LOCAL MENTION

Jim Suler has sold to John Samer property in Mt. Pleasant for \$100 and other valuable considerations, according to a deed filed with the register of deeds Saturday.

Reports from No. 6 township state that the barn of Reuben Beaver was burned Saturday morning. A horse and a Ford in the barn at the time of the fire were also burned.

As an added indication that "Spring has come," the cops on the local police force made their debut Saturday morning despondent in white topped caps. Speculation was rife as to the length of time it would take to dirty one of the lids.

The Winecoff-Barnhardt property on the Kannapolis-Center Grove road will be sold at auction tomorrow, April 14, at 1:30 o'clock a. m. Beautiful lots and small tracts adjacent to Kannapolis. Better go up and look the property over today.

Tomorrow at 10:30 a. m. Linker & Barnett will sell 48 beautiful residential lots on South Union street. Also three nice lots in the beautiful grove on Tribune street. This will probably be your last opportunity to get desirable lots on South Union street.

Aubrey (Bub) Henry and Clarence Purefoy are making plans to open a new barber shop in Concord this week, the shop to be in the room just in the rear of the Parl Drug Store. The shop will be called The De Luxe and the owners hope to get it started by Wednesday or Thursday.

A baseball game will be played Tuesday afternoon between Monroe High School and the Concord High School at the High School diamond. Since the locals defeated Duke last Friday afternoon, their stock has risen rapidly and they are expected to win handily from the Union county boys.

Tomorrow and Wednesday will be examination days for teachers all over the state. The examination this week will be the only regular one of the year, for as a rule teachers now get their credits for certificates on their school record. For this reason the last session of the General Assembly reduced the number of examinations yearly from three to one.

The major leagues begin the 1925 season tomorrow with managers of the various teams expecting better luck than they had in 1924. The Giants and the Yankees generally are given the edge by sports writers and baseball experts, but Washington, Detroit, Cincinnati, Brooklyn and Pittsburgh all are expected to be in the running in the two leagues throughout the season.

Concord and Cabarrus county were well represented in Winston-Salem for the Easter services at the Moravian Church and cemetery. Many persons from this section spent the week-end in the Twin-City and many others motored over Saturday night for the night, returning early yesterday morning. Reports say the crowd present for the services this year was the biggest on record.

Easter weather in Concord was well nigh perfect for most of the day. The sun shone with unusual brightness and warmth, making Easter clothing not only possible but very comfortable. During the afternoon the wind blew with great gusto for about half an hour, but later it died out and the sun again shone in all its splendor. So far as can be learned here, the wind caused no damage in the county.

"Conduct of citizens of the city was about as perfect as ever as was the weather," Chief Talbirt of the local police department stated this morning in explaining that no session of the city court would be held today. "We have no cases on docket for trial today," the chief added, "and so far as we were able to learn citizens of the city conducted themselves in fine fashion over the Easter week-end."

Register of Deeds Elliott issued eight marriage licenses Saturday, the number being the greatest of recent weeks. "But what's the use?" he complained, "while I was issuing the eight licenses John B. McAllister, clerk of court, was arranging eighteen divorces on the court calendar." This information was obtained when a newspaper man after reading the calendar prepared by the court, asked Mr. Elliott what he had to match the eighteen divorce notices.

Prof. J. B. Robertson, superintendent of the public schools of the county, announced this morning that county commencement this year will be held in the high school auditorium. The order of commencement will be reversed this year, the contests among the young people to be held in the morning and the literary address and other general features to be staged in the afternoon. This change is made so rural patrons of the school can work half a day and still be on hand to hear the address which will be along the lines of rural school organization.

BESSEMER CITY FARMER ENDORSES IT

He Says HERB JUICE Is the Best Medicine on Earth.—He Feels Like a New Man After Taking It.

"I am thankful for having heard of your HERB JUICE medicine. I know it is the best medicine on earth. I really feel like a new man since I have taken it," said Mr. David White, well-known farmer of Bessemer City, N. C., when he called to see the HERB JUICE man a few days ago.

MR. DAVID WHITE

Speaking of his condition prior to the time he began using HERB JUICE, Mr. White said: "For years I suffered with chronic constipation, and although I was continually taking something for this trouble, I could never find a thing that would regulate my bowels. The poisons that had accumulated from this had about ruined my health and I always had a tired, worn-out feeling and never felt like doing my work. In addition to this I was bothered a great deal with indigestion, gas would form on my stomach after eating, and especially after eating supper this gave me so much trouble that I did not know what it was to get a good night's sleep. As I said before, I was always taking medicine of some kind, but I never found anything to do me any good until I started using your HERB JUICE, which I must admit is a wonderful preparation for constipation and stomach trouble. I have used two bottles of HERB JUICE and feel better than I have in many years. My bowels act regularly now, I have no more constipation, liver is in fine shape, and I am not bothered with gas attacks or indigestion. My appetite is so keen now that I can eat anything and the best part of it, I do not suffer any afterwards. I have never found any medicine that would equal HERB JUICE, it has proved its worth to me in more ways than one, and is without a doubt the only satisfactory medicine I have used and it is a pleasure for me to recommend it to everyone suffering as I did. Ask your druggist for MILLER'S HERB JUICE. The HERB JUICE expert has established headquarters in Concord at Gibson Drug Store and will gladly tell you without any cost just what benefit you can obtain from HERB JUICE. Also sold in Kannapolis by F. L. Smith Drug Co.
