Mr. J. A. B. Goodman Speaks Before Mooresville High School.

The Mooresville High School.

"Mr. J. A. B. Goodman before the Mooresville High School: speaker Monday of this week before the high school, giving a very interesting, enter-faining talk, as would be expected. For many years Mr. Goodman has been in the employ of the Board of Education, in various capacities. For many years he has been an interesting news reporter. His columns always have the human touch, and the flash of good humor. Very speakers surpass Mr. Goodman in apt illustrations and anecdotes, always interspersing sound moral tenching. The school children all look upon him as a friend. Education Then and Now, was Mr. Goodman's subject. If the stenographer had followed the speaker, the speech in full would have made interesting reading."

Mr. Goodman is a Cabarrus county product, a brother of W. F. Goodman, of No, 6 township. He was reared near Mt. Pleasant, and is the father of Miss Vernie Goodman, of the Jackson Training School force.

Coheord Highs Defeated in Lexington.

The football team of the Concord high school was defeated in Lexington Friday 6 to 0. A Lexington dispatch has the following to say of the game:

"Lexington high defeated Concord high to 0 in a beautifully blayed game here this afternoon in which not a single penalty was imposed. The locals nipped the invasion by a 30 yard end run from his own nine yard line. Two other end runs and a pass Simpson to Widenhouse, featured the play of the visitors. General well for the home team, while Cecil's defens; while was one of the high spet of the game. Sink, Raker and Anderson plass did some good defensive work, Lexington made only one substitution and that for but a few minutes while Concord made none."
