"Dr. Jayo" On

Moving to New Building

Soon we are going to move to our new store location, across from the new Hotel and we are determined not to move these goods with us, or at least the most of them. That means that we are going to sell them, and that the MEN of Concord and the combined territory are going to get a real treat of a lifetime in values. Prices—you'll see them lower than ever when you come.
