#### ROUTE FIVE

High Point school's basketball team was disappointed last Friday evening after receiving notice that White Hall's team could not meet them on the home court.

J. M. Furr, who has been on the sick list, is improving slowly.

Mr. and Mrs. J. I. Furr and son spent Sunday evening with the former's father, J. M. Furr.

E. M. Dellinger and Miss Jeanette Stroud, principal and assistant principal of High Point school, spent the week-end with home folks.

Mrs. W. H. Bost, Mrs. M. C. Bost and Wright Bost spent awhile Saturday evening with the former's mother, Mrs. Sallie Sounders, of No. 11 township.

D. O. Platt has recovered a part of his home.

Ben Gubin was a visitor at the home of H. T. Petrea Sunday evening.

Eli Honeycutt spent Sunday evening with Miss Ada Ferris.

J. L. Barnhardt had the misfortune to sprain his ankle. PARDUERS.

#### FAITH.

Charles Bost, of Hometown, one of the good farmers of Rowan county, passed through Faith today with two boxes full of eggs for Salisbury market.

John Michael, of Durtown, one of the good farmers, was in Salisbury Saturday.

We counted twenty-one pretty young ladies eating ice cream and cold drinks at Toms Drug Store Saturday, while the music was running by itself. Who can beat that for business?

Born to Mr. and Mrs. Burley Klutz, a son, March 4th, 1925.

Born to Mr. and Mrs. G. C. Miller, March 10th, 1925, a son, G. C., Jr.

Mrs. Will Ritchie is very sick with pneumonia, at this writing.

Mrs. Settie Peeler, matron of Nazareth Orphans Home, is spending a few days with her daughter, Mrs. G. C. Miller.

Mr. Clayton Brown, of Griffin, Ga., is in Salisbury visiting his brother and while there he and one of his brothers motored out to Faith to see Venus and our pretty little town. He has been reading about Faith in Venus' items for many years, as he takes the Salisbury Evening Post to hear from back home and to read the items by Venus. That's the way to do, take your old home paper.

When Mrs. David Peeler came to Faith today to sell her butter she brought Venus a large fine apple that she pulled off her apple tree last August. She has several more. If you can beat that for saving Rowan county, apples trot them out.

G. Alex Basinger has moved to Shuford Lippard's farm near Faith. He farmed on Wm. Gardner's farm last year in Faith. He is a good farmer.

Mr. J. D. Karriker lives on M. G. M. Fisher's farm. He is one of the very best of farmers. He passed through Faith in his car. He has the millpond sowed down in oats and will make a wonderful crop this year.

Two orders came in today for home-made eczema salve. Both came from Concord, N. C., Route 1.

J. T. Wyatt just received an order for two pair millstones with a check to pay for them. That's the way to do business. Am at work on them. He also received an inquiry to know what he could furnish five granite steps for ten feet one inch long fourteen inches wide and six inches high. Business is good and getting better every day.

Mrs. Ritchie, wife of Willie Ritchie, Jr., died at her home here in Faith early this morning of pneumonia. She was confined to her bed only a week and her death was unexpected. She leaves a husband and five little children, her father and mother, four brothers and four sisters besides a host of other relatives and friends. The funeral and burial will take place tomorrow (Sunday) evening at 8 o'clock from the Baptist Church, of which she was a faithful member. She was one of the best young ladies in Faith and was liked by all who knew her and she will be greatly missed in the community.

#### VENUS.

EASTERN NO. ELEVEN.

Miss Sallie Platt, of Highland Hall, spent the week-end with her parents, Mr. and Mrs. G. F. Platt.

Mr. and Mrs. D. G. Bost and little grand-daughters, Olee and Juanita Bost, Mr. and Mrs. K. M. Faggart and little daughter, Halleen, attended the surprise birthday supper given Saturday at 5 o'clock to Mr. and Mrs. J. E. Carter, of Rowan. The writer also attended that splendid occasion. It was one of the most largely attended and most sumptuous suppers we ever had the opportunity of attending, giving a common satisfaction to all.

mate we would say there were 250 people there. There were three ministers and each had something interesting to say. All we could see was lacking for an extra good time in Rowan county was the presence of Venus.

Mr. E. F. Whitley and family attended the birthday dinner given Mr. Frank Mason, of Stany, Sunday.

Mr. E. L. Bost attended the surprise birthday party given Miss Gladys Roseman, of Salisbury, Saturday evening from 8 to 11 o'clock.

Misses Shelle Biggers, of Kannapolis, and Beulah Biggers, of Mont Amoenia Mt. Pleasant, spent last Sunday with home folks.

Misses Johnnie Lee Isenhour, Gladys Biggers and Lela Biggers, of Concord, spent awhile Sunday with the latter's parents, Mr. and Mrs. Ed. Biggers.

Mr. and Mrs. C. D. Wencil visited at her father's, Mr. D. G. Bost, Sunday.

Mr. E. F. Whitley and family visited her brother, Mr. Jas. Barbee, at his home at Oakboro. Mr. Barbee had just returned from the hospital, somewhat improved, but still in a serious condition.

Our school closed at noon on account of the burial of Mrs. Bill Smith. Mrs. Smith was a good woman and will be greatly missed not only in the home but in the community. The large crowd that attended the funeral and the beautiful floral offerings showed in what high esteem Mrs. Smith was held among her friends.

Mr. O. W. Whitley and family and Mr. Lee Whitley and family visited their parents, Mr. and Mrs. E. F. Whitley, recently.

Miss Blanche Platt, of Concord, spent the week-end with home folks.

