INCREASED INTEREST IN CHURCH SERVICES HERE

Rev. George E. Guille Heard by Large Congregation in City Tuesday Night

Rev. George E. Guille, who is conducting a series of services at the First Presbyterian Church here, was heard by a large congregation Tuesday night, and interest in the meetings is increasing daily.

Scripture maintains a distinction between the believer's relation to God as a child and his legal standing as a son.

Mr. Guille spoke of "that horrible word 'predestination'" and showed from scripture that it had no connection with salvation but with sonship.

But how shall we be in the intelligence of this position? It is by the "spirit of His Son," and thus it is written: "Because ye are sons God hath sent forth the Spirit of His Son into your hearts crying 'Abba, father.'"

The holy spirit dwelling in every child of God, makes him fully competent for the place of a son.

Contrasting the standing of the Jew under the law with that of the Christian under grace, the apostle declares "thou art no more a servant but a son, and if a son then an heir of God through Christ."

But in spite of all that God has said as to His people insist upon taking the servant's place and acting like hirelings.

The speaker referred to the prodigal son as an example of this and stressed the fact that when he found himself upon the father's bosom with the father's kiss upon his cheek his premeditated confession and plea, "make me as one of thy hired servants" never got itself out, for the father's breast is the place for sons, not for servants.

"Of all that scripture has to say concerning the inheritance nothing is more blessed than this, that our sonship is soon to be manifested. We are sons but we do not look like sons."

And here again we find predestination, as it is written "predestinated to be conformed to the image of His Son." And this means precisely what it says: Physical likeness to the Son of God, in bodies of glory like His own.

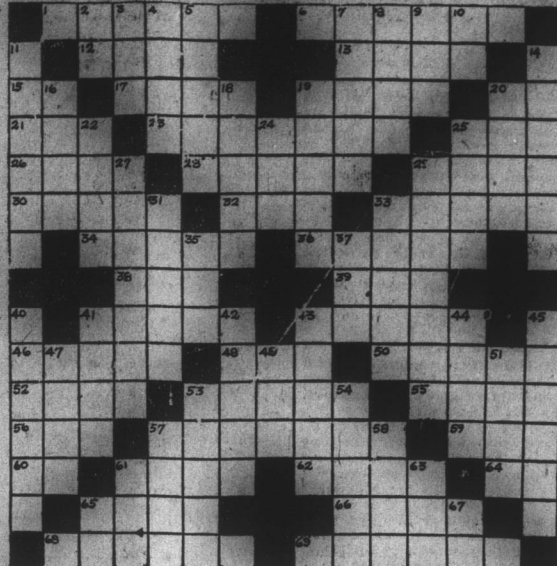

Mr. Guille's subject for Wednesday night will be "Soiled Feet in the Mother's Hands," or Christ's present service as "Advocate with the Father."
