Coxswain means the swain, or fellow, as we should say, in charge of a coveg, which was an old name for a boat. The name coveg became cock and came to mean the small boat. This was known as the cockboat, meaning a ship's small boat.

JITNEY MEN DISAGREE

Case of Jack Stroud and Baxter Cross to Be Heard Next Tuesday.

A quarrel about who should have the choice position for parking in front of the St. Cloud Hotel this morning resulted in a warrant being sworn out by Jack Stroud charging Baxter Cross with assault with a deadly weapon.

According to Cross, the Albemarle bus did not have room to get out and he pulled away in order to accommodate it, intending to go back into the same place as soon as it had gone. While he was waiting for the bus to leave, Stroud, he says, took his place and he backed into him trying to get his place again.

Stroud claims that he parked in front of the hotel and that Cross ordered him to move, saying that it was his place. When he did not give up the parking space, he states that Cross said that he would move him, and the cepcion backed into him.

The automobile was uninjured but the asphalt was plowed up in one place where the wheels which were locked dragged along the surface of the street.

The case will be heard before Judge Caldwell at Recorder's court on Tuesday afternoon.

American Legion Meeting.

The recent meeting of the Fred Y. McConnell Post of the American Legion was well attended and much interest in the work for 1925 was shown by those present. New officers were chosen some months ago and they assisted in outlining the post's work for 1925.

The post went on record as endorsing Capt. Payton McSwain, of Shelby, to serve as Veterans Loan Fund Commissioner for North Carolina.

The post adopted the prize attendance fund plan for 1925 and members present started the prize off with a collection of \$3.00. The post will add \$1.00 to the fund at each meeting night and meetings will be held on the first and third Friday in each month, starting January 2nd. Members are asked to attend the first meeting of the year, and renew their memberships at that time. Dues will be \$3.00 this year and members can renew at any time now.

The post has under discussion a plan to rent a much larger building. The proposed room is a very desirable one with a floor space of 2100 square feet.

At the Theatres.

"Tiger Love," featuring Antonio Moreno and Estelle Taylor, is being shown at the Star today and tomorrow.

William Desmond, in "Measure of Man" and a comedy, "A Miss in the Dark," featuring George O'Hara and Alberta Vaughn, are the features at the Pastime today and tomorrow.

On the recommendation of the Secretary of State naturalization certificate fees in Canada have advanced from \$3 to \$5.

Bandid Queen

By day Vivian McDonald smiled at patrons in a hotel cafeteria in Houston, Tex. By night she went out with her sweetheart Earnie Shoukist and his gang and watched them rob spooning motorists. She quit did it once too often. He was shot and killed while attempting to rob a party of motorists. His own federates were rounded up and now Vivian confessed and repentant.

Mrs. Johanna Smith, a citizen of Johannesburg, South Africa, who is 88 years old, has never seen a motion picture show, used a telephone, ridden in an automobile nor eaten ice cream.

A Sport Costume

An ensemble sport costume of flannel and embossed cretonne is one of the really new contributions for Palm Beach. The flannel is a soft shade of powder blue and the cretonne has rose-colored figures. The pleated ruffle about the gown and the coat give it a youthful feeling.
