YOUNG MARRIED WOMAN FOUND DEAD IN HOME

Coroner's Jury Finds That Death Was Self-Inflicted—Ill Health Given As Reason For Act... Mrs. Anna Belle Bost Talbirt, wife of T. Hayden Talbirt, was found dead early last night in her home near the Jackson light in this city and a coroner's jury which investigated the case here this morning found that death was caused by suicide... Mrs. Talbirt had been in ill health for some time and despondency is believed to have been responsible for her act... According to information given the coroner's jury Mrs. Talbirt asked her husband to go to the home of her parents Mr. and Mrs. T. V. Talbirt and ask his mother and Mrs. T. V. Talbirt and ask his mother and Mrs. T. V. Talbirt to come to her home as she was not feeling well... Mr. Talbirt did as requested, leaving his wife in a rear room of their home preparing to retire... Mr. and Mrs. T. V. Talbirt live only about fifty yards from the home of their son and as the latter reached the door of his father's home, where his father met him, he heard a cry of a girl... Looking back he saw that the light in his home had been extinguished since he left... With his father he rushed back to his home and found the body of his wife lying near the front door... Kerr Street Baptist Revival

Mr. Whitley preached another fine sermon last night to a large congregation... The house was filled to overflowing, the choir was in fine singing spirit, and the Lord was there in a great way... The junior choir is doing some good singing, and everybody seems to enjoy the services... Mr. Whitley used for a subject, "When All is Over Where Will the Ungodly Be?" Text I Peter 4:17, "What shall the end be of them that obey not the Gospel of food?" He said in part... What if I were superintendent of a cotton mill and a number of people were to come for employment, and I were to say, yes I will give you work, Well, I put you all to work, and you work two weeks, and get no pay... You would quit and I could not blame you for it... Now that is just what the devil is doing for all who work for him, paying them nothing but sorrow, trouble and in the end death... First. Where does the sinner stand now? In his own strength... From your own opinion you are just as good as any church member... Then they say it's time enough yet, or they think to get to heaven on their mother's goodness, but mother's goodness will not save you... Second. He will have to stand alone in death, and he will be on a sinking foundation... I go to old Calvary and I see Jesus Christ with his hands stretched out to save every sinner... Third. Where will the sinner stand in the judgment? You cannot stand on your own merits then... People are drunk on pleasure, but it won't be long until pleasure will cease... Then it will be an awful thing to stand in the presence of an angry God... I appeal to you tonight in the name of God and high Heaven... Where will you stand in the judgment?... God was there in a great way to bless His people... Service tonight at 7:30... Come and worship with us... PASTOR... Knew His Business... The elevator boy was green at the job... Two passengers, a man and a woman, got on at the street floor... "Ninth" said the latter once they were fairly started... "Sixth," said the man... The car sped by the sixth floor and stopped at the ninth... On the way back the man said: "Why in heaven didn't you stop at the sixth floor? The sixth is lower than the ninth?" "I know that," said the elevator boy, "but the lady said 'Ninth' first..." The first seal of North Carolina was adopted by the Lords Proprietors in 1665... This seal is in the public record office in London... St. Louis safe blower got only \$26, which is poor pay for an expert.
