IN AND ABOUT THE CITY

CONCORD HIGHS DEFEAT THE KANNAPOLIS TEAM

In Hard Fought Game Locals Won Basketball Game Here.

In one of the best though most hectic contests ever staged in the city of Concord, the Highs beat Kannapolis Highs Friday night by a score of 44-41, the winning points being scored in an extra five minute period, the score was tied, 40 all, at the end of the game.

Both sides played an excellent offensive game and both sides put an equally poor defense. It was a matter of regularity for Concord to put in a marker and then have Kannapolis immediately afterward toss one through the hoops. The last five minutes of the contest became a frenzied struggle for supremacy, with the spectators jumping up and down and yelling at the top of their lungs.

The game started with a rush. After a foul shot Concord, with as pretty a bit of team work as ever put up in this place, made two field goals in rapid succession, only to be stopped when the Kannapolis captain called time out. They seemed to lose some of their pep as a result and the score became tied. From this time on through the first half, there was never more than two points difference between the two teams the final count of this period being 18-18.

Between halves, Coach Fanning slipped a few bugs in the ears of his children and at the opening of the second half the locals seemed to have ethe game on ice. At one time they were nine points in the lead only to have Kannapolis slowly edge back toward the even mark. With only several seconds to play, Johnson, captain of the visiting team, eluded all guards and placed the ball in the basket making the score 40-40.

Things looked bad for the locals in the beginning of the extra period. A foul shot placed Kannapolis one point in the lead. Then Manager Jarratt, despite the fact that he had split his head in a collision shortly before, rose to the heights of glory and dripped the length of the floor for a basket. A moment later Capt. Easley pocketed another, which made the final score.

Both teams displayed good team work. For Kannapolis Gilliam and Johnson looked best. Jarratt and Harris stood out most prominently in the Concord aggregation. Kannapolis: Conard Killiam (1), Jarratt (11), Gilliam (1), RF, Jarratt (11), Smith (8), LF, Lineberger (11), Johnson (11), C, Lentz (2), Fowler (11), RG, Hoover (1), Propst, LG, Harris (12). Substitutes—Kannapolis: Rollins for Propst; Peeler for Gilliam. Concord: Easley (7) for Lineberger.

AT KIWANIS MEETING

Mr. Scovill Talks on "Christian Citizenship."—Solicitor Long Makes Brief Talk.

At the regular weekly meeting of the Kiwanis Club Friday at noon, the Rev. Charles B. Scovill, rector of All Saints Episcopal Church, made a talk on "Christian Citizenship" which was greatly enjoyed by all members.

Mr. Scovill pointed to the necessity of setting the proper example for the coming generation. One of the main things an altruistic spirit and as an illustration, the difference between the Pharisee and the Samaritan was shown, the Pharisee leading a religious life and yet missing the best that there was in life because of his self-centered attitude.

Following Mr. Scovill's talk, Kiwanian Zeb Long, of Statesville, solicitor for this district, extended New Year's greetings to the Concord club.

Brevard Harris, newly elected president, presided over the meeting. The program was in charge of E. Boyd Grady and the attendance prize was won by John S. Palmer. Luther Hartzell, Jr., was appointed to have charge of the meeting next Friday.

Court Adjourned Until Monday.

The Superior Court wound up its criminal cases early Friday afternoon, heard the report of the grand jury and adjourned to meet Monday, at which time the civil docket will be heard.

Whit Morris was found guilty of assault on a female and was sentenced to the county roads for a period of ten months. Luther Meesmer, having liquor in his possession, and found guilty in the August term of court, was found not to have complied with the terms of the suspended sentence which he was given at that time and was sentenced by Judge Shaw to serve on the county roads for a period of 90 days.

Will A. Barnhardt and Dora Goodman were ordered to appear in the next term of court and give reason for Barnhardt's non appearance at this term. Grace Corbett, charged with prostitution, was found to be not guilty but was ordered to give \$200 bond for her appearance at the next term of court on a charge of perjury.

RUN-WAY FROM JAIL TO COURT HOUSE NEEDED

Passage Would Greatly Facilitate Work of Court, It is Declared by Court Deputies.

Court deputies declare Cabarrus County should give careful attention now to the proposed run-way from the county jail to the court room in the court house. Several grand juries in recent months have recommended that the passage way be built, but so far nothing definite in the matter has been done.

Under the present arrangements Sheriff Caldwell either has to bring all of the jail defendants into court at the same time or send a deputy to the jail each time one of the prisoners is wanted. The arrangement is very unsatisfactory, say the men who spend much time in the court room, and the run-way would greatly facilitate the work of the court.

It has been suggested that the run-way connect the second story of the jail and the court room. The two buildings are practically on the same level and it would not require much money, it is believed, to build the passage way connecting them.

If the run-way is erected, it is pointed out, Sheriff Caldwell or one of his deputies, could step from the court room to the cells in the jail in a minute. That would mean the prisoners could be left in their cells until their cases were called and then be returned to their cells in short order at the completion of their trials. That would eliminate any chance of the prisoners escaping and would make it possible for the sheriff to conduct his office during court week with less expense, as he now has to employ deputies to guard the prisoners while they are in the court room.

TO Consider Having a Trade Day.

A meeting of the Merchants' Association, the Chamber of Commerce and any interested persons has been called for Monday evening at 7:30 o'clock to consider the matter of a Trade Day.

The meeting was called by a committee of the Chamber of Commerce appointed to look into the matter of stimulating trade during the winter months. The committee, C. F. Ritchie, A. E. Harris and E. L. Hicks, decided to have one day each month when special values will be given. This plan is to be presented to the meeting Monday night for the consideration of the member. If approved, dates will be announced as to the beginning of the new plan.

SHATTERED NERVES

Lady Says She Was In a Desperate Condition, But "Now In Splendid Health" After Taking Cardui.

Dale, Ind.—"About three years ago," says Mrs. Flora Roberts, of this place, "I had the 'flu,' which left me in a desperate condition. I had a bad cough. I went down in weight to little over one hundred pounds. I took different medicines—did everything, but nothing seemed to do me any good. I hurt so badly in the chest at times I would have to go to the door to get my breath.

"I would have the headache and... was so weak I felt like I would just have to sink down and stay there.

"My nerves were shattered. I looked for something awful to happen—I would tremble and shake at a noise. 'My mother said, 'Do try Cardui,' and my husband insisted till I began its use. I used two bottles of Cardui... and noted a big improvement in my condition. I kept up the Cardui and weigh 180 pounds. I am now in splendid health—sure am a firm believer in Cardui, for I'm satisfied it did the work.

After a weakening illness a tonic is needed to help regain lost strength. Many thousands of women have found Cardui exactly what they needed for this purpose. It may be just what you need. Try it. All druggists'.

Drugs Excite the Kidneys, Drink Water

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney-trouble because often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. By all means have your physician examine your kidneys at least twice a year.
