## Short Model Popular

In spite of the popularity of the long and three-quarter-length coat suit, there are many women who prefer the shorter models, and for such women, here is such a one. It is of gray wool, banded with mole, and with metal ribbon for giving a little color and dash. The lines are distinctly youthful and becoming.

## STATE UNIVERSITY WINS GAME FROM DAVIDSON

Hackney Sends Two Drop-Kicks Through Uprights for Deciding Points of Great Game.

Davidson, N. C., Nov. 15.—Four times the little Davidson team strengthened within its own territory and forced the Carolina eleven to unsuccessful drop-kicks only to lose 6 to 0 in the last two minutes of play when Bann Hackney kicked two field goals. The first field goal came as a dramatic finish to a great game as the Wildcats, outweighed eighteen pounds to the man on the line, staged a game fight for nine four quarters and threatened to send the Tar Heels home with a scoreless tie.

Playing before the 7,000 frantic fans the game was the biggest ever staged in Western North Carolina. Taking the ball on Davidson's 43 yard line the University team, led by Merritt and Devin opened up the most powerful attack of the game in the final moments rushing the ball to the Wildcat 10 yard line. The Davidson line strengthened and forced Carolina to again resort to a neat kick over the bar.

After Robinson, who played a great game at center for the Tar Heels, had intercepted a Davidson pass on the 33 yard line, the Carolina team carried the ball to the 15 yard line and Hackney kicked another goal.

The Davidson defense was superb as time after time the powerful attack of the Fetter team was stopped as Vance, at guard, and Laird, at tackle, smeared the Carolina backfield. Each time Laird lifted great punts that got the Davidson team out of danger. His game was the talk of the stands as on the defense he broke up numerous plays.

With less than a minute to play the score six points against them, a brilliant passing attack by Sappenfield to Leggett and Davis drove the Davidson team for 55 yards down the field, the timekeeper's whistle alone stopping the attack.

Merritt and Devin played great ball in the Carolina backfield, Devin being the most consistent gainer, while Merritt occasionally got off for long runs.

## Jersey City Has Another Big Blaze.

Jersey City, N. J., Nov. 16.—Fire today destroyed two of the Erie railroad piers, 14 barges and the steam lighter Dayton here, the total loss being estimated at \$1,500,000.

It was the city's second million dollar blaze in three days. Two blocks in the downtown industrial section were laid waste Friday in a fire which raged unchecked for five hours.

Of undetermined origin, the fire started shortly after noon in the Erie's co-opage pier, where barrels, many of them oil and grease soaked, were in the process of repair.

It quickly spread to the one adjoining and in less than two hours, the piers were a mass of flames.

Football is represented in Great Britain's periodical literature by about fifty publications, some of which are issued the year round and others during the season only.
