HOME AGENTS MEET IN TWO-DAY CONFERENCE

Seventeen Counties to Be Represented in Clothing Methods Meet Next Week.

Seventeen home demonstration agents—an exceedingly charming bevy, Miss Martha Creighton, district agent, avers—are billed to attend a two-day conference in Charlotte Tuesday and Wednesday, March 3rd and 4th, at the district office in the federal building.

The conference will be with Miss Estabrook, the State's new clothing demonstrator, who will confer with the agents of the nearby counties on methods in presenting to the several communities ideas as to the department's year campaign.

Later in the year Miss Estabrook will give individual attention to the counties who arrange for clothing demonstrations. The Mecklenburg farm women have already made tentative arrangements for her appearance here for a short period.

Among the visitors to be here is Mrs. Cornelia Morris, of Henderson, central district agent.

Others to attend are Misses Edna Rinehart, of Alamance county; Myrtle Keller, Rockingham; Adelle Houston, of Guilford; Marian Swain, Scotland; Alice McQueen, Forsyth; Elizabeth Cornelius, Davidson; Edna Edwards, Rowan; Lillian Cole, Cabarrus; Anna Rowe, Catawba; Nell Pickens, Gaston; Marjorie Holmes, Stanly; Miss Bertha Proffitt, Mecklenburg; Mrs. A. L. Harris, Richmond; Mrs. Irma Wallace, Cleveland; Mrs. Rosalind Redfern, Anson.

Children's Founders Roll of Stone Mountain Memorial.

Announcement has been made by the Stone Mountain Confederates Monumental Association that an official certificate will be issued to all living veterans, and to all women of the sixties, whose names are memorialized through the Children's Founders Roll of the Stone Mountain Confederate Memorial. This has stimulated an even deeper interest in the enrollment of the children of the South in the Book of Memory of the Memorial.

A number of these certificates have already been issued and the old men are much pleased at this evidence of the fact that their names will be perpetuated in history's greatest memorial. U. D. C. chapters throughout the South, and a number of individuals, who are keenly interested in honoring the veterans of the sixties, have begun an active campaign to memorialize all living veterans by April 26th, Georgia's Memorial Day.

The Daughters of the Confederacy are co-operating actively in the enrollment of the children and a number of the Chambers of Commerce of the South have very generously offered their co-operation in the great movement to perpetuate the names of the heroes of the sixties.

The Children's Founders Roll provides for the enrollment of white children, who have not passed their 10th birthday, in a great Book of Memory. With each child's name will be inscribed the name of a Confederate man or woman.

Each child who becomes a member of the Children's Founders Roll, receives a beautiful bronze medal from the Association and to each veteran and to each living woman of the sixties a certificate is sent.

Application blanks for the Children's Founders Roll may be secured from local U. D. C. chapters, or directly from the headquarters of the Association, 222 Grant Building, Atlanta, Ga. Names may be sent in through the mails without the application blanks. The following information should be given: Name of child, age, name of parents, complete address to which medal is to be mailed, name of Confederate to be honored, service record and kin of veteran to the child.

The Association urges the enrollment of the children. Send in all names as rapidly as possible. All names received between now and April 26th will be counted in the demonstration enrollment in honor of living veterans.

This innovation in the musical life of the community is being promoted by J. D. Tickle, superintendent of the Landis School, and Miss Ada Stirewalt, of China Grove.

AUTO INJURIES FATAL TO STATESVILLE GIRL

Little Flanigan Child Dies in Hospital Result of Collision of Two Cars. Statesville, Feb. 25.—Little Gene Lee Flanigan, aged four, daughter of Col. and Mrs. R. L. Flanigan, died at a local hospital this morning as a result of injuries received in an automobile wreck last night.

The accident occurred just east of Statesville on the Salisbury highway when a car driven by Joe D. Terry collided with a car driven by a negro. Terry was returning from Greensboro and was accompanied by his mother, Mrs. R. L. Flanigan, and her little daughter and by Mrs. J. A. Walker and Mrs. B. H. Reid.

Their car was overturned, the little girl suffering a fractured skull, crushed chest and internal injuries which resulted in her death a few hours afterwards. The other occupants of the car received cuts and bruises but none of them serious. Colonel Flanigan advised of his little daughter's fatal injuries, arrived this evening from Oteen hospital.

WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble. Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation, send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing, be sure and mention this paper.

"ACHED & ACHED"

Lady Says Her Back "Hurt Night and Day"—Least Noise Upset Her. Better After Taking Cardui.

Winfield, Texas.—"My back hurt night and day," says Mrs. C. L. Eason, of R. F. D. 1, this place. "I ached and ached until I could hardly go. I felt weak and did not feel like doing anything. My work was a great burden to me. I just hated to do up the dishes, even. I was no-account and extremely nervous."

"My mother had taken Cardui and she thought it would do me good, so she told me to take it. My husband got me a bottle and I began on it. I began to improve at once. It was such a help that I continued it until after the baby's birth."

"I took eight bottles and I can certainly say that it helped me. It is a fine tonic. It built me up and seemed to strengthen me. I grew less nervous and began to sleep better."

"I can certainly recommend Cardui to expectant mothers, for to me it was a wonderful help. In every way I felt better after taking it and I think it is a splendid medicine."

Cardui is purely vegetable, and contains no harmful drugs. For sale everywhere. NO-162
