CONCORD HIGHS WIN THIRD STRAIGHT GAME OF WEEK

Beat Salisbury 11-8, Forcing Visitors to Use Three Pitchers.—Sullivan Does Iron Man Stunt.

Concord's heavy hitting baseball team smashed the offerings of three of Salisbury's pitchers during the first six innings of Thursday's game at the High School and piled up a lead of ten runs which was never overcome, despite the fact that the Concord infield made some dumb plays in the seventh and McInnis went to pieces in the eighth.

As is the custom in recent games Concord forced the visitors to use three pitchers in stopping them with their work at the bat. Duke Freshmen coaches had to put in three twirlers last Friday, Monroe suffered the same fate on Tuesday, Charlotte brought out a trio in Wednesday's game and again on Thursday Salisbury warmed up a new one every three innings.

McInnis, pitching his second game of the week, held the visitors' bingles well scattered until the eighth when they hopped on him with a vengeance, driving in six runs by a series of singles and doubles. Sullivan, who relieved him, had little trouble and returned the Salisbury batters to the bench without a hit in the short time he twirled. This makes his third consecutive time in the box. On Tuesday he came to McInnis' rescue and pitched two innings. Wednesday he held Charlotte to five hits and on Thursday went in again for nearly two innings.

Simpson, Sullivan, Sapp and Watt led in hitting for Concord. Watt contributed a triple which should have been a home run. Howard, who got in in the eighth, knocked the only home run of the game when he drove one far into right field.

Salisbury out-hit the locals, getting 15 safe swats. Coltrane led in the batting with three singles. Safrit, Holschouer and Schuler each batted well.

Concord's next game at home is with Gastonia on Friday, the 24th. Gastonia beat the locals earlier in the season but Concord is planning to turn the tables this time.

The box score in the Salisbury-Concord game was as follows:

PRESBYTERY ADJOURNS ITS KANNAPOLIS MEET THURSDAY

Decided to Raise \$100,000 For Endowment For Mitchell College at Statesville—Adjourned Meeting in June.

Concord Presbytery, after completing the business before it in its session at Kannapolis, adjourned Thursday night until June 4th, when an "adjourned meeting" will be held at the First Church in Salisbury. The next regular meeting of the Presbytery is to be held in Old Fort, September 15th.

Much of the day prior to the adjournment was given over to reading of reports from the schools and colleges. Encouraging facts were presented from Davidson College, Union Theological Seminary, Edgar Tufts Memorial Association and Mitchell College.

In connection with this report it was decided that an endowment fund of \$100,000 be raised for Mitchell College, of Statesville. Heretofore the college was wholly dependent upon gifts from individuals and churches. The endowment to be raised under the direction of the Board of Trustees of Mitchell College.

The report from Barium Springs Orphanage showed that there are 362 children being cared for at the present, 71 of these children having come from homes of the Concord Presbytery. The orphanage received from churches, Sunday schools and Women's Auxiliaries of the Concord Presbytery \$7,437.59 during the year. The Thanksgiving offering amounted to \$4,002.82.

The Presbytery was invited to the celebration of the one hundred and fiftieth anniversary of the Concord Irredel church, located at Lory. Significant facts about this church which were presented to the Presbytery were that it is a country church, it has been in existence 150 years and it is larger at the present time than it has ever been, having a membership of 372.

An invitation was also received to attend the semi-centennial of the First Church in Mooresville on the last Thursday in July.

In connection with the report on the "Men of the Church" it was announced that a group of three meetings would be held in the interest of the men's work within the bounds of the Presbytery, one of which will be held in the First Presbyterian Church, Kannapolis, May 31 at 3:00 p. m.

W. N. NORTHCOTT HEARD BY LOCAL KIWANIS CLUB

Tells of Work Y. M. C. A. Is Doing in All Parts of the World For the Young People

W. M. Northcott, who is here in the interest of the Y. M. C. A. campaign, spoke before the Concord Kiwanis Club today.

In addressing the club, Mr. Northcott told the members that the General Secretary, as well as the staff in Chicago, are as soon as we think of them of what Y. M. C. A. staff in Chicago.

