HE STRUCK MATCH WHILE CAR WAS BEING FILLED

Tourist Has a Blaze and Comes Near Losing His Ford.

The Albemarle fire department was called out Monday morning in response to an alarm from the White Front Service station on West Main street. A South Carolina motorist had driven up to the station, and while his tank was being filled he struck a match to near the tank. His car was soon ablaze, and but for the timely application of sand, sawdust, and aid from a nearby station that furnished an extinguisher, the fire department would have been needed for heavier duty.

The Ford was right much the worse for the accident, but the owner drove off a little later, probably a little wiser for the experience.

The Kerr Street Baptist Revival.

Sunday was a great day for the Kerr Street Revival. The Lord was there and blessed his people in a great way. There was a record congregation at the morning service and at night the entire seating capacity was filled, and chairs had to be put in the aisles. Mr. Whitley preached two very helpful sermons. His subject Sunday night was "Dying without God," Text Daniel 5:30. "In that night was Belshazzar the king of the Chaldeans, slain."

He said in part: We look around us and see men dying every day and the first question that is asked is "was he a Christian?" The thought is was God with him or her death, and are they now with God in peace! If we expect God to be with us in death, we must take him with us in life. First, This man's friends was of the wrong kind, the one that gives you wind or gambles, who is your enemy, and in the hour of death, will forsake you. Second, then this man had wonderful opportunities. He could have led the Nation to God. I thank God for men with authority who love and serve God. Third, Then he was a man of influence, but he used his influence in the wrong way. Fourth, then he had been warned all his days. God has always warned people before destroying them. Fifth, He sent for God's man in the hour of trouble. He wanted some one that knew God to come and help him, but listen that night the man paid the awful penalty for his mistakes. Five came at the conclusion of the service and re-consecrated their lives to God. Service tonight at 7:30. Four deacons will be ordained. Come and worship with us.

PASTOR.

The Bootlegger's Nemesis.

Concord Observer. Cabarrus County has developed the finest prohibition officer in the nation—Dan F. Widenhouse. He is so recognized by all conversant with his work. He can find a still, beer and liquor by instinct. The other day we took a trip with him to see him at work. He started first to find a branch. This found he got busy and soon two barrels of beer were found covered under the ground. Trees were growing on top of them—at least it looked as if they were to us—but Dan pulled up the trees and bushes and underneath was the mash just ready for the worm and the still. Dan is a wonder when on duty. He gets the direction of the winds and his smell is so acute the winds bear him right to the still or liquor. And yet he is as fair and square to all violators as he can be. He seldom loses a case because he doesn't start them without first having the evidence. And every bootlegger in North Carolina knows Dan—fears him. His catches often seem miraculous.

The New Concord Mayor To-Be.

Concord Observer. Mr. C. H. Barrier the nominee for mayor of Concord is a Cabarrus product. He was born and reared in No. 9 township near Georgeville and if he was ever out of the county we have no record. He farmed for years and then came to Concord and for 20 odd years he has managed a large mercantile business here. He once served as city alderman and in this office made a good record. His large vote attests his popularity with our people. He will make a worthy successor to Mr. Womble. Mr. Womble is also popular and a good man but what beat him was he had held the job two terms and it is the unwritten law in Cabarrus to beat the fellow who is in. Life tenure of office was abolished here 30 odd years ago. We hope Mr. Barrier will make us a splendid leader and put us up a few notches more on the ladder of fame and fortune.

William A. Dees Dies in Number One Township.

William A. Dees, twenty-six years of age, died at the home of his mother, Mrs. Laura Starnes Dees, in Number 1 township Sunday morning at 7:30 o'clock. Funeral services were conducted this morning at 11 o'clock at Fairview church, burial being made in the Fairview cemetery.

Mr. Dees had been ill for several years, his death being caused by tuberculosis. For some time his condition has been serious. He was born in Cabarrus county March 17, 1899, the child of James and Laura Starnes Dees. He spent his life in the county, having charge of a farm in Number 1 township.

He is survived by a wife and two children, and by his mother and six brothers and sisters.

Dying Harpist Ordered Deaths of Pets to Go to Heaven With Her.

New York World. Mme. Kitty Berger, harpist, who died of heart disease in the Presbyterian Hospital Tuesday, left word that her four cats should be killed at once so they might go to Heaven with her, her friend Mrs. Adolph Schminke of No. 250 West 93rd Street said yesterday. Mrs. Schminke said she gave the cats to the American Society for Preventing of Cruelty to Animals, to be killed yesterday.

Berger was told, two years ago, to go to the hospital for treatment, she refused to do so, saying no one else could care for her cats, and that before her death flowers were brought to her from the grave of her favorite cat.

Mme. Berger, in private life Mrs. Paul Paneritus, was born in Austria, where her parents were members of the household of Emperor Francis Joseph. She played before the Emperor, Queen Victoria, Queen Alexandra and President Roosevelt.

WELL KNOWN AND BELOVED EVANGELIST OF THE NAZARENE CHURCH ENDORSES HERB JUICE

Rev. A. L. Greene Gives This Great Tonic Laxative Credit For Restoring Health to Self and Entire Family.

REV. A. L. GREEN AND FAMILY

Rev. A. L. Greene, traveling evangelist of the Nazarene Church for the past thirty years, through the States of Tennessee, Alabama, Kentucky and the Carolinas, where he is known and loved by thousands of people from all walks of life, lends his name to further the cause of HERB JUICE, the medicine that has proved of such great benefit to him and his family. Before I began to use this medicine," said Rev. Mr. Greene, "I was just out of shape all over, stomach was so upset I could not eat and I never felt like doing a thing. I had such a strange numb feeling in my legs all the time which I was told was caused from poor circulation. I was so badly constipated and so nervous that I could not sleep at night. I have tried a lot of different kinds of medicines for the trouble, but I can honestly say that I never found anything to do me any good until I started using the HERB JUICE. It is simply wonderful the way this medicine has brought back my health. I feel as though I had never been sick a day in my life, bowels act regularly, no more poor circulation, stomach is in perfect order and I can eat and enjoy three good meals a day. Not only good health; they were also bothered a great deal with constipation which had upset their entire systems. Today they look better than they have for years and have given a statement of this kind before, but I feel as though I would be doing my fellowmen an injustice if I did not tell them about HERB JUICE." The HERB JUICE expert has established headquarters in Concord at the Gibson Drug Co. and will gladly tell you without any cost just what benefit you can obtain from HERB JUICE. Also sold in Kannapolis at F. L. Smith Drug Co.

Old Fashioned But Still Good

Dr. Francis Burgette Short says that honesty is simply an old-fashioned virtue that insures large dividends of happiness to all who practise it. Surely, this applies equally to the conduct of business—a retail store! The Golden Rule in practice is a straight road that all can travel with mutual happiness, satisfaction and profit. This business was built by giving a square deal to all alike always. We believe that as we do to our friends and customers, they will do to us. If we merit their patronage, it will be given to us.

Vesuvius Is Again Showing Activity. Naples, Italy, April 25.—The activity of Vesuvius, which after eight months of comparative rest is in eruption again continued to increase slightly today, but conditions were regarded as so safe that 500 tourists, one third of them Americans, were permitted to ascend the volcano on the Funicular railway which runs to the summit, and to go near the crater. Professor Mallandra, the director of the Vesuvius observatory, proved his asser-
