Defeated the Barium Springs Team 18 to G—Game With Specicer Postponed For One Week.

The football players of the Concord High School had little trouble winning from the Barium Springs eleven here on Friday afternoon. The locals scored three touchdows while the visitors were scoring once. Throughout the game may substitutes were used by Conches Moora and Johnston of the local team.

The game with the Spencer highs, which was scheduled to be played Friday afternoon as the first game of two teams in the State champlonship series, was postponed at the last minute until next Frikay. The two teams had open dates next week-so ther agreed to postpone the contest one week and play in Salisbury instead of Concord as originally planned.

The local team played only straight football in the game Friday and many of the plays were made up on the field. Several members of the Spercen team were on the sidelines and the locals refused to open up with their real stuff.

They needed only straight football to win. Suffixan wha played fine bull throughout the game, scored two of the touchdowns and Simpson scored the other. All three were made after pretty runs.

The lone Barium Springs score came in the fourth period when Kerr ran 35 yards. He started his run after receiving a Concord punt. The visitors made but two gains during the afternoon, Latterson getting away once for 15 yards on a fake pass.
