LOCAL MENTION

Miss Mary Horton is confined to her home by illness.

Members of the Study Club will meet Thursday afternoon at 3 o'clock with Mrs. J. A. Hartsell at her home on North Union street.

The condition of Mrs. E. C. Barnhardt, Jr., who has been confined to her home for a week by illness, continues to show improvement. She is now able to be up most each day although she is still confined to her home.

Reports to relatives here today state that the condition of Wendell Ezzell, son of Dr. and Mrs. W. Ezzell, who recently underwent an operation in a Charlotte hospital for appendicitis, is improved.

H. W. Blanks will go to Winston Friday to attend the meeting of the Playground Association, which has its annual sessions in that city. He plans to invite the association to meet in Concord two years from now after the new hotel is completed.

The Ideal Lunch Room has been consolidated with the Carolina Cafe, L. A. Martin, former owner of the Ideal, having recently purchased the Carolina from his brother, Eugene Martin. Mr. Martin purchased the Ideal from O. A. Swearingen and associates and had operated it for several months.

Ten defendants tried in recorder's court Monday paid fines totalling \$110. Two other defendants were found not guilty by the court and several others were allowed to pay the costs without paying fines. Seventeen cases were on docket for trial, the docket being one of the heaviest in recent weeks.

The Richmond-Flowe Company will occupy Efrid's old store for a week beginning Saturday at a clearance sale of their stock of shoes. The store is now being put in shape for their occupancy. After the sale, work will be begun preparatory to the opening of the Charles Store on the first of June.

Rising temperatures have been Concord's lot during the past 24 hours. Rain came with the warmer weather, the rainfall during the night being the heaviest in the city in recent weeks. The rain continued most of the day but did not fall in torrents as it did during the night.

Business men in Concord have been heard to sigh with relief now that the income taxes have been made out for the year. There is always the possibility that the government will not accept the data as given on the blanks, but at the same time the matter has been attended to for the time being at least, and that fact is worth something.

G. R. P. Cress, of No. 4 township, brought an old school notice to the Tribune office Monday which was dated April 16, 1880, and was written notifying Henry Walker of his appointment as chairman of the school committee for district No. 43, Board Sup. Com. Schools for Cabarrus Co.

Photographs of all the Y. M. C. A. activities will be made during the week together with all the clubs and teams at the Y. These photographs will be placed in the new special edition of the Y paper which is to go to press at an early date. The paper is to be sent to all parts of the country and to countries abroad.

The friends of Miss Rosa Caldwell will be gratified to learn that she has been elected editor in chief of "Sights and Insights," the Salem College annual, for next year. This is considered one of the highest honors at Salem. Miss Caldwell has also been chosen chief marshal for the commencement exercises this year.

Farmers throughout the country are hard at work now preparing their lands for the summer and fall crops. During the past several weeks weather conditions have been very favorable for farm work and the farmers have taken advantage of the opportunity to get their business in shape for the rush season that is just beginning.

"I'll say it pays to advertise," said J. Ivey Cline as he greeted a representative of The Tribune and The Times several days ago at his farm in No. 1 township. As a result of Mr. Cline's advertisements hundreds of persons have visited his farm and he has sold them hundreds of eggs and day-old chicks.

TOM SIMS SAYS

Spring is the mating season. The birds mate. But they don't have any house rent or grocery bills.

At last women are becoming men's equals. Here and there you find one who really doesn't want to marry.

Women are nice people. But they sometimes refuse to agree with you in all the things about which you are mistaken.

Many single men think they can enjoy life more with their present habits than they could with a wife.

Trying to keep two people from marrying results in a married couple for enemies.

Spring fever makes you feel as if you have forgotten something.

Even if women do have more sense than men you never see a man with high heels on his shoes.

The more you talk the less it counts.

A man is a person who thinks being late for his meals is no trouble.

A baby's idea of heaven is a place where it is against the law for its father to sing.

LIFE IS WORTH LIVING
SAYS DENTIST

Who Tells How He Found Health, Strength and Happiness,

READ THIS EXPERIENCE

There are times in the lives of most of us when we wonder—if life is really worth the living!

Sickness or continuous ill health coupled with loss of time and heavy expenses bring discouragement and sometimes despair—but, before you give up hope, read these words of John M. Kirkland, well known Richmond dentist, and compare your troubles with his.

"For more than 5 years, I have suffered from Malarial chills and was weak and rundown in every way. I was able to work only part time and had to use nearly every cent I earned to pay Doctor bills and buy medicine. About a year ago, I was advised to take Burcher's Ironux and now I am glad of the opportunity to tell what this great medicine has done for me. I never lose any time from work any more and I am strong and healthy and feel that life is worth living—that's what Burcher's Ironux did for me!

No matter what your age or ailment may be, if you are weak, thin, nervous and rundown—if your Stomach or Liver is off and you lack the strength and ambition to do things—Burcher's Ironux must quickly help you or its use will not cost you a cent.

All good druggists sell Ironux on a binding guarantee of full satisfaction or money gladly refunded—and 5 days' use will prove its value. Try it today, at our risk!
