KIWANIS MEETING

Noel K. Reid New Member of Club—Major Foll Explains Game Law.

Introduction of a new member, a forceful appeal for the American Legion five million dollar campaign by Boyce Sherrin, local campaign chairman, and an explanation of the new game laws by Senator Will Foll were the features of the regular meeting of the Kiwanis Club of Concord, held at the Y. M. C. A. on Friday.

A delightful number on the program, which was in charge of Julius Shauers, was the singing of Prof. Price Doyle, the accompaniments being rendered by Miss Dorothy Wolff.

Noel K. Reid, manager of the Reid Motor Company, which has taken over the Ford agency in Concord, was introduced to the local club at its newest member.

Chairman Boyce Sherrin, of the Legion campaign, told of the objects toward which the American Legion is striving in this nationwide campaign, and made an urgent plea for the support of the Kiwanis Club and each of its members to help make this drive a great success.

At the conclusion of his talk the club voted unanimously to give its endorsement to the campaign, and President Brevard Harris appointed a committee of three members to meet with the campaign teams and take an active part.

Senator Will Foll introduced as guests of the club the three members of the newly created game and fish commission for Cabarrus county, Messrs. Chas. F. Ritchie, chairman; Sam Pharr and Marson Goodman. He then outlined to this commission and for the information of the Kiwanians, the provisions of the bill enacted at the last session of the general assembly, providing for the protection of the game and fish in this county.

The chief features in the bill, he explained, are that there will be a game warden for the county (A. B. Medlin has been named), who will see to the enforcement of the bill. The commission has the power to name the open and closed season for all kinds of game. A license shall be paid by every one who hunts in the county, unless it be a person hunting on his own land; this provision applies also to tenants who must procure license to do hunting on the lands of the landlord for whom he works. All dogs must be kept tied or confined, and not allowed to run at large through the fields and woods during the closed season, unless the dog be accompanied by his master without a gun, for the purpose of training.

The attendance prize, given by Julius Shauers, was drawn by Prof. Price Doyle. The silent boost was given by Julius Shauers.

The program for the meeting on next Friday will be in charge of Robert Ridenhour.

Kid McCoy Leaves for Jail to Start His Long Sentence.

Los Angeles, Calif., April 10.—Kid McCoy, celebrated pugilistic circles 20 years ago, left for San Quentin penitentiary tonight. He was sentenced to a term of from three to 38 years on charges growing out of the slaying of Mrs. Theresa Mors here last August and the wounding of three persons in a pistol affray after her death.

The ex-boxer today reiterated that he was going to accept the years in prison as "part of my life" and said he planned to make himself useful at San Quentin by "teaching the prisoners gymnastics."

One of the noted pioneers in the teaching of citizenship in the United States is Dr. Grace Raymond Hebard, who fills the chair of political economy and at the University of Wyoming.

A pleasant-faced lady one day last week went the rounds of Monroe's business houses soliciting subscriptions to build a new church house—Baptist church at Lee Park. A few gave, perhaps grudgingly, and no doubt fearful of a mild boycott of some of the good people of that community if they did not come across.
