IN AND ABOUT THE CITY

ALDERMEN MEET

December Meeting of Board Very Brief and Quiet One—Appropriations Made. The aldermen of Concord met in regular session for December at the city hall Thursday night. The session was a very brief and quiet one, however. The board made several appropriations for 1925, one being \$1,000 for the county nurse.

The board heard officers of the Chamber of Commerce relative to plans for the chamber's work for the year and appropriated \$500 to the chamber to assist it during the year.

It was pointed out to the board that the city limits did not extend regularly and the board ordered the city engineer to make a survey of the limits with the view to straightening them out. The engineer will make his report as soon as possible.

All bills approved by the finance committee were ordered paid and the board adjourned after being in session less than an hour.

Christmas Seal Campaign Next Week.

Woman's 13th Marital Jaunt Hits the Rocks.

East St. Louis, Ill., Dec. 4.—The thirteenth marital adventure of Mrs. Henry LaForge went on the rocks today when she obtained a divorce from her latest husband on the ground of cruelty.

Mrs. LaForge said her first choice was Joseph Truxler, whom she married 31 years ago when she was 14. Since then she had one marriage annulled, obtained 11 divorces, nine on the ground of cruelty and two for infidelity, and was divorced from one husband on ground of desertion.

One of the objects of Mrs. LaForge's affections entered into three marriages with her, each ending in the divorce court.

Car Topples Over Side of Mountain; One Dead.

Asheville, N. C., Dec. 4.—J. Alvin Ensey, 29, of Sylvia, Jackson county, was instantly killed and L. H. Gedney, of Asheville, seriously injured when a touring car in which they were riding went off a mountain road about nine miles from here last night. Gedney was rushed to a local hospital where it was said tonight he will recover.

Ensey and Gedney were en route to Asheville. The former was a merchant and alderman of Sylvia.

It has been discovered by an archeologist that gloves were worn by both the ancient Egyptians and the ancient Hebrews.

LOCALS PLAY CHARLOTTE IN BASKETBALL TONIGHT

Local Team Said to Be in Fair Shape For Game Which Will Be Played in Charlotte.

Members of the local Y basketball team will go to Charlotte tonight for a game with the Y team of that city. The game will be the first of the season for the Charlotte team and the second for the local quint.

Although the basketball season is just opening for the year it is believed both teams will be able to play good ball.

The Charlotte Observer has the following about the Charlotte team: "The line-up of the Charlotte team will be changed often so as to let Coach Link see his cagers in war. The team has only rehearsing a little more than a week, which hasn't given the coach sufficient time to fine up the first five."

Bill Yates for the last three seasons has played an important roll for the local team at center, and also at forward, was elected captain of the team at practice yesterday. Yates' playing has always been an important help to the team for the three years he has performed. He is also a former high school and Carolina star. His election was unanimous.

Abe Neiman will not be able to play tonight and there is very little hope that he will be seen in play the rest of the season. Neiman's leg was hurt while practicing the other day. This is certainly bad news to Coach Link, who was depending on the star to play a forward position. He was by far the best player on the team last season.

Several new men, who have never been in action before on the team, will fill the empty space that was left by several old heads last season. Among the new men who have been showing up well, and will be seen in action are Miles Wolfe, Mike Kimble and Taylor.

Those who were members of the team last season, and who have not showed up for practice yet are Captain Averett, Alex McMillan, Doc White and two Leeper brothers.

Captain Averett played on the team nine years ago, playing for three years, then he moved to South Carolina, where he played for a team. Moving back to this city last season, he played for the "Y" and G. G. Ray. He says he prefers playing on the Y team again this season. McMillan is a former Davidson star, and Doc White played for Eskine.

Death of Mrs. Sophia Bryan. Funeral services for Mrs. Sophia Bryan were held Thursday morning at her home in No. 1 township and interment was made in the Rocky River cemetery. The services were conducted by Rev. T. H. Spence and Rev. Mr. Ballard.

Mrs. Bryan died Wednesday at her home. She was 80 years and eleven months of age and was well known and beloved throughout the county.

Surviving are two sons, Will and John Bryan, of this county, and one daughter, Miss Maggie Bryan, also of this county.

Charles Willis Thompson is authority for the statement that some of the best stories making fun of William Jennings Bryan's ill success at the polls originated—in private, of course—with William J. himself.