"Very many people in speaking of boys are prone to say that they are interested in the 'Boy Problem,' but Mr. Northcott always answers back that he is not interested in the 'Boy Problem' but greatly interested in the 'Boy's problems,' which is entirely another matter. As long as we consider boys a problem just so long will they continue to be, but as soon as we think of them as what bothers them then we win the boy and help him at the same time.

"The biggest problem for the boy is to be able to adjust himself to other folks, principally the grown ups.

"It might help to know what are the major tendencies of the boy. One of the best leaders and students of boys has said that the average boy of ten age is 50 per cent. (clean and wholesome), 30 per cent. (right) and the balance (type) is the condition with which he will contend for his convictions. It may mean to try to prove that his dad is the best man in town, or his ball team has the best pitcher in the whole state, 15 per cent. religion. Not the kind that makes a parade, but the respect he naturally has for the sacred things of life. And the last 5 per cent. is for work which helps us to understand the boy. Too many times we try to reverse the order of a boy's natural life. The Tom Sawyer story has the right ring to it.

"The boy of twelve to fifteen is a born follower. The Young Men's Christian Association is exposing to them the finest leadership obtainable and by the thousands they are following the paths that lead into clean living that guarantees good bodies to meet the issues of life."

Mr. Northcott told a story of a boy who had been considered a hard boy to handle but who when given the right incentives and made to understand that he could win and do big things if he tried rose to the ideals and is winning.

The Y. M. C. A. in this city is the best pace setter in the city for boys and girls, and is doing a work the value of which cannot be overestimated. Everywhere in the city the word of appreciation is spoken for the wonderful leadership of Mr. Blanks and his workers are giving to the city youth.

LOCAL MAN TO HEAD NEW HOSPITAL IN HAYNESVILLE

Dr. C. O. Wolf, Son of Mr. and Mrs. S. A. Wolf, Chief Surgeon in \$70,000 Hospital.

The following story from the Shreveport (La.) Times will be of interest in Concord:

"Haynesville, March 21.—At a meeting of the building committee of the Haynesville sanitarium, the contract for a new \$70,000 brick building was awarded to the Buchanan Contracting company of Haynesville over five other bidders. F. C. McClannahan was the second man on the list. The building is to be erected at once on a site across the street from the public school building and on the main highway leading into town from the south. It will be modern in every particular and, with Dr. C. O. Wolf as chief surgeon, will have a full staff of specialists and consulting physicians and surgeons.

"No arrangements have been made for a student nurses' training school, but there is considerable talk that Haynesville will be the next city to offer an opportunity to young women to take such training."

Dr. Wolf is the son of Mr. and Mrs. S. A. Wolf of this city. He has been in Haynesville, La., for two years. Prior to going to Haynesville, he was connected with hospitals in Brouncke and Shreveport.

SOUTHERN TRAINS ON NEW SCHEDULE

The inauguration of Crescent Limited on April 26th to Shift Table Slightly.

Effective April 26th with the inauguration of Crescent Limited, the Southern's new de luxe train between New York and New Orleans, the schedules of the arrival of several trains here will undergo slight changes with a general quickening of the running time between here and the north. The new train, Crescent Limited, will be known as 37 and 38 and old 37 and 38 will be known as 39 and 40. The new train, which is a new creation, will pass Concord in the afternoon from New York and on the return trip from New Orleans will pass through the city at night. No. 39, formerly 37, will arrive in the city during the morning as it formerly did and 40 will arrive at night.

The equipment of the Crescent Limited consists of luxurious pullman cars of the latest design, arranged to provide every comfort and convenience. There is a club car in the forward part of the train with movable chairs where passengers may lounge, rest, smoke or chat at any time during the trip. This car carries a valet-porter to attend to the travelers' wants and make their journey more comfortable and pleasurable. The observation car on the rear of the train is the

salon for social gatherings. A maid is in constant attendance to wait on the ladies throughout the train.

This train runs off two hours running time from the fastest train now run by the Southern between New York and New Orleans. It leaves New Orleans at 10 o'clock at night and arrives in New York two mornings later at 11:50 o'clock. Returning it leaves New York at 6:40 in the evening and arrives at New Orleans two mornings later at 9:15 o'clock.
