

AUCTION

TUESDAY, APRIL 14TH

10:30 A. M.

48 Beautiful Residential Lots On South Union Street

When you build a nice home on one of the little lots you are protected by a building line on this property. Adjoining property owners must build back of this line, which prevents cutting off the view of other buildings. This is a protection to your property and adds materially to its value.

Three Nice Lots On South Spring Street
