The Kelvinator Will Do It

Electrify your refrigerator, Freeze your own ice and deserts. Keep your refrigerator dry and sanitary, the temperature always the same and much lower than with ice ALL AT HALF THE COST OF ICE. 45 Per Cent. of the premature deaths of adults is due directly to stomach trouble and practically all of this trouble is caused from eating food improperly preserved. Why not protect your good health when you can create a handsome savings account with the money saved each year by a Kelvinator.

TROY YOUTH IS KILLED IN THE WEST

Henry Pemberton Loses Life on the Santa Fe Railroad.

Troy, Jan. 15.—Henry Pemberton, son of the late D. E. and Cammie Pemberton, here, was instantly killed while in the employ of the State Fe Railway, in Arizona, on January 6th, his body being brought here yesterday on the evening train. Funeral services were held in the Presbyterian Church, being conducted with Masonic honors by Rev. J. Hector Smith, local pastor. Immediately after the services at the church the body was interred in the old Methodist cemetery.

Few details as to young Pemberton's death could be learned. Captain McQuinn, an employee of the same railway that the deceased was, accompanied the body here and stated that he was working as a flagman and coupling Pullman cars when killed. It seems while connecting the cars he was caught between the bumpers and crushed to death. For quite a while the Arizona authorities could not determine where his home was, and held his body a day or so until informed by the war department that he belonged here.

The deceased was 31 years of age, being born here on August 16, 1893. He lived here during his boyhood, but when reaching his majority went to work on the Southern railway. He remained in the employ of the Southern up until after the peach movement last July, then going to Arizona and connecting himself with the Santa Fe. He was a member of the Greenville, S. C., section of the Order of Brotherhood Trainmen, a Mason and Elk. During the war he was a member of the 51st division and saw service overseas.

Lewis Safrat Funeral Conducted at Crescent.

Salisbury, Jan. 15.—The funeral of Lewis Safrat was conducted this afternoon from the Reformed church at Crescent, of which church Mr. Safrat had been for a number of years an official member.

Mr. Safrat died suddenly at his home near Crescent, his death coming as a distinct shock to relatives and his many friends throughout the county.

Surviving is the widow and also eight children. Two of the sons are studying for the ministry. Sidney is at Dayton, O., and Thomas at Lancaster, Pa., in theological seminaries. Other sons are Hugh, of High Point; John, of Faith, and Banks, who lived at the homeplace. One daughter, Miss Josephine, is teaching at Rockwell, and other daughters are Mrs. Charles Menius, of China Grove, and Mrs. Adam Lyerly, of Salisbury.

GOOD HEALTH, GOOD LOOKS

MRS. J. E. HENDERSON.

"For about five years I was in very poor health brought on thru a nervous breakdown," said Mrs. J. E. Henderson, who resides at 423 S. Columbia St., Gastonia, N. C. "I lost in weight, got very thin and almost too weak to get around. I could not sleep or get any rest, had no appetite, was completely worn out and suffered so with my head that I would nearly go mad. I had backaches and pains in my side. I doctored and took medicine but it was Dr. Pierce's Favorite Prescription that finally restored me to health. It was worth hundreds of dollars to me, for it made me a well woman. I gained back my weight and have enjoyed the very best of health since."

COLDS THAT DEVELOP INTO PNEUMONIA

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

DUKE STUDENTS WILL NOT SHAVE FOR WHILE

Wait Until After Examinations, Forming Beaver Club—Revenge For Barber Hair.

Durham, Jan. 15.—The Beaver club has made its appearance on Duke University campus, and the proprietor of the campus barber shop is apparently going to see business become dull.

Beginning with the mid-term examination schedule, Monday January 19, beards will be in order among the male students at the university, and will continue to be in vogue until after examinations are over. Declaring that since the co-eds have seen fit to sever their locks with shingle bobs and with all manner of tonsorial "barbarisms," the men students in a mass meeting Wednesday decided that they feel at liberty to forego the daily, or even tri-weekly, shave.

It is all right to tell your wife everything that happens if you don't tell her even more than that.

ONE THIN WOMAN GAINED 10 POUNDS IN 20 DAYS

Skinny Men Can Do the Same

All weak men and women All nervous men and women All skinny men and women Can grow stronger, healthier and more vigorous and take on solid needed flesh in 30 days just by taking McCoy's Cod Liver Oil Compound Tablets four times a day—as easy to take as candy. And what a hit these flesh producing tablets have made. One druggist tripled his sales in one week.

Everybody knows that nasty-tasting, evil-smelling Cod Liver All is a wonderful vitality, flesh producer and health creator.

But who wants to swallow the horrible stuff, when these wonderful tablets—McCoy's Cod Liver Oil Compound Tablets, are just as good and so easy to take. A box of 90 tablets for 60 cents and if any skinny man or woman doesn't gain at least 5 pounds in 30 days—money back. Ask the Pearl Drug Company or any good druggists anywhere in America. Be sure and get McCoy's, the original and genuine, and don't forget there is nothing on earth so good to make backward, listless, underweight children grow strong and robust.

Girls' Basketball.

Charlotte Observer. The basketball championship series under the supervision of the North Carolina Athletic Association for girls will be conducted during the month of February, ending not later than March 7th, a conference of faculty managers will be held in each district on February 6th or 7th to arrange the schedules for the series. Announcements will be mailed out later regarding the exact time and place for each meeting.

Any school which is now a member of the association or which becomes a member, on or before February 6th, may participate in the championship series. The series will be conducted under

Spaulding's rules for girls in a two division court with six players on each team—three forwards and three guards.

Information regarding the work of the association can be secured from G. P. Phillips, Salisbury, or Miss Nellie K. Dry, Greensboro. The contest this year promises to be a very keen one as many new school are entering. The districts have been made smaller in order that girls may not have so far to travel.

Rastus—Dey done stopped mah pay down to de foundry.
Lisa—What fer?
Rastus—Well, Ah think firm' me had somethin' to do wid it.

LET US BE YOUR VALET

Our Regular Cleansing and Care of Your Clothes Will Lengthen Their Life
