Music Club Meets.
Quite a large crowd assembled at the lovely home of Mrs. C. F. Ritchie on South Union street Tuesday evening for the February meeting of the Music Department of the Woman's Club.

As special guests of the club were Miss Janie Klutz, the president of the Woman's Club, Mrs. Victor A. Means and Mrs. J. L. Davis, two of Concord's most accomplished and talented musicians, who favored the club with two beautiful piano duets, Mrs. W. W. Morris and Dr. and Mrs. W. D. Pemberton. In addition a large and representative portion of the membership was present to hear one of the best programs of the year.

Contrary to the usual order the program was rendered first after which business of importance to the club was transacted.

Mrs. Mary McLaughlin opened the program with two particularly attractive vocal solos, a selection from Offenbach's "Tales of Hoffman" and the other a tender little love song by Grieg.

Mrs. R. E. Ridenour, Sr., then read the scenario of the opera "Tales of Hoffman," which is the story of three love affairs of Hoffman all of which ended unhappily.

Following this reading, Mrs. H. G. Gibson and Mrs. Nan Pickett sang the well known and ever popular "Barcarolle" from the "Tales of Hoffman."

Mrs. Mary McLaughlin next read the scenario of "Samson and Delilah" by Saint Saens, after which Mrs. Gibson sang "My Heart at Thy Sweet Voice," and another selection from that opera, and a "Wind Song" by Thomas. Mrs. Gibson's voice is always a delight to her hearers and she was more than usually in good singing voice on this occasion.

Mrs. J. L. Davis and Mrs. Victor Means closed the program with their beautiful duets "Sembrando" by Rossini, with William Tell Overture by Rossini as an encore number.

Mrs. Leslie Correll's accompaniments for the vocal numbers merit special commendation as they were rendered exceptionally well.

Following a business session at the close of the program the hostess served delightful refreshments to her guests.

Meeting of Virginia Dare Club.
An interesting meeting of the Virginia Dare Book Club was held yesterday afternoon with Mrs. M. L. Marsh at her home on South Union Street.

During the meeting Mrs. W. D. Pemberton read an article she had recently written on the "Carolina Playmakers," and Mrs. N. A. Archibald read a paper on the inauguration of the different Presidents of the United States.

In addition to the club members Mrs. Marsh had as her guests her niece, Mrs. Bailey, of Marshville; Mrs. J. F. Goodson and Mrs. W. C. Houston.

After the business section refreshments were served.

Colonial Dames Not Meet.
The Cabarrus county chapter of the Colonial Dames will hold its regular monthly meeting Friday afternoon at 3:30 o'clock at the home of Mrs. L. T. Hartzell on Spring Street.

An affair of great interest in the community was the celebration this week of the golden wedding of Mr. and Mrs. James L. Fisher at their home in Landis. Over one hundred relatives and friends were present. The arrangements for the celebration were made by Miss Anna Louise Miller and Fisher Miller, of Concord. James Klutz, of Concord, opened the program, and the invocation was made by Rev. Mr. Keller, pastor of the Reformed Church of Landis. Mrs. Henry Walker was chosen bridesmaid, and Squire C. A. Linn was best man. Music was furnished by Mesdames L. A. Corrier, Frank Albright, H. L. Efrid, Paul Shullenberger and Ed Flemming and Messrs J. P. O. L. and D. C. Linn, Paul Shullenberger, Ed Flemming and B. L. Umberger, of Concord. H. W. Jewell, of Salisbury, acted as toastmaster.

Pictures of the bride and groom in their courtship days were exhibited, and also a part of the trossseau of the bride of fifty years ago. In the dining room, where a delicious four-course luncheon was served, Valentine decorations were used. Plant Pecan Trees Now.
Raleigh, N. C., Feb. 25.—Farmers expecting to plant pecan trees this spring should do so before the last week in March, advises H. M. Curran, Farm Forester for the extension division of State College.

"This applies especially to these farmers in the Piedmont section and eastern North Carolina," says Mr. Curran, "for after that time the percentage of loss will be too great for profitable planting. Varieties such as the Stuart and Schley are recommended for these sections.

"For farmers and others in Western North Carolina who want a few trees about the house, the Indiana variety is recommended. These trees are grown in Pennsylvania and are especially suited to the mountain section. The trees grow just as large as the southern varieties, the only difference being the nuts are not so large. The best feature of this tree is that it can be planted at least two months later than the varieties recommended for the Piedmont and eastern sections."

Australia Cares Little For Titled Personages.
Melbourne, Feb. 26.—Australia is emphasizing its democracy; the list of New Year honors was the shortest on record.

Knightships and other imperialistic decorations have lost much of their significance and dignity here because of the scandals attached to their bestowal. Certain wealthy political workers are still prepared to pay the price to become knights, and the British government is quite willing to grant the appointments, but the Australian state governments, wisely gauging public feeling, has practically vetoed the wholesale distribution of these gifts.

The labor governments in Tasmania, western Australia, Queensland and South Australia have legislated against these awards, and even the liberal governments are going slowly in recommending the granting of British honors.

Dignified reward for meritorious service to the state is still understood, but many public men who have rendered signal service have insisted on remaining plain Mister.

Australia has had only one native peer, the late Lord Forrest, who did so much work in exploring unknown western Australia that the country forgave him his title.

Big Three Agree to Limit Coaches' Pay
New Haven, Conn., Feb. 25.—Admission was made at Yale today that limitation of salaries of coaches in athletics has been agreed upon by Harvard, Yale and Princeton, the object being to eliminate the possibility of cut-throat competition or wild expense in employment of coaches.

The agreement is general in character and the details are being worked out it was said.

Reports that a salary limit of \$8,000 for football coaches had been agreed upon, effective in September, 1926, were, however, generally created.
