Egypt's largest pyramid, that of Cheops of the Gizeh group, contains 80,000,000 cubic feet of masonry, and the total weight of the stones has been estimated at more than 6,000,000 tons.

No Joint Debate Between the State Gubernatorial Candidates

(By the Associated Press.) Raleigh, N. C., Sept. 6.—There will be no joint debate between Angus W. McLean, democratic gubernatorial nominee, and Isaac Meekins, republican nominee, as the result of a series of conferences held at state headquarters here.

Chairman John G. Dawson of the state democratic executive committee, issued a statement in which he declared himself and the executive committee opposed to violating the policy of the party in the state of refraining from participating in

THE COTTON MARKET

Opened Firm at Advance of 6 to 15 Points.—Increased Offerings Resulted. (By the Associated Press.)

New York, Sept. 6.—The cotton market opened firm today at an advance of 8 to 15 points. Active positions sold about 8 to 17 points net higher in the first few minutes on further news government reports, and covering stimulated by relatively steady Liverpool cables. The bulge met increased offerings around 24.65 for October and 24.30 for December, and prices eased off 8 to 10 points. Part of the selling was for Southern accounts, presumably holding. The closing was irregular.

Opening prices were: October 24.60; December 24.15; January 24.05; March 24.25; May 24.42.

Closing prices were: October 24.52; December 24.00; January 24.13; March 24.28; May 24.45; March 24.25 to 24.26; May 24.45 to 24.48.

HIGH POINT FAILS TO FULFILL ITS PLEDGES

Crises Reached in Matter of Finishing Work on Methodist Protestant College.

High Point, Sept. 6.—Unless \$25,000 is raised before tomorrow night by High Point people the work on the two dormitories at the Methodist Protestant college here will cease. The local people pledged themselves for \$100,000 and gave a site for the college to induce the denomination to locate it here. Less than half the pledges have been met, causing the crisis.

A meeting of representatives men held here heard the proposition that a note for \$25,000 be made and the money borrowed from a local bank until the collections past due are paid. Only eight signers were secured at the meeting, so the matter hangs fire.

The plans for the opening of the college set September 15 as the date. Everything will be ready if the people here raise the money, and leaders in the undertaking say it will be raised before tomorrow night. A bank has offered to accept the note when it is ready.

PORT CAMPAIGN TO BE OPENED MONDAY

Governor Will Speak at Rockingham At 8 That Night.—Dawson to Issue Statement.

Raleigh, Sept. 6.—Governor Morris's unexpected return home today found him at the far end of the long campaign for the port terminal issue. Into which he would have been invited had Chairman Dawson expected him. The governor, however, is more interested in the port terminal campaign and in all his business today he let it be known that he would have to adapt his program to next week's dates. He said that he would open the campaign in Rockingham Monday evening, speaking at 8 o'clock.

Tomorrow Chairman Dawson is expected to make a statement as to his position as party leader. It will explain why the organization has not taken up the port terminal issue and made it a portion of the regular campaign.

BODIES OF MINISTERS REACH HIGH POINT

Both Were Killed Friday When Auto Was Struck by Train.

(By the Associated Press.) High Point, Sept. 6.—The bodies of Rev. C. E. Crissman and O. R. Sorrell, Baptist ministers of High Point, who were killed in a grade crossing accident near Liberty yesterday, were brought here early today.

Funeral services will be conducted at Greene Street Baptist Church tomorrow morning at 11 o'clock. Rev. J. E. Laidley, of Palmont, a former resident here, and Rev. J. M. Hilliard will conduct the services. Rev. Mr. Crissman will be buried here, and the body of Mr. Sorrell will be taken to Marble Hill, Missouri, for interment.

Southern Railway's Showing For Seven Months Is Good

New York, Sept. 5.—Southern railway's showing in the first seven months of 1924 was unusually good despite the business slump in the early part of the year. The drop of 7 per cent in gross revenue to \$80,853,203 was smaller than many roads reported while there were few with declines in net income of only 4 per cent. Net income, after estimating other income and deducting fixed charges, came within 39 cents of the full year's dividend of \$5 on the common stock.

Home of E. M. Griffin Destroyed By Blaze

Charlotte, Sept. 6.—The country home of E. M. Griffin, three and one-half miles from Charlotte, together with all household furnishings and effects, was completely destroyed by fire of unknown origin early today. Mr. and Mrs. Griffin spent last night in Charlotte and knew nothing of the fire until this morning. The loss was estimated at more than \$10,000.

THE GLOBE FLIERS ALIGHT SAFELY IN THE BOSTON AIRPORT

Arrived at 2:09 p. m. After a 125 Mile Jump From Mere Point, Maine.—Smith the First to Land.

GUNS BOOM THE NATIONAL SALUTE

Whistles on the Boats in the Harbor and the Factories Along the Shore, Created Pandemonium.

Boston, airport, Sept. 6.—The American around the world fliers alighted safely here today at 2:09, 2:09 1/2 and 2:10 p. m. eastern daylight time, after a 125 mile jump from Mere Point, Maine.

