## PALE, NERVOUS

West Virginia Lady Says That She Was in a Serious Condition, But Is Stronger After Taking Cardui.

Huntington, W. Va.—"I was in a very weak and run-down condition—in fact, was in a serious condition," says Mrs. Fannie C. Bloss, of 1984 Madison Avenue, this city.

"In my left side the pain was very severe. It would start in my back and sides. Part of the time f was in bed and when up I didn't feel like doing anything or going anywhere. anywhere.

"Life wasn't any pleasure. was very pale. I was nervous and thin, and so tired all the time.

"My druggist told me that Cardul "My druggist told me that Cardul was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I kept on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time." Cardul is made from mile-acting medicinal herbs with a gentle, tonic, strengthening effect upon certain female organs and upon the system in general.

Ford, Firestone and Edison Join in

Effort to Reduce Price of Rubber

N. E. A.

FORD, FIRESTONE and EDISON...
Arkon, O.; April 27.—Three great American minds are about to engage Great Britain in a trade war in an effort to save millions of dollars, yearly to those affected by the high prices of rubber.

They are Henry Ford, Harvey S. Firestone and Thomas A. Edison.

Two years ago Firestone, prominent tire manufacturer, suggested for that America should produce its own rubber in retaliation for the British crude rubber restriction act, which curtailed products.

This suggestion has now become awarning, because of the furthering of the restriction act by Great Britain, And to this end Ford, Firestone and Edison have been awarning, because of the furthering of the restriction act by Great Britain, And to this end Ford, Firestone and Edison are bending their efforts to prolated holdings in Florida.

TRubber was around 14 cents a pound when the restriction act because of the further advances.

Ford, Firestone and Edison have been arrying on extensive intestigations on Early in the British crude rubber trees are growing. The british restriction and prevaint of the restriction are bending their efforts to prolate the continuent of the pound of the restriction and provided the continuent of the pound of the restriction and proposed and holdings in Florida.
