Post and Flagg's Cotton Letter.
New York, April 2.—The continued
steadiness in cotton in face of renewed
disturbance in other major markets can
properly be interpreted as conclusive evi-
dence of a solid out and in fact over-
condition. Prices have not advanced
and it is probably true that after re-
ceiving so severe a shock to their confi-
dence by experiences elsewhere buyers
may be slow to enter the cotton market
and will require very convincing reason
for doing so.

Meantime, admitting that the outlook
in Texas has been improved by recent
rains over much of that state, it looks
like that was well discounted by the
break and furthermore these rains will
hardly go very deep or provide more than
surface moisture needed to work the
land and germinate the seed. The en-
durance test will come with the hot
summer weather and judging by expert
testimony there is serious doubt if re-
sults will be favorable enough to give
a reliable prospect for the fourteen mil-
lion crop that will almost certainly be

needed to meet requirements.
Advices from goods markets are a
shade better but still lack much of be-
ing brilliant, though there seems no good
reason to doubt that domestic consump-
tion will reach the expected six mil-
lions while indications point strongly to
eight millions for exports. The basis
continues very firm for all desirable types
and there is no suggestion of distress
cotton pressing anywhere. Profession-
al traders may be encouraged by outside
developments to put prices under more
pressure forcing a temporary recession
but it is thought that a good many trade
buying orders would be uncovered just
below these levels.

The pastor of Trinity Reformed Church announces services for the Easter season as follows:
Palm Sunday: The preparatory service. Sermon, "I Am the Bread of Life." Evening service. Sermon, "The Living Water."

Wednesday, Thursday and Friday at 7:45 Rev. J. D. Andrew, of the Faith charge, Rowan county, will preach. Song service each night, led by Mrs. J. B. Womble.

Easter Sunday: Early service, Holy Communion. Service at 11 a. m. Sermon, "I Am the Resurrection and the Life." Holy Communion. Evening service at 7:30. This will be the last service in the old church. The property was sold a year ago to the Cabarrus Motor Company. They have called for the church building. The members and the friends are requested to make these services during Holy Week, Palm Sunday to Easter Sunday, full of blessing to all.

The Sunday school and worship will be held in Corbin street school till the new church is ready for entrance. The annual meeting of the Classis will convene in the old Lower Stone Church in Rowan county May 5th. April is the last month of the year. The church will make effort to receive all financial obligations prior to April 25th, when the books for the year will be closed.

HOME OF WALTER LITAKER BURNED THURSDAY AFTERNOON

No One Was at Home at the Time of the Fire and Nothing Was Saved From the Flames.

The home of Walter Litaker, colored, was burned shortly after one o'clock Thursday afternoon in a blaze which, while lasting only a very short while, burned the whole house practically to the ground.

No one was at home at the time the fire caught. Litaker, who is employed at the Central Barber Shop, was at work. His wife was in Shankletown, where she teaches school, and his three children were all in Logan school.

It was not known how the fire started but when first discovered, it was burning briskly in the back of the house. By the time the fire truck reached the scene of the fire, having been called by neighbors, the whole house was a seething mass of flames and the two adjoining houses were burning slightly.

The firemen quickly extinguished the blaze on the neighboring houses and in a very short while had the fire under control in the Walter Litaker home. Nothing was saved from the house, however, since the pine of which it was built, burned very rapidly before the firemen could reach the house.

The house had been built only three years, and was partially covered by insurance, the amount said to have been \$1,200. The home was on Lincoln street.

W. L. POTEAU TO SPEAK HERE THURSDAY AT Y MEETING

Informal Reception To Be Held—Five New Directors to Be Elected at the Meeting.

Preparations now underway indicate that the membership meeting at the Y next Thursday night will be one of the outstanding events of its kind staged in Concord recently.

Dr. W. L. Poteau, president of Wake Forest College, has been secured to make the principal address of the evening. Dr. Poteau is well known throughout the state and the South as an orator and as a liberal thinker. On several occasions he has engaged in evolution debates with other prominent pastors of North Carolina.

The affair is to be held at 8 o'clock and is to be a rather informal reception. A number of the prominent women of the city have been asked to act as hostesses. A musical program is being arranged and the Hi-Y girls' clubs are asked as special guests.

The business of the evening is the election of five new members to the board of directors to fill the vacancy left by the expiration of the memberships of five of the old board.

Invitations will be sent out the early part of next week.

Red Cross Still Appealing for Funds for Storm Sufferers

Contributions for the storm sufferers of the middle west are coming in slowly. It is not because people are heartless. It is because the trouble is several hundred miles away and all are so busy with our own affairs we do not use our imaginations to picture the appalling need. Concord has been asked by the National Red Cross to help. A few people are responding. Below are the names so far and the amount they have given:

- Mrs. George Richmond \$10.00
 - George Richmond 2.00
 - George Cannon 1.00
 - Mrs. W. F. Goodman 5.00
 - H. S. Williams 5.00
 - A Friend 1.00

WAS A "BEAR CAT"

"My wife was never an angel, but after five years of liver and stomach trouble she became a 'bear cat.' No doctor or medicine helped her and we thought there was no help for her. Our grocer told me of Mayr's Wonderful Remedy, which had helped him for some trouble, so I brought home a bottle, but she promptly threw it out. I got it back an duffer a week coaxed her into taking it. She is now enjoying the best of health and disposition." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Gibson Drug Store and druggists everywhere.

LITTLE DAMAGE DONE FRUIT IN COUNTY BY COLD SNAP

G. W. Fant of Raleigh, Spends Wednesday in Concord and Vicinity Inspecting Fruit.

Recent frosts have injured very little of the fruit in the county, is the opinion of G. W. Fant, of the Plant Disease Extension Department at Raleigh, who was a visitor in Concord and vicinity Wednesday, spending the day making an inspection of the orchards and the condition of the fruit.

Mr. Fant made a thorough inspection of seven orchards and found serious damage at the John Cox place, Mt. Pleasant, Route 1. The fruit in the other parts of the county had suffered little loss from the cold snap.

Orchards visited were: H. B. Ivey, Harrisburg, Route 2; J. Ivey Cline, Concord, Route 1; G. M. Batte, Concord; Philip M. Barringer, Concord, Route 5; County Home Orchard; John Cox, Mt. Pleasant, Route 1, and M. L. Kluttz, Rockwell, Route 2.

Woman Evangelist Conducting Meeting at Westford Church

Mrs. O. P. Ader, wife of the Methodist pastor at Mt. Holly, is conducting a series of revival meetings at Westford Methodist Church this week and is meeting with such success that the meeting will probably be continued on through next week.

Mrs. Ader for fifteen years before marriage was a noted woman evangelist and persons who have heard her at Westford say that she is a forceful speaker. About 25 confessions have been made up to date.

The attendance has been good at all the meetings and Rev. E. Myers, pastor of the church, is very pleased with the progress of the meeting.

Eagles Beat the Wildfires

In a spirited game of baseball played at No. 2 graded school Thursday afternoon, the Eagles, from the Brown-Norcott school, beat the Wildfires, of No. 2, with a score of 3 to 4. A fine game was played and both sides showed good interest, but No. 2's Wildfires could not measure up to the pace set by the Eagles.