Lieut. Lovell H. Smith in the Chicago landed first. Lieut. Leigh Wade in the Boston II was second to land. Lieut. Erik Nelson, in the New Orleans, took the water last.

As they taxied at their moorings at the buoys the official barge, anti aircraft guns boomed the national salute of 21 guns usually accorded only a president of the United States and rulers of foreign countries. Whistles on boats in the harbor, and factories along the shore, created pandemonium.

Major General Mason M. Patrick, chief of the U. S. air service, who had gone out with a squadron of land planes to meet the fliers, alighted a few minutes before them, and was rushed to the official barge with Assistant Secretary of War Davis to greet the fliers.

The shore along the five mile front was lined with thousands of spectators. Thousands hurled their hats in the air, and many waved American flags as one launch picked up the aviators and a second gathered the luggage they carried, 20,000 miles.

BROTHERS ADMIT THEY KILLED EARLE HARRELL

Lewis and Tracy Powers, South Carolina Farmers, Confess to Raping Body.

Dillon, S. C., Sept. 5.—With the finding of fragments of charred human bones and teeth in a swamp near here, and the arrest of two men, the mystery of the disappearance of Earle Harrell, 18-year-old Dillon county farmer, has been solved, according to officials.

Tracy and Lewis Powers, brothers, living in the lower part of the county, have been lodged in jail on charges of murder, and are said to have confessed to the killing of young Harrell, and to the burning of his body. In their reputed confession, the Powers brothers are alleged to have said that two women were involved in the circumstances that led up to the killing.

The wife of Tracy Powers is declared in his confession, according to officers, to have been the recipient of attentions from Harrell. Another woman, name was not given, was said to have been at the Powers' home on the night of the killing. Harrell went to the Powers' home on the night of August 22nd and was never seen again, officers said they learned in their efforts to trace the young man when he was reported missing. State Detective W. W. Rodgers was assigned to the case by Governor Thomas G. McLeod when local officials requested assistance in clearing up the mystery.

Rodgers, it was said today, learned that the tobacco storehouse and barn on the Powers place had been burned down on the night Harrell vanished. A careful search of the ashes revealed what appeared to be bits of flesh but no bones, it was reported. Searching further, Detective Rodgers and local officers found an improvised furnace in the hollow of a cypress tree in a nearby swamp, and sifting the ashes in the furnace they discovered the fragments of bone and teeth.

The Powers brothers were arrested, and after a severe questioning, officers declared, they broke down and confessed. Tracy Powers, according to the account of his confession current here, admitted shooting Harrell to death, but warrants were issued charging both him and his brother with the crime, and Detective Rodgers announced, indictments for murder will be asked against both of them when the grand jury meets next Wednesday.

Harrell went to the Powers home accompanied by the unnamed woman on the night of August 22nd, Tracy Powers' confession is said to have related. During the night a quarrel resulted, when Harrell took offense at a remark made by Tracy Powers about his companion, the confession continued, and the shooting was a sequel to this quarrel.

Mrs. Powers, about whom her husband said ill feeling had existed between himself and young Harrell for some time, was not at home on the night of the killing, having gone to the home of relatives in North Carolina about three days previously, it is reported here.

NORTH CAROLINIAN IS INJURED IN GEORGIA

Auto He Was Driving Struck Stump on Detour and Was Overturned.—Chest Crushed.

Valdosta, Ga., Sept. 5.—Hubert G. Bailey, of Apex, N. C., a tobacco buyer, was fatally injured near Habira this morning when his automobile struck a stump on a detour and overturned. His chest was crushed, and he died in a hospital an hour after the accident.

T. E. Stanfield, of Wilson, N. C., and J. K. Foxworth, of Marion, N. C., also were hurt, Stanfield suffering several broken ribs. Foxworth was able to leave the hospital in a short time.

DEFENSE DAY PLANS COMPLETE AND FINE PROGRAM ARRANGED

Celebration Here Will Be Held In Afternoon When a Parade Will Form at the Armory.

GUARDSMEN WILL SHOW ALL DRILLS

Short Talk Will Be Made by John M. Oglesby—Organizations Asked to Be Represented in the Marchers.

Plans for the observance of Defense Day are rapidly taking shape under the supervision of the program committee, with Dr. Joe A. Hartsell, chairman, and the recreation committee, with H. W. Blanks at its head. A tentative program has already been worked out by these two committees, which have started active functioning. At outlined, the celebration will be along the following line:

A grand parade from the armory hall to the new High School grounds. Everybody will assemble in front of the Armory Hall, at 3 o'clock in the afternoon of September 12th. The parade will start promptly at 3:30 o'clock, traversing Union street to Marsh street, thence direct to the High School.

The organizations which will form into line are: Company E, the American Legion, Enlisted Prospects, Y. M. C. A., American Red Cross, War Mothers, United Daughters of the Confederacy, Daughters of the American Revolution, American Legion Auxiliary, United Confederate Veterans, Spanish War Veterans, and other organizations. The parade will be headed by Major Foil, who will be in charge of the program. First Lieutenant Pat Ritchie, of Company E, will handle the parade.