Ralph Isenhour, of Concord, little brother of Mrs. Lyn Platt returned home Friday after spending several days here with Mrs. Platt.

Guess the price of cotton will soar now as almost everybody has sold all they have been keeping for several years.

Our community was shocked Saturday night to learn of the death of little Annie May Furr, six year old daughter of Mr. and Mrs. Frank Furr. We had known for several days that she was very sick with pneumonia but had heard Saturday that she was improving. The bereaved family has our heartfelt sympathy.

### "ACHED & ACHED"

Lady Says Her Back "Hurt Night and Day"—Least Noise Upset Her. Better After Taking Cardui.

Winfield, Texas.—"My back hurt night and day," says Mrs. C. L. Eason, of R. F. D. 1, this place. "I ached and ached until I could hardly go. I felt weak and did not feel like doing anything. My work was a great burden to me. I just hated to do up the dishes, even. I was no-account and extremely nervous."

"My mother had taken Cardui and she thought it would do me good, so she told me to take it. My husband got me a bottle and I began on it. I began to improve at once. It was such a help that I continued it until after the baby's birth."

"I took eight bottles and I can certainly say that it helped me. It is a fine tonic. It built me up and seemed to strengthen me. I grew less nervous and began to sleep better."

"I can certainly recommend Cardui to expectant mothers, for to me it was a wonderful help. In every way I felt better after taking it and I think it is a splendid medicine."

### STATE RANKS HIGH IN AUTOMOBILES

is Eighteenth in Whole United States in Number of Registered Cars.

Raleigh News and Observer.

North Carolina ranks eighteenth in the list of States in the number of registered motor vehicles but in 1924 only eight States in the United States exceeded North Carolina in the rate of increase in automobiles, according to the Bureau of Roads of the United States Department of Commerce.

The States which stand ahead of North Carolina in number of automobiles are California, Illinois, Indiana, Iowa, Kansas, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Jersey, New York, Ohio, Oklahoma, Pennsylvania, Texas and Wisconsin.

Alabama, Arkansas, Florida, Louisiana, Mississippi, New Mexico, Rhode Island and South Carolina were the States that exceeded North Carolina in the percentage of increase in 1924.

Motor vehicle registration in the United States reached a total of 17,591,981 at the end of 1924. Motor Shipton's prophesy, made in 1941, that "engines without horses shall go" has indeed been fulfilled to all the people, for at the present time there is one motor vehicle for every 6.4 persons, one passenger car for every 7.3 persons and one motor truck for every 60.0 persons.

The reports received from the 48 states show a net gain in registration of 2,591,045 for the year of 1924. Passenger cars increased 14.7 per cent. in number while motor trucks increased at more than double this rate or 32.9 per cent., indicating rapid development of commercial

use of the highways. Truck registrations increased 54.4 per cent. in Kansas and 42.4 per cent. in North Dakota.

The greatest increase in total registration is shown in the South Atlantic group of States where the increase was 21.5 per cent., while the minimum is shown in the West North Central group amounting to 10 per cent.

The total gross receipts from increased fees amounted to \$225,492,000. Of this amount \$184,393,000 or 82 per cent is applicable to highway work under the supervision of the State highway departments.

The registration figures by States are as follows:

### MANY ENDORSEMENTS FOR PLACE ON BENCH

Governor Has Taken No Action Toward Successor to Judge Long.

Raleigh News and Observer.

Governor A. W. McLean stated yesterday that he has as yet given no consideration to the appointment of a Superior court judge for the fifteenth judicial district to succeed Judge Ben F. Long, who died last Saturday.

However, the Governor is expected to give the matter his early attention and it is understood that endorsements are already being received in behalf of several members of the bar of the district.

Bride: He grumbled at me for serving the soup last.

Mother: But, my dear, he didn't mean to wound you.

Bride: I know that—how, too—but it wasn't soup; it was coffee.

### Coughs Always Dangerous—Quick Way to Stop Them

Chronic coughs and chest colds often lead to more serious trouble. Not only is the infection itself dangerous, but the continual coughing spells day and night so weaken your entire system that you can no longer fight off disease.

To stop a cough the quickest way, do this: There is nothing better than that old-time tried and proved remedy—Dr. Bell's Pine-Tar Honey. Doctors say there is nothing like pine-tar extract to quickly loosen and remove the phlegm and congestion which are the direct cause of the cough, while the honey both gives a pleasant taste and helps soothe irritation.

The quick relief to the stubbornest cough often seems almost magical.

But be sure you get the genuine Dr. Bell's Pine-Tar Honey, and no substitute. Dr. Bell's is the original pine-tar honey and has been known for over a quarter of a century as the best. It is scientifically compounded of just the right proportions of pine-tar, honey and other quick-acting, healing ingredients which the best doctors have found to aid in quick relief.

Contains no opiates or other harmful drugs, so can be given even to young children—for spasmodic croup. If you want the best, a medicine that often relieves the severest cough overnight, make sure you get Dr. Bell's. Only 50c at all good druggists.

### Performance is the Best Test

The Oliver No. 2 Walking Cultivator has for years demonstrated its efficiency to do good work where a light, simple and easily operated cultivator is required. Its extreme simplicity gives to it ease of operation. It embodies only those features that are necessary for good work. Unnecessary levers, and heavy mechanical devices are not found on the Oliver No. 2 Walking Cultivator. Springs counter balance the weight of the gangs eliminating neck weight and making it easy to lift the gangs to clear trash or swing them toward or away from the row. The shanks can be equipped with shovels or sweeps, and Spring tooth attachments can be furnished for surface cultivation.