Upon arrival at the High School, with the organizations standing, there will be an invocation by Chaplain W. A. Jenkins. This will be followed by an exhibition drill by Company E, which will last for about 30 minutes, and will give those present an idea of the splendid training of the local company. This exhibition is not being held for the purpose of enlisting young men in the military service of the United States. The young men who are present, who feel that they would enlist in the service to defend their country, and would enlist at their country's call, will be called upon at this time to enlist for this one day—Defense Day—and their enlistment ceases when the celebration is over. It is in this way that our government is seeking to learn what strength could be relied upon in case of aggression.

After recruiting, there will be a ten minutes' talk by John M. Oglesby, former recruiting officer in the Marine Corps, after which refreshments will be served, and then adjournment. Refreshments will be served from four army tents which will be placed on the grounds by Company E. The tents will be in charge of members of the War Mothers, Daughters of the Confederacy, Daughters of the American Revolution, and American Legion Auxiliary. The refreshments and ladies' organizations will be in charge of Mrs. J. L. Crowell, Sr., and Mrs. W. D. Pemberton.

Music for the occasion will be furnished by the colored band, which will play while the parade is assembling in front of the Armory. The public is cordially invited and urged, to assemble for this parade, and those unable to meet at the Armory are asked to go direct to the High School grounds for the exercises there. About fifty automobiles will be provided to carry the old soldiers and the ladies in the line of march.

First Baptist Church, Formal Opening.

The services at the First Baptist Church tomorrow will be in the nature of a formal opening with distinguished visitors for both of the preaching services. At the 11 o'clock service, Tom Archibald Johnson, editor of Charity and Children, will be the orator. Mr. Johnson numbers his friends by the thousands and is probably the most influential Baptist in the State. He always commands a crowd wherever he is announced to speak. He can only stay for the morning service.

The evening service will be a very happy occasion for both the congregation and pastor. The pastors and congregations of the churches up town have been invited to worship with us and have graciously consented.

The visiting pastor will talk on lines appropriate to the occasion.

The congregation naturally feels proud of its splendid achievement in completing such a building for church service and heartily welcomes the neighboring congregations to come and rejoice with us tomorrow night.

G. A. MARTIN, Pastor.

Mrs. Hurd Leading.

(By the Associated Press.) Nayatt, R. I., Sept. 6.—Mrs. Dorothy Campbell Hurd, of Philadelphia, was leading Miss Mary K. Browne five up when they had played 18 holes in their 36 hole match for the national women's golf championship.

Freezing Weather in State.

Blowing Rock, N. C., Sept. 6.—The first freezing weather of the season was reported here today when farmers from the Aho section of Watauga county reported that corn in that section was killed last night.

POLITICAL ACTION FOR DATA IS OFFERED TODAY

The Democrats Are Holding Their County Convention While Republicans Are Holding Primary.

DEMOCRATS NAME COUNTY TICKET

Probable That the Republican Ticket Will Not Be Named Until the Convention Is Held.

Members of both major political parties in this county have activities today that claim their attention. The Democrats are holding their county convention and the Republicans are conducting a county primary.

The Democrats in their convention must complete a county ticket that was partially chosen last Saturday when R. V. Caldwell, Jr., was chosen as the party's candidate for sheriff, Miss Margie McEachern was nominated for county treasurer, L. V. Elliott was chosen as the party's candidate for register of deeds, Dr. Joe A. Hartsell was nominated for coroner and J. F. Dayvaunt was chosen as a candidate for the chairmanship of the county board of commissioners. According to returns from the primary of last Saturday W. R. Odell was nominated for the county board of education but the other two members must be chosen to make the race with him at the convention. The candidates offered are Watson Smith and G. F. McAllister, present members of the board, and G. G. Allen, and Rev. T. H. Spence, whose names were presented in the primary by friends.

The Democrats in the convention also must choose members of the board of county commissioners. Mr. McKinley, incumbent, was nominated in a race, but three other members to oppose the Republicans must be selected.

The Democrats also must nominate a candidate for county surveyor, no candidate having been voted on for this nomination in a majority of the precincts last Saturday.

While the Democrats are completing their ticket, the Republicans will be holding their county convention to be held next Saturday. They will also show their preference for the candidates that have entered the field for nominations.

The race for the nomination for sheriff looms now as the most spirited among the Republicans. J. C. Helms, B. R. Lipe and J. W. Swing, of Kannapolis, and Tom Johnson, of Concord, are making the race for the nomination, and it is rumored here that other favorites, who have not formally entered the field will be voted on in the primary.

With two other exceptions, so far as is known, no other Republicans have offered themselves for nomination. S. W. Klutz, of Kannapolis, has been presented by his friends as a candidate for the lower house of the State Legislature and J. A. Wincoff, of No. 4 Township, is seeking the nomination for register of deeds.

It is believed that all contests among the Republicans will be definitely settled at the convention rather than at the primary.

Complete returns from the Democratic primary were not received until this afternoon at the hour for the convention and for that reason it is not known whether or not Robert McGuire, of Kannapolis, was chosen as the party's representative in the lower house of the Legislature. He was the only announced candidate, however.

The Republicans will meet next Saturday in county convention and at that time the full ticket to oppose the ticket selected today by the Democrats will be named.
